IS AMERICA PART OF BABYLON the GREAT of END TIMES?

OH BABYLON

(A Prophet Word - Received Nov. 28, 2018)

Babylon, Babylon, Oh how wretched and poor have you become. In your great pride, you have forsaken your forefathers whose truths you now scorn.

You have risen to heights never seen by earthly man. You brag of your wealth, economic, and military prowess. But little do you realize the truth.

You have raised up many idols you bow down too. You have allowed evil and corrupted minds to lead you, replacing the hard fought battles your forefathers endured to establish your nation.

You now seek out the lying tongues and refuse to see the truth. Because of your unrighteousness, you have become delusional and prefer the lies leading you to destruction.

In this delusion, you follow a carnal man for your salvation in your time of tribulations. Oh, how you have fallen, preferring falsehoods instead of seeking the one true Source of your past glory.

Your eyes and ears long to see and hear the earthly things of man's wisdom. Lo, you have refused to raise your eyes toward Heaven and see and hear the voice and see the true source of your blessings and strength.

Oh Babylon, you are blind, deaf, and forsaken as you do not see your fall and destruction is upon you. For in one hour you will burn and become desolate.

You scorned and ridiculed those watchmen on the wall sounding the alarm of the impending horrors of desolation and bondage. No longer will you say, "Oh what an exceptional nation we have become that rules the world".
But yet, I have warned you that your nation is wretched, poor, blind, and naked before Me. You shall become a hissing sound in the voices of the world you thought you ruled. Ye do not realize it is I who rule for “I Am” the only alpha and the omega who reigns over the affairs of man.

Your reign is coming to a close, but yet those of your people who have been faithful and clung to the truth and sought My face with a child like faith in Me, will I save and protect.

Oh Babylon, how far thy have fallen!

In my spirit, I am completely sure that America is the mysterious Babylon spoken of in prophetic text. The following is the proof I believe supports this contention.

In Dr. Jack Van Impe’s Prophecy Bible, he discusses Mystery Babylon in Revelation 17 recognized as the end time religious system of the Tribulations hour. This system is a union of the worldwide churches. He goes on to say, “…..they [denominations] were either doctrine or morally wrong…. Yes, disobedience to revealed truth, as well as incorrect doctrine, keeps one from the presence of God for eternity…. The [churches] went through the motions but were never truly converted. Among them are cultists, apostates, and unconverted professors of religion- including Baptists, Catholics, Lutherans, Pentecostals, Presbyterians, and those who were members of a host of denominations.”

Though this previous quote by Impe speaks of the end time “One World Religion”, we are already seeing it forming in the world today. This apostate church is at the same time, part of Babylon the Great, which is described in Rev. 18, but separate from the Antichrist Babylon system of end times Tribulations.

The Scriptures in (Rev. 18:1-2) reveals a Mystery Babylon of current history- a commercial and economic Babylon.

“For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication [idolatry] with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.”
This Babylon is described in the following verses:

18:8-11  “Therefore shall her plagues come in one day. Babylon.... in one hour is thy judgment come. Merchants of the earth shall weep and mourn.”
18:17-18  “In one hour so great riches is come to nought. What city is like unto great city.
18:20  “Rejoice over her.... God hath avenged you on her.

Many reading this will say it is the end time Antichrist system and world government or the revived Roman Empire, but could this city be the United States? To reveal this city, let us go to Jeremiah, Chapters 50-51 which says:

Jer. 50:1-3  “The word that the Lord spake against Babylon and against the land of the Chaldeans by Jeremiah the Prophet. Declare ye among nations, and publish, and set up a standard: publish, and conceal not: say Babylon is taken......Out of the north there comest, up a nation against her, which shall make her land desolation....”

Jer. 50:9  “For, low, I will raise and cause you to come against Babylon an assembly of great nations from the north country: and they shall set themselves against her.....”

Jer. 50:12  “Your mother shall be sore confounded; she that bare you shall be ashamed.....”

Jer. 50:23  “How is the hammer of the whole earth cut asunder and broken! How Babylon has become a desolation among the nations!

Jer. 50:32  “.....I will kindle a fire in her cities, and it shall devour all around about him.”

Jer. 50:37  “A sword is upon their horses and upon their chariots, and upon all the mingled people that are in midst of her.”

Jer. 50:41  “Behold, a people shall come from the north, and a great nation, and many kings shall be raised up from the coasts of the earth.”

Jer. 51:7-9  “Babylon hath been a golden cup in the Lord’s hand that made all the earth drunken: all nations have drunken of her wine, therefore the nations are mad. Babylon is suddenly fallen and destroyed: howl for her; take balm for her pain, if so be she may be healed. We would have healed Babylon, but she is not healed: forsake her, and let us go everyone to his own country: for her judgment reachest unto heaven, and if lifted up even to the skies.”
Jer. 51:13- “O Thou that dwellest upon many waters, abundant in treasures, thine end has come, and the measure of thy covetousness.

Jer. 51:42- “The sea is come upon Babylon: she is covered with the multitude of the waves thereof.”

Jer. 51:58- “The broad walls of Babylon shall be broken, and her high gates shall [defense] be burned with fire....”

In this description of this Babylon, Impe says it receives a double portion of judgment because it gloried itself and lived deliciously. The rich became richer, and her poor became poorer...... This nation said, “I shall see no sorrow. I do not want to look at the needs of the poor.

[Note: America has the greatest disparity of wealth in the world. Less than 0.1% of population owns or controls 80% of the nation's wealth.]

Impe wrote that Dr. S. Franklin Longsden (prophecy scholar) believes this Babylon is America. Other scholars also believe America and Babylon the Great, are one and the same, because of the prophecies of Isaiah and Jeremiah plus also the words of John the Seer in Revelations chapter 18.

Dissecting what Jeremiah said in the Chapters referenced, it certainly seems to be describing America. Jeremiah relates that Babylon is wealthy and sells and buys from the whole earth. It is called the hammer of the whole earth which certainly depicts the U.S. in history as unparalleled in military might and a world policeman. Jeremiah prophecies mentions her mother (Great Britain) and how it beguiled the world with its riches and implies through its control, angered the other nations. The United States, through its economic power, has ruled the world as no nation before it. This nation fits the description of sitting on many waters and surrounded by seas. [Note: Ancient or modern Babylon (Iraq and Iran) are hundreds of miles from any sea, thus can not be the nation described.]

Babylon during reign of Nebuchadnezzar never traded with the whole world. It further was never destroyed in one hour and its walls burned. Babylon was conquered in one night without fire or siege. Rather it was conquered by the Persians and Medes when they dammed the Euphrates River and came into the city under its walls.

The late Chuck Missler, a well known and brilliant Bible scholar and founder of Kiononia House for Biblical teaching, always instructed his students to look at the multiple meanings that often were expressed in biblical text. Simply, many times scripture has multiple meanings
that can relate to past, present, and future events- Babylon being an example.

Other current modern evidence can be used to collaborate that America is this political and economic nation just described. Jer. 50:3 tells of a time when a nation out of the north shall make Babylon desolate with the aid of many other nations. Russia is due north over the poles from the U.S. Furthermore, Russia has established a huge military presence off the coast of the Northern Hemisphere in the Arctic. To understand that Russia and its allies could be preparing to attack our nation, one only has to peruse the hundreds of internet alternative media sites with warnings. As Americans can not depend on Mainstream Media [MSM] for the whole truth of current events, each of us must be diligent to seek foreign media and alternative sites. The neocons/progressive leftist are pushing for a war with Russia, following the dictates of their international banking and corporate globalists masters. Just look at the unrelenting MSM like CNN, constant attacks on President Trump since even before his election and taking office. [Note: Trump was never expected to win the presidency, but Hillary Clinton was chosen to complete the nations destruction and hand it over to the globalists.]

Dr. Impe, previously referenced, has for fifty years been warning of war with Russia. More currently, pastors like Henry Gruver, Kenneth Hagin (deceased) and Dimitri Duterman and many others have had visions from God about this war. The late Pastor David Wilkerson, in his book in 1985, titled, “Set the Trump to Your Mouth” warned:

“America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, in one hour, a hydrogen holocaust will engulf America and this nation will be no more. It is because American has sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge America for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality, and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its lukewarmness to Christ, its rampant divorce and adultery, its lewd pornography, its child molestation, its cheating, its robbing, its dirty movies, and its occult practices.”
KENNETH HAGIN

In his book “I Believe in Visions” Hagin relates a powerful vision and prophetic word given in 1950 in Rockwall, Texas during a tent revival. He described what he saw in a scroll given him by a man riding up to him on a horse. The scroll was titled “War and Destruction” and Hagin said, ....it spoke of thousands of men in uniform marching off to war..... he saw many women, middle-aged, young women, and teenagers in great sorrow weeping and then saw the skyline of a large city in burned out ruins.

HENRY GRUVER- KNOWN AS THE WALKING PASTOR

This Prophet had a vision in 1986 of the invasion of America. He saw Russia moving by sea and air from the north to destroy America by nerve gas and nuclear weapons. The death toll will reach 120 million. He further said this would happen after Russia began to let their masses go which occurred in 1991 with the Berlin Wall coming down. Gruver saw Russia attack from Iceland with submarines just off our East and West coasts seeing strikes against NYC, Miami, Seattle, San Francisco, LA, and San Diego.

DIMITRI DUDURMAN

( A Romanian Immigrate)

Dudurman received a vision about America in 1997, warning America will burn. He saw California (like Sodom and Gomorrah) in one day will burn. Also he saw NYC, Florida, and other cities burning. America's churches, he says, have great sin and will be judged but God will save his true people from the destruction. [Dudurman gave his testimony in many churches across America.]

GEORGE WASHINGTON

Washington, while at Valley Forge during the Revolutionary War had a vision of an angelic being who showed him a coming invasion of America that would be the greatest trial our country ever faced..... however he saw the armies of heaven coming to strengthen us..... the dark cloud of the invaders were rolled back. Washington saw an invasion of foreign armies from Europe, Asia, and Africa..... from each of these continents rose a thick black cloud that soon joined into one....... and I dimly saw, he said, these vast armies devastate the whole country and burn the villages, towns, and cities which I had seen spring up.

[Over a week ago, when I received the word about Babylon from the Holy Spirit and wrote it down, I composed this article. After finishing typing it, I happened upon the prophetic words given by Quayle. These words confirmed the word I received “OH BABYLON”. The reason for mentioning this point, is to verify the word given to me was truly from the Holy Spirit. Be aware that these quotes from Quayle are not taken in their entire context for brevity sake. To see entire text, enter into your browser: Steve Quayle Prophetic Words or use website. Stevequayle.com/index.php

Keep in mind that these Quayle’s prophetic words were given before any wars in Mid East occurred like Desert Storm, or invasion of Iraq, Afghanistan, Libya, or Syria. Also these words were given before 9/11, the financial crises in 2001 and 2008; and the drought and fires that occurred in California during the last few years and recent abnormal cold weather in the Midwest and East Coast of the country.

As given by date and year by Quayle:

**October 20, 1987**

“For the Lord has a controversy with you America! A great curtain of darkness is about to descend on your land.

The kings of the earth are being drawn into battle in the Middle East.”

**April 27, 1994**

“Now the time allotted to your country has run out.....I send you warnings through My word and through My servants, it is to declare My intentions and make them plain before you.

For yet in a little while your country will see the judgment of the Almighty upon your idols.

The government of your land worships at the altars of Mammon. In one day I will bring down their financial system. The entire world will stand in awe.

No planes will fly, no trains will run, no trucks will run. As food runs out millions will flee the cities. Total chaos will ensure. Panic will break forth and there will be much death.”
April 13, 1997

“Nothing will be as it was. The very foundations of your nation have been destroyed from within. [Note: Abraham Lincoln had stated that if America falls, it will not be from foreign forces, but from within- my emphasis added.]

Foreign armies are within your borders….as the weather becomes more erratic, when the harvests are cut off, when cities are inflames and destroyed from within and from without….. the Russians and Chinese have already come to your land; they have made an agreement to divide the land amongst themselves and send you into captivity

You say “God will never judge America…. look at the good she’s done”….. do you not know the Word of the living God. But if the righteous turn from their righteous way, they shall not be remembered as a righteous person or land.”

January, 1998

“All your blessings that were bestowed upon you as a nation when you walked in my ways will be turned to a curse. Your leaders, who have sworn their oaths to Lucifer and [have] embraced the hidden works of darkness.

As my Son drove the money lenders out of my house…. so shall I turn upside down the financial rape and pillage of my people....

The soothsayers will promise a golden age of prosperity and yet I will bring the world to its knees financially in one hour...... America’s stock market is bait that has become the ultimate snare for the foolish.”

March, 2010

“For as I live, says the Lord, the time for your country’s demise is at hand.... I will withhold my hand in judgment no longer.

Yet the churches that claim to represent me who exalt man at the same time they trample underfoot the widows and orphans, the helpless and the needy, continue to spread a message that is not from Me.”

2014

“To the daughter of Babylon and the Great Whore who sits on many waters. My fury and Wrath is about to be unleashed upon your land.
Oh nation, poised for destruction, you have broken the covenant of life that I made with your forefathers and whom I blessed with a nation unlike in the history of the world.

To my people who sit silently compromising with the Powers of Hell. Do you not know your silence is acquiescence to your own slaughter.

**Repent, Stand fast in the power of my might infused, with the Holy Spirit, and the authority given to you. The only reason that evil triumphs is because my people fail to stand against it in My Name. Let not sin have dominion over you for I have given the Victory if you will but appropriate it by faith and the Power of the Blood of the Lamb.**

Evidence is more than circumstantial that the U.S. is under judgment and open to attack by foreign powers, but why? This nation which was founded and dedicated to God and His principles and laws, is now a secular nation. Where once, at its founding, 98% of its citizens were Christians, and the majority attended church regularly. Now less than
20% attend church at all. It was just reported by a Pew Report that 6,000 to 10,000 churches are closing per year in America. Across the board, denominational church attendance is declining, attended mostly by the older generation.

America and Israel are the only two nations founded on biblical principles and each dedicated to God. America has been blessed as no other nation in history. Now it has become a secular nation where the fastest growing religions are Wiccan and Islam with secular New Age and occult practicing “church” attendance increasing. God has been removed from our public arena. In 1967, prayer was removed from our schools with Bibles now banned on most public campuses. Our first public schools in this nation were started by churches and the institutes of higher learning like Yale, Harvard, and Princeton established as religious training for clergy. Now, one would be hard pressed to even find a Bible at most of our universities.

The sanctity of life was abandoned in 1971 with Supreme Court ruling abortion as a right, in God’s eyes committing murder, as the Bible is explicit that life begins at conception. God’s word says, “I knew you (fetus) before you were even formed.” The latest moral abandonment of godly law was the disavowing of sanctity of marriage with passage of gay marriage. It has even become politically incorrect to say Merry Christmas even though it is the “reason for the season”. It is just another attempt to remove Jesus as not relevant in our society.

As our nation’s Christian heritage has been and is being attacked—where are the church leaders? For the most part, our churches and their clergy and congregates, have become complacent, apathetic, and accommodating to the political correctness overtaking the nation. Christians are now content to abrogate their godly mandate to be a light unto the lost world. Instead, we have a burned-out candle in our church windows. The admonition to take the salt that gives favor to our cultural and moral values, has been tossed out. It has been replaced with a rotting, corrupted, and decaying unsalted society.

I sought to find someone of high moral standards and public recognition who might be accepted or at least listened too. I turned to Franklin Graham, son of the greatest evangelist of our age, Billy Graham. I found a speech Franklin in Jan., 2015, at the Jacksonville Pastor’s Conference where he said:

“America has changed, and it’s not coming back unless the church takes a stand. There are storms coming. We find ourselves in these storms,
and many times we as a church run, and we run to the wrong place. You see, Jesus is in the boat. All we have to do is call him. Call his name, But the secularists and the humanists, [if] you mention the name Jesus, and they [will] jump all over you!”

Although all hope seems lost, scripture says, “If you will humble yourselves, repent of your sins, and seek my face, I will heal your land.” When Trump, against all odds was elected, God gave this nation a reprieve of four years, to recognize and turn back to him. If we squander this chance, then destructive storms, floods, and fires will continue to increase. As with Israel, the longer their nation remained unrepentant, the more God removed his hand of protection. Finally they were attacked by their enemies and taken into bondage.

As our nation’s churches should have been praying unceasingly, repenting, fasting, and calling upon God, instead they have remained complacent. Instead of applying the salve spoken of in Revelations concerning the last days Laodician Church, our citizens have refused the eye salve (Holy Spirit) to open our eyes to see the nation’s sins. As Jesus was said to be knocking at the door of the church to be let in, instead he and the Holy Spirit have been locked out. The Holy Spirit was standing outside the door to enter and apply the salve to open the eyes of understanding to see the warnings of judgment. Because Americans, including most Christians, have refused to have their eyes and hearts opened and return to the truth of His Word, God has sent a great delusion so that many can only see the lies of our society and culture. Time is short. The election of Trump, against all odds, has given this nation a four year reprieve to turn back to him- Awake America!

As Steve Quayle has said many times, “There is no political solution to a spiritual problem”. No leader, no pastor, no professors, nor anyone or any thing can help this nation unless we return to God. There is no alternative but to renew our forefathers admonishments to be a moral society as a democracy can only survive under a moral and well informed citizenry. We can no longer afford to be uninformed of current events- economically, politically, and more so, spiritual truths. We must abandon all main stream media sources as they are under the control of the deep state cabal and are only propaganda arms of these globalists.
POSTSCRIPT

I feel it would be remiss of me not to give advice on how to prepare if the worst happens to America. As a nation we are faced with turbulent times. One does not even need to admit a spiritual problem, as we face daunting secular events. Our nation has more debt than any nation in history. It is not a question of if, but when our economy will collapse and our dollar value is reduced to the value of paper alone.

Many nations before us have experienced a currency collapse. Germany during the Weimar Republic after WW1 became so hyper inflating that a wheelbarrow of paper money was only good to burn in the fireplace. This resulted in WW2. It is no different now. If America’s currency collapses, there will be many pressures for war.

I do not know whether an economic collapse, powerful earthquakes, or nuclear war, but any catastrophic event or combination of, will lead to civil unrest- even civil war. In a weakened condition, our enemies would certainly take the opportunity to invade, as discussed in this article. No need to go into detail as how to prepare for such an event, as only a limited search of the internet, will reveal hundreds of articles speaking of how to survive such a time.

If all discussed here is leading to the end time Tribulation period, then biblical prophecy reveals, like Noah, those who prepare will survive. A Pentagon study concluded if only one event, an EMP (electro magnetic Pulse) weapon was used against this nation, 90% of the population would die within a year. It would be such a devastating event because our nation’s electrical grid is totally unprotected, not to mention most of our electronics. Electronics are so incorporated into our world, even cars, communication, and anything else with electronic components would fall. (This Pentagon Study can be read at: washingtonexaminer.com/washington-secrets/military-warns-emp-attack-could-wipe-out-america-democracy-world-order)

As there is so much to understand about the complex society we live, I wrote an ebook titled, “America: A Captured Nation”. It is free upon request at lulingrgm67@gmail.com Just as importantly, we must all keep up to date on current events. Some very good websites to use are:

The best preparation anyone can make is first to recognize that God is in control of this world. It behooves each man, woman, and child to make a stand to follow the Lord and in faith and trust, accept the sacrifice of God’s Son, Jesus Christ. America must turn from its wicked ways, repent, and seek God with all our hearts, mind, and strength. Those who rest under the wings of the Almighty will be protected and saved from what is about to come upon America and indeed the world.
