Introduction

Again this is a very important newsletter. It contains many pieces of the puzzle that need to be examined and some pieces that need to be re-examined.

At the end in my conclusion I will share why the Lord's Coming will not be a suddenly to some but will be a suddenly to most. **I will share what could be some incredible clues that may connect this Easter weekend to the Lord Coming.**

There has been much disagreement lately on many of the topics that I have been covering. I am not a prophet that says thus saith the Lord; No! I am a prophetic teacher of the Bible. I will not back or agree with a prophetic word from any prophet unless I can see it in the Word of God or can see that it is not in disagreement with the Word of God. Below I will give my take on two teachings that are causing a stir in the prophetic realm of teaching and I will share why I am in agreement and open to these events happening.

Arguments against 3 days of darkness.

I have had emails telling me that there will not be three days of darkness. Why would we not be open to this possibility?

1. God caused darkness to cover Egypt during the time that Israel was being set free from slavery in Egypt. This had to be supernatural because in the land of Goshen where the Israelites lived it was not dark.
2. When Jesus was crucified it became dark to the point the Romans who were crucifying Jesus said that Jesus must be the Son of God.
3. In Joel 3:14, 15, It says that the sun and the moon and the stars will go dark. A solar eclipse or a lunar eclipse could not cause the stars to go dark because stars give off their own light. I see an event like this could be caused naturally by an event like a super volcano erupting or from a supernatural event at the hand of God.

Joel 3:14,15, "For the Day of the Lord is near in the valley of decision. The sun and moon will be darkened, and the stars no longer shine."

If God has caused both natural and supernatural periods of darkness, how dare we tell God what He can or cannot do. Do you think we can put God in a box and say He can cause darkness for an hour but not for three days???

In my concluding remarks I share where God showed Kenneth Hagin Sr. both the Transformation and the coming darkness.

Another argument I am hearing is that the instruction to say inside during the darkness is bogus. This one Prophetess said that we have the spirit and power of God to stand and defeat any satanic evil that can come against us. Saying that we have no reason to avoid the evil being released on the earth.

There are so many scriptural reasons why she is wrong.

1. The Bible says that wicked spirits are in chains, to be released in the last days.
2. Both Daniel and the Book of Revelation say that the antichrist is given power and authority to defeat and conquer the saints.
3. Look back at all of Jesus disciples; they were all martyred for Christ. If the disciples who walked with Jesus had to go underground for protection but when captured they could not stop the evil people from taking their lives, do you really think you have more power and authority than the disciples of Jesus?

Arguments against the transformation.

There is no argument to the fact that the Scriptures teach that 144,000 Jews are sealed and given their immortal bodies while still on the earth. The anti-christ cannot hurt them. The Scorpion creatures cannot harm them. Then when Jesus meets them on Mount Zion after the Battle of Armageddon, Jesus refers to them as the first fruits of the resurrection. If they are they first fruits then they are given their resurrected immortal bodies before the rapture.

Why do you think God gives 144,000 Jews immortal bodies while on the earth during Daniels 70th week? I don't think they are just sitting around watching the Great Tribulation unfold. No! they must have a purpose and assignment to reach out and bring in a great harvest of God's chosen Jews.

Realize that if you are on this earth with a resurrected body as Jesus had after His resurrection. You are immortal; you can travel at the speed of thought. You can walk through walls as Jesus did. You can eat as Jesus did. You can operate in all the spiritual gifts. Imagine the potential to win the lost if you have been giving this assignment.

Now think about this, how can we dare put God in a box and say that God cannot do for the Gentiles what he is doing for the Jews? Is God a respecter of persons? If God grafted the Gentiles into the same Gospel as what was given to the Jews, does God love the Gentiles less than the Jews?

I have read many prophetic words that are telling us that God is about to do this very thing. **God's word says that He will do nothing without telling us**

through his prophets. I personally know some of these prophets who God has told that a Gentile version of the 144,000 is coming. I personally believe that the 144,000 Jews and the Gentile version will happen at about the same time.

I see this event in the Bible. **I have given three different Bible examples that point to this event in previous studies.** The most key verse on the Transformation is found in Luke's account of the meeting on the Mount of Olives as recorded in Matthew 24. **Luke 21:36, "Watch therefore, and pray always that you may be counted worthy to escape these things that will come to pass and to stand before the Son of Man."**

I will share more about this verse in my concluding remarks and share why I see this verse is significant to the possibility that major events will unfold around this Easter weekend.

I have noticed that some prophetic people who are in disagreement take this position because God didn't tell them about it. God does not need personal permission from anyone. If you stand against something because you didn't hear from God personally, has your pride been hurt? I believe we must be open and careful at the same time.

Concerning finances,

I have recently shared how I had been under financial attack. I called it a perfect storm against my finances. I was down to only one of these financial bombs left to take care of. This third one was the biggest and this bill has been met. I will share what it was, I blew the engine in my car and it could not be repaired. I had to buy a used, \$3500.00 car on my credit card. Please accept my thanks for meeting this need. I still need to see April's budget needs met as well. With the coming uncertainties I am praying that my finances will finish April strong.

The day may soon come that I will no longer be able to get newsletters out. This time that is ahead could affect many of us in our finances. I am praying that God will use some to send either early donations or a larger blessing to help me and my family transition through this beginning of the trials that are coming. It is my prayer that my support will come from those of you who give as God instructs you.

I had an email recently from a couple who expressed how much they enjoy my studies. They were in their 70's and struggling financially. Please, no one should feel obligated to give to my ministry. I want to bless all I can and I know God will take care of my needs and bless those who God uses.

Why Wrong Time in 2015?

I believe God allowed us to get it wrong in 2015 for good reason. There was so much talk; teaching and prophetic chatter for the Lord's Coming in 2015 that I believe that many were just jumping on the band wagon. The Bible says that God will separate the sheep from the goats. The Bible also says that God's sheep hear his voice.

Even now there is a surge in teaching and prophetic chatter that this is the time. Are you confused by the chatter pulling in many different directions? Are you reading your Bible daily so God can speak to you? Are you listening to hear God's still small voice?

Are you part of the group that realizes that God is coming for a Bride that is holy with robes that are clean, without spot or wrinkle? If you are cleaning up your act, is it really a change of heart? What will happen in a couple of months if the Lord does not come for you? Will the changes in your life be permanent?

God is **not looking for outward change**. God is looking for changes that are in your heart. Don't think you can fool God, if you are now living a holy life from appearance but it is not in your heart, God knows the difference and only outward change, without a change in your heart does not count.

Why Right Time in 2019?

I am hearing so many trumpets sounding the warnings. I see the scriptures pointing to this time. I have placed my study on the convergence below. Study the convergence, it is so compelling. The convergence of signs in the

last few years that are pointing to this time is so strong that we cannot leave this time without the coming of the Lord. I can say with confidence that it is impossible for these signs to ever come together again in a thousand years.

I see the math of God's word pointing to this time. I have placed my recent study below called Bad Math, when you fix the math errors the Lords Coming is pointing to the time we are in. This is not the time to go back to bed, this is the time for the bride to stay up all night if necessary for the Groom is coming for His Bride.

I see personal words from God to me, pointing to this time. I will not go into great detail but I have had confirming words from more than one prophet telling me that God will totally restore my health. I am convinced that the restoring of my health is the Transformation.

I am now hearing many words coming from the watchman and the prophets pointing to this time. The Bible says that God will do nothing unless He warns us through His prophets. The prophets are yelling, do you hear them or are you asleep???

Gods calendar and time can fool us all, but this Easter season, Friday through Sunday makes a lot of sense to me We must stay alert and ready, much is at stake.

Let's Review Bad Math

Jesus didn't delay His Coming, it was Bad Math

From 7-19-2018 Newsletter

What I am sharing has been condensed, the full teaching is on my website.

In Matthew 24:46-51 Jesus reprimands those who would think that He would delay His coming. Jesus went on to say that He would come when those who think He has delayed His coming on a day not expected and He said those who pulled back would receive a portion with the hypocrites, a place where there is weeping and gnashing of teeth. (This is Hell).

Think about this. If Jesus reprimanded Believers for thinking He has delayed His coming, how can Jesus delay His coming? As I have said, "I believe many signs Jesus told us about are all pointing to the year 2018 that we are in now". I am now going to share two past events that calculated the wrong timing of the Lord's return, and I will show how significant these past events are for today.

Many of you may remember back in 1988, a Christian group wrote a book called, "88 Reasons for the Lord's Return in 1988". I remember seeing their posters stuck on the back of road signs all over the place. They were so convinced that the Lord was returning in September of 1988, that these people sold their homes to raise money to get out the word out that the Lord Jesus is returning soon. Some even had their pets put to sleep so they would be left uncared for after the rapture.

Many of you may remember back in 1988, a Christian group wrote a book called, "88 Reasons for the Lord's Return in 1988". I remember seeing their posters stuck on the back of road signs all over the place. They were so convinced that the Lord was returning in September of 1988, that these people sold their homes to raise money to get out the word out that the Lord Jesus is returning soon. Some even had their pets put to sleep so they would be left uncared for after the rapture.

I read this book a few years ago and one fatal flaw in their calculations jumped out at me. This one mistake ruined their whole calculation on the timing of the Lord's Return. One of their 88 reasons concerned the length of a generation. One of their 88 reasons concerned the length of a generation. They chose the generation that died in 40 years when the Israelites were traveling from Egypt to the Promise Land. When the Jews refused to enter the Promise Land, because they saw giants in the land. That generation became a generation under judgment.

If you among the youth up to 20 years of age, then at the end of the 40 years you was allowed to enter the Promise land. Your age bracket was not under judgment. If you was 21 years old and refused to enter the Promise Land, than at the end of 40 years of wandering in the desert, you died early at age 61, because your age bracket was under judgment.

So to accurately calculate the years of this generation in the wilderness, you start with the 40 years and you add the 20 years of the youth who were not under judgment. This bring the number up to 60. Then you add in the 10 years for the older part of the generation that died early at 61.

Those that died an early death because their age bracket was under judgment. Now If you add the 40 years, the 20 years for the youth and the 10 years for those who died early, you end up with a 70 year generation. It is just like what Psalms says.

The 1988 group had taken a 40 year generation and added it to the rebirth of Israel in 1948 to calculate 1988 being the return of the Lord Jesus.

What date or year do we get if we add the 30 year error? **We get 2018 which coincides with all the other prophetic signs.**

A second math error done in 2015

I see an error that was made in 2015 concerning the teaching that the Shemitah cycle and Year of Jubilee was 2015. I remember emailing one of the authors of the popular book and asked why the year of Jubilee was 2015. The reason I made this inquiry was because the year of Jubilee was calculated from the Balfour Declaration in 1917 than 50 years later, the 6 Day War in 1967. I was confused why you would calculate the next Year of Jubilee in 2015. It is only 48 years instead of 50. I emailed one of the popular book authors and I was given an answer, but it was still confusing to me. So I recently did a Google search for The Year of Jubilee and found that many Jewish Rabbis believe the latest Year of Jubilee started in September of 2017 to Sept of 2018.

This not only adds up to the 50 years pattern, but it agrees with all the signs pointing to the prophetic year I have said started in September of 2017, which is also the time of the great event in the heavens, the Virgo Constellation event!

Do you realize what this means??!! God did not delay His coming. We just didn't do our math correctly. All the signs are pointing to this year which will end in Sept of 2018!

Let's Review the Convergence

I shared what Jesus said would be the sign of His coming. In the paragraph where Jesus said "When these things begin to come to pass, look up for your redemption draws near" The signs Jesus told His disciples to look for, Jesus said; " Luke 21:7, *"So they asked Him saying, "Teacher, but when **will these things be?** And **what sign will there be** when these things are about to take place?"*

Luke 21:25-28, *"**And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations with perplexity. The seas and the waves roaring, men's hearts failing them for fear and the expectation of***

those things which are coming on the earth, for the powers of the heavens will be shaken. Then they will see the Son of Man coming in a cloud with power and great glory.” “Now when these things begin to happen, look up and lift up your heads because your redemption draws near.”

I had a couple people ask, “ Can we trust that these signs in the sun, moon and stars are really the signs in the sun, moon and the stars that we were to be looking for?”

If we asked the question, “Could we see other signs in the sun, moon and stars?” The answer to that question would have to be yes.

1. We could see solar storms that could take out the power grid. This could be a sign in the sun.
2. There is a major blood moon happening this month of July 2018, this could be another sign in the moon.
3. A great meteor hitting the earth is spoken of in both Matthew 24 and mentioned more than once in the Book of Revelation. In Bible times meteors were seen as falling stars, thus making a meteor event as signs in the stars.

So does this mean that we should be looking for a different set of signs in the sun, moon and the stars, at a later date? The answer is No! What makes the recent events in the sun, moon and the stars so important is **the convergence of these events with other events**. We have not only seen the signs in the sun, moon and the stars, but we have seen,

1. The rebirth of Israel as Jesus told his disciples would be a sign of His Coming.
2. We have seen the shemitah cycles pointing to the year that started in September of 2017 and ending in September of 2018.
3. We just saw the 70th anniversary of the rebirth of Israel in 2018. In Psalms it says a generation is 70 years and Jesus said in Matthew 24 that this generation would not pass away until His return.

4. Revelation 12 speaks of the great event in the heavens, the constellation Virgo event. This event only happens every few hundred years.

5. Jesus listed five events that would point to the beginning of the Days of Sorrows. The fifth event was great earthquakes. Scientists announced that 2018 would be a year of great earthquakes. There were actually seven events to watch for and the last two are great earthquakes and fearful sights.

6. We are seeing the players coming together as foretold by the prophets for the wars of the end times.

When you consider these events that are converging with the signs Jesus told us to look for, signs in the sun, moon and the stars, if these are not the events and this is not the time for the Lord's return, then the question I have to ask is, "If we cannot trust the convergence of these signs Jesus told us to look for, we would never be able to trust these signs again in the future.

This cannot be the case. Jesus said that He did not want us to be caught unaware. So when Jesus said "When these things begin to come to pass, look up for your redemption draws near." **Then this has to be the time of a coming suddenly that Jesus also warned us to watch for.** Also it is mathematically impossible for these signs to ever converge again in even a thousand years

Qualifiers for the Transformation

I have had many positive emails thanking me for this recent teaching on the Gentile version of the Jewish 144,000. I have had some respond that they believe it will happen but they don't think they would qualify. I want to respond to those who don't think they would qualify. I believe there are some who have been so deeply doing their own thing that I question that they can just flip a switch and they are in. Yet at the same time I believe that there are many who are so close to walking in obedience and holiness that they should not count themselves out.

I am not the one to judge, but God is looking for more than outward clean robes. The Bible plainly says that Jesus is coming for His Bride whose robes are spotless without spot or wrinkle. This includes those who are walking in holiness. I cover this in much detail below. The part that is most important is our heart. What can be seen on the outside must line up with what God sees on the inside.

The important point I want to make is that we must examine ourselves. Ask God to reveal anything that is displeasing to him and so you can become part of a great revival. **Burn your sin bridges behind you with no intention of ever going back.** I believe as we examine ourselves and take permanent action to please God; this is what may still qualify us for this great assignment that I believe we are on the cusp of seeing unfolding.

Below I am sharing a collection of different teachings I have recently done.

1. Holiness and Obedience a Must

Hebrews 12:14, *“Pursue peace with all people, and holiness, without which no one will see the Lord.”*

1 Corinthians 6:19b-20, *“and you are not your own. For you were bought at a price, therefore glorify God in your body and in your spirit, which are God’s.”*

Romans 12:1-2, *“I beseech you therefore brethren, by the mercies of God, that you present your bodies a living sacrifice, holy acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.”*

What is Holiness?

I have been learning a lot from this study. The biggest thing I have learned is that we can never attain holiness and righteousness in our own strength. I believe many Christians see holiness as unattainable and they give up.

Recently it hit me that holiness is not something we attain, it is something that we put on. Ephesians says for us to put on the Righteousness of God, not our righteousness. The Bible says our righteousness is as filthy rags. Later in this study I share how we can put on God's righteousness on a daily basis.

The word holiness is in the Bible over 600 times. The different words connected to righteousness bring the total number of words connected to holy and holiness to over 2000 times in the Bible. What I noticed concerning personal holiness was that personal holiness is almost totally absent until you get into the New Testament. Personal holiness and righteousness was purchased for us on the Cross.

It is actually in the Old Testament that we are reminded that our personal righteousness is as filthy rags.

Isaiah 64:6a, *"But we are like an unclean thing. And all our righteousness is as filthy rags."*

Man has tried to attain holiness through religious ceremony. Being baptized and taking communion are commands that we are to follow but these acts of obedience though they are good and should be done, these acts do not make us holy. In my current church we maybe take communion once a month but this act does not make us holy. I was raised Catholic as a boy and into my teen years, and at times I would go and see the priest and confess my sins but again this act once every month or so does not make us holy.

The Bible teaches that we must keep our robes clean without spot or wrinkle. The Bible says our righteousness is as filthy rags. The Bible says in Ephesians 6:14b, "Having put on the Breast Plate of righteousness." We put on God's righteousness because our righteousness is as filthy rags.

It recently hit me in this study, "Why holiness and our righteousness are equated as clothing". We change our cloths every day. You would not be in good standing with your boss if you showed up at your job with the same cloths you had been wearing for the last month. **Living a holy life requires our communing with God on a daily basis. Holiness requires that we put on God's righteousness on a daily basis.** Holiness is a daily walk with God.

If we are all in then we will want to have real fellowship with God every day. We must keep our relationship with God current every day. We must bring our robes to the cleaners every day. It is the blood of Jesus that cleans our robes and makes us holy in Him. If you really are all in with God then he will be your number one priority in life. You will find the time to commune with the God who loves you so much that He gave his only Son to die for you. If you have time to watch TV and sporting events then don't say you don't have time to read your Bible and find a quiet place to commune with God.

The Bible speaks of the church or believers as the Bride of Christ. We are fast approaching the wedding day. If you were getting ready to marry your bride, what would happen if the bride had no communion with the groom? For one they would not get to really know each other. It reminds me of the parable of the 10 Virgins. The five foolish virgins thought they were ready for the marriage ceremony but the groom, (Jesus) said "I don't know you", and they were not allowed into the marriage ceremony.

I had the opportunity to meet with Rev. John Kilpatrick while I was with Jim Bakker doing a show. In my conversation with Rev. John Kilpatrick he told me that he met a pastor at a recent conference and this pastor confided with him that he hadn't read his Bible in a year. I could not believe what I heard. How long would you keep a job in the real world if you went week, months or years without checking in with your boss. If you don't have time to commune with God then what you are doing is just doing your own thing and going through life wearing filthy rags.

Matthew 5:6, "*Blessed are those who hunger and thirst for righteousness.*"

I believe that without holiness we would miss out on the eternal blessing of heaven. The only other option is hell. We don't like hearing about hell but just ignoring it will not make this option go away. I was talking to Prophetess Linda Hasche today and she shared the vision she had the other day with me about hell. If we don't prepare to go to heaven, this is our destination by default. **Please read what God showed her.**

**VISION: SOULS IN THE FLAMES OF HELL, WHO
THOUGHT THEY HAD BEEN SERVING THE LORD –**

2 Peter 1:5-11 ~ “Now for this very reason also, applying all diligence, in your faith supply moral excellence, and in your moral excellence, knowledge, and in your knowledge, self-control, and in your self-control, perseverance, and in your perseverance, godliness, and in your godliness, brotherly kindness, and in your brotherly kindness, love. For if these qualities are yours and are increasing, they render you neither useless nor unfruitful in the true knowledge of our Lord Jesus Christ. For he who lacks these qualities is blind or short-sighted, having forgotten his purification from his former sins.

Therefore, brethren, be all the more diligent to make certain about His calling and choosing you; for as long as you practice these things, you will never stumble; for in this way the entrance into the eternal kingdom of our Lord and Savior Jesus Christ will be abundantly supplied to you.”

On Sunday, 4-14-19, I attended “Cowboy Church” at Destiny Youth Ranch. We literally met in the horse arena for church. My main task there from the LORD is intercession, so I usually sit in the back of everybody to pray. During one of the songs, while deeply in prayer, the Holy Spirit gave me the following vision:

I saw souls on fire in the flames of hell, reaching out, yet not being able to get out of what appeared to be a lake of fire. I saw the waves of fire trying to get near the pastor while she was up leading the worship songs.

While watching this vision, I knew from Holy Spirit that those souls were people who thought they were serving the LORD, but had been serving self. The Scriptural verses of making sure we are in the faith came to mind (see above, 1 Peter 1:5-11). ~ End of Vision

2. Prepared to feed the Needy

These verses below from Matthew chapters 24 and 25 are all part of Jesus words to His disciples in answer to their questions concerning His coming. These words below from Luke 21 are Luke’s word’s that came from this same meeting on the Mount of Olives.

Luke 21:36, “Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and stand before the Son of Man.”

I believe it is our acts to help people that will be an important part to qualifying to escape what is coming and be used in the assignment of the Transformation.

Matthew 24:45-47, *“Who then is a faithful and wise servant, whom his master made ruler over his household, to give them food in due season? **Blessed is that servant whom his master, when he comes, will find so doing** . Assuredly, I say to you that he will make him ruler over all his goods.*

Matthew 25:34-41, *“Then the King will say to those on His right hand, “Come you blessed of My Father, inherit the kingdom prepared for you from the foundation of the world: for I was hungry and you gave Me food. I was thirsty and you gave Me drink: I was a stranger and you took me in: I was naked and you clothed Me: I was sick and you visited Me: I was in prison and you came to Me. Then the righteous will answer Him saying, ‘Lord, when did we see You hungry and feed You, or thirsty and give you drink? When did we see you a stranger and take You in, or naked and cloth You? Or when did we see You sick, or in prison, and come to You?’ And the King will answer and say to them. ‘Assuredly, I say to them, in as much as you did it to one of the least of these My brethren, you did it to Me.”*

Matthew 25:41-42, *“Then He will also say to those on the left hand. ‘Depart from Me, you cursed, into everlasting fire prepared for the devil and his angels. For I was hungry and you gave Me no food: I was thirsty and you gave Me no drink:” **This paragraph continues to lay out God’s judgment on those who ignore the needs of others. Check it out.***

Please understand God requirement for us individually is different from one to another. Those who have greater financial means will be judged more harshly for their poor stewardship compared to those who don’t have the means to feed a multitude. Remember the widow who shared her last meal with Elijah. She shared all that she had.

3. Expecting His Imminent Return

Matthew 24:48-51, ***“But if that evil servant says in his heart, My master is delaying his coming, and begins to beat his fellow servants and to eat and drink with the drunkards. The master of that servant will come on a day when he is not looking for him and at an hour that he is not aware of, and will cut him in two and appoint him his portion with the hypocrites. There will be weeping and gnashing of teeth.”***

It is sad that Jesus told us what signs of His coming to look for, we have seen these signs and we dare to think that God would change his mind and delay his coming. In my last and other newsletters I have shown why it would be possible for the convergence of signs to repeat themselves in 100 years.

Some are using the excuse from Scripture where it says that we are to occupy until He comes. I believe that we are in the days of His coming and this is not the time to buy houses, cars, take lavish vacations, No! this is the time to prepare for the Imminent return of Jesus.

If you are talking the talk but are not walking the walk, you may think you are fine but remember God knows your heart and that is what will matter when the rubber hits the road.

4. It is Time to Repent

Matthew 3:2, “And saying, “Repent for the Kingdom of God is at hand.”

1John 1:9-10, “If we confess our sins, He is faithful and just to forgive our sins and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us.”

I believe one of the reasons that I have been impressed to get this information out is because I believe and pray that it is not too late to repent for living a luke-warm life. I believe it will take true repentance from the heart to get back on track with God. I am praying that true repentance will allow more to be chosen to be a part of this Gentile version of the 144,000.

This special assignment will be beyond words. Imagine being able to travel at the speed of thought, allowing you to reach out in your immortal body to friends, family and neighbors around the world. Showing up in your youthful body and telling people about Jesus and salvation. The Bible says we will do exploits for God during these last days.

I humbly want to say to the ministers around the world that we as ministers of the Gospel will be judged by a much higher standard. I recently heard a prophet was told by the Holy Spirit that over 50% of ministers will end up in Hell. I have heard that many ministers are too busy to read their Bibles.

If you are too busy to spend time with your Lord, then you are just doing your own thing. If that is true, then which 50% do you think you are?

1 Corinthians 6:19b, *“and you are not your own. For you were bought at a price”*,

I have heard pastors and Christian leaders say that, “This is my ministry and I can do what I want.” These words will come back and bite you. God did not call you into the ministry to do your own thing. As the verse above says, “You are not your own, you have been bought with a price.”

It is not too late to repent. I know pastors who will be totally devastated when they realize they have not been chosen for the assignment of the Transformation.

I believe that during these final days, during this time there will be a great falling away, and there will also be a great revival. It is your choice as a minister of the Gospel to seek God’s will with all your heart to hear from your Lord as to what your assignment is for these last days?

In Conclusion

My concluding thoughts here could be the most important part of this newsletter. I will try to put my case together. I want you to consider all the pieces of the puzzle that I have presented.

1. Bad math in 2015.
2. Why 2019 adds up.
3. The convergence pointing to the year that ended in September of 2018
4. The prophets are warning that the kickoff event is imminent.
5. Why the transformation must happen before the kickoff event.

Why the transformation must happen before the Kickoff event is very important to understand. Many will ask, "What is the kickoff event?"

There have been a number of prophets that have been warned that a huge catastrophic event will trigger the other events to follow that will bring America down and lead the world into the Great Tribulation. Do we know what the kickoff event could be? I believe Jesus told us in the Matthew 24 Olivet Discourse. When Jesus disciples ask the Lord, "What will be the sign of your coming and the end of the age?" Jesus gave his disciples seven events to watch for. Five of these events have been in play. Only two have not occurred during this time of the convergence. Mega earthquakes and fearful sights. Luke's account of the Matthew 24 account mentions the two signs left that are not in play. Great earthquakes and fearful sights. Lukes account says, "Men's hearts failing them for fear, for what is coming upon the earth, the waves and the seas roaring.

I personally believe both of these catastrophic events will happen at the same time. The Bible warns of coming meteors, the waves and the seas roaring sounds like tidal waves. Many prophets have seen huge tidal waves hitting the East Coast. Both Perry Stone and John Paul Jackson saw great tidal waves happening on the East and West Coasts at the same time. The Pastor Ephrain from Porto Rico saw a tidal wave that kills 70 million on the coasts of Canada, America and South America. This same meteor event would trigger mega earthquakes around the world.

When Jesus Said that these events would be the beginning of Sorrows, I now believe Jesus was saying that the completion of this list would be the beginning of the Great Tribulation.

If you believe that there will be a Gentile version of the 144,000, **I want to share why I believe the transformation must happen before the coming catastrophic events that will be both a meteor event, tidal waves and mega earthquakes.**

There is a verse in Luke's account of Mathew 24 that says that it is possible to escape the events that Jesus describes in Matthew 24. Realize that nowhere in the Matthew 24 account does it describe any of God's wrath. What Jesus is describing is the beginning of the Great Tribulation and many of the events of the tribulation that will lead up to the Rapture as described in Matthew 24: 29-31. The verse I will share from Luke says that some can be worthy to escape this coming tribulation. If you understand that the rapture is not pre-trib. then when you read the verse in Luke, the only explanation is that this escape is referring to the transformation.

I realize that many still hold to a pre-trib. rapture, a pre-trib rapture must begin during the fall feasts with Daniels 70th week to follow. A mid-week rapture that happened during the fall feasts must start in the spring so that after 42 months of war on the saints to end with the rapture during the fall feasts. We are now in the spring time. It is interesting that the last winter storms are delaying our spring. Are we seeing a slight spiritual delay. As I have said what I see as the timing of events does not have to be God's exact timing, yet the convergence and other factors is shouting loud and clear that time is up, He is coming.

Now back to why the transformation must happen before the coming Catastrophic events take millions of lives.

Let me say here that the coming events that will kill millions breaks the heart of God. I have heard prophetic words where God has said that He takes no pleasure in bringing these events to pass. It breaks His heart but He must do it to bring the lukewarm church to its knees and to repentance.

When you read the verse below from Luke's account of Matthew 24, what are the things that we can escape from? The events that trigger the beginning of the Days of Sorrows, or called the beginning of the Great Tribulation. This has to include the coming kickoff event. The coming catastrophic events that will include the meteor event, with tidal waves and earthquakes.

This is how I see the order of these events playing out. When the meteor hits the Atlantic Ocean, the tidal wave generated will be traveling at 300 miles an hour. Pastor Ephrain was told not to leave Porto Rico because God would protect him. I believe the transformation event will happen before the waves hit the coasts, thus protecting those God has chosen for the assignment of the Gentile version of the 144,000 or called the Transformation.

When the meteor hits it will cause earthquakes around the world. In America we could see the West Coast earthquakes go off, we could see the New Madrid earthquake go off and other earthquakes happening around the world.

I am praying that the Transformation will happen a few days before the catastrophic events hit. When Kenneth Hagin Sr. was given the vision of the transformation in 1963, he was shown that the transformation would happen before the catastrophic events. Quote from Kenneth Hagin vision dream.

“And so then I looked into the spirit realm and I saw falling upon that mountain a ball of fire from Heaven. The closer to the Earth, the bigger it got, and then when it came to the Earth it divided into small balls or sparks of fire, and it fell upon men. And I saw an army of men rise up, and it seemed as though their hands were fire. And there sat upon their heads a tongue of fire. “

“And I said, "What meaneth this?" “And He said, "**Before the worst shall come and the day of darkness encompasses, there will be those who shall go and who shall carry the fullness of My truth and the fire, not only to the states of this nation but to many other places.** For there is a work that must be done, first spiritually, before the Lord shall come.”

Luke 21:36, “Watch therefore, and pray always that you may be counted worthy to escape these things that will come to pass and to stand before the Son of Man.”

If those who God will use in the Transformation can escape the coming kickoff event, and with the convergence, the math and many prophetic voices warning that time is up and the kickoff events are coming imminently, then I want to share what I call the Easter connection to the timing of the transformation and kickoff event.

The Easter Connection

This coming Easter weekend will cover three days, Friday, Saturday and Sunday. I will share my thoughts on each of these three days.

1. **Friday.** Friday is the day that Jesus was crucified. It is called Good Friday. On the day of the crucifixion there was a **great earthquake** that was significant enough to be recorded as an important event of that day. At the time of this earthquake the veil in the temple that separated man from the presents of God was torn from top to bottom. Also during this day the **sun went dark**, this was significant enough that the Romans who were crucifying Jesus declared that He must be the Son of God.

When I had a dream in 2012 about the Northwest earthquake, in my dream this quake was just like the 1964 Alaska earthquake. Six months after my dream, scientists went public with the coming NW quake called the Cascadia earthquake. They compared it to the 1964 Alaska quake, saying it would be as large, saying it will also be a subduction zone quake.

My last interesting connection was the fact that it happened on Good Friday. April 19th is Good Friday.

2. **Saturday.** What I see interesting about Saturday is, it is the same day that the Passover is celebrated. The Passover is the event that happened in Egypt when the Jewish slaves were about to leave Egypt in the Exodus. What I see as an interesting connection is the fact that it was the time when great judgment was about to fall on Egypt and those who had prepared escaped this coming judgment.
3. **Sunday.** Sunday is Resurrection Day; this was the day that Jesus rose from the dead. This is also the day that the Bible says that many saints of old also came out of their graves and Jesus and these saints of old were seen on the earth for 40 days. What is interesting about this is that many prophets that have been shown the coming Transformation have been told that this gentile version would be for only a short time. Some prophets have been told it will be for 40 days, similar to what happened at the time of Christ's resurrection when Jesus and the saints of old were on the earth for 40 days.

Can you imagine how these saints of old had a powerful impact in launching the church after the Crucifixion of Jesus? I can imagine how both the Jewish 144,000 and the gentile group would do great exploits leading the charge for the greatest revival the world has ever seen.

If I am wrong concerning the Easter connection to the kickoff event and the transformation or if I am wrong on the Kick off events starting in April, I stand by my position that these events will happen soon in God's timing. Everything convinces me that these events are imminent. No matter if my math and timing are right or wrong, I am convinced that we must take this information seriously and prepare our hearts for the Lord's coming.

I am sharing the verse below from Thessalonians because this verse has been often misinterpreted. Where it says the Lord's coming is like a thief in the night. This is said to mean that you won't see it coming. If you read further you will see that it is the sleeping church that will not see the Lord's coming. This verse goes on further to say that we who are watching are of the light

and this day will not catch us by surprise. This verse says that we are to watch. If it was to be a suddenly without notice there would not be anything for us to watch for. Are you watching or are you sleeping?

1 Thessalonians 5:2-6, *“For you yourselves know perfectly that **the Day of the Lord so comes as a thief in the night.** For when they say, “Peace and safety.” Then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. **But you, brethren are not in darkness, so that this Day should overtake you as a thief.** You are all sons of light and sons of the day; we are not of the night, nor of the darkness. **Therefore let us not sleep, as others do, but let us watch and be sober.**”*

Concerning finances, I have recently shared how I had been under financial attack. I called it a perfect storm against my finances. I am down to only one of these financial bombs left to take care of. This third one was the biggest and this bill has nearly been met. I still need to see April’s budget needs met as well.

The day may soon come that I will no longer be able to get newsletters out. This time that is ahead could affect many of us in our finances. I am praying that God will use some to send either early donations or a larger blessing to help me and my family transition through this beginning of the trials that are coming.

It is my prayer that my support will come from those of you who give as God instructs you. I had an email recently from a couple who expressed how much they enjoy my studies. They were in their 70’s and struggling financially. Please, no one should feel obligated to give to my ministry. I want to bless all I can and I know God will take care of my needs and bless those who God uses.

Word’s from the Prophets

- **The Three Days of Darkness and the Transformation of the Remnant/Bride** [WhistleBlowerJeff](#)

On Sunday 4-7-19 the Lord began to give me a revelation in the scripture about the transformation of His remnant/bride that I was to share with the small group that meets in my home on Monday nights. In my time alone with the Lord this morning (4-10-19) He let me know that He wanted me to speak for Him on my blogs about this and about the 3 days of darkness. Although there has been much said about this in the prophetic community right now, not all of it is His truth.

This is what the Lord is saying to me :

My son, I want you to speak to My people because the enemy has brought confusion and mixture to My remnant/bride. Once again My people are not discerning My voice correctly. The 3 days of darkness will indeed happen again. I will tell you about this so that you do not fear now or when it happens.

Understand My word "What is happening now has happened before, and what will happen in the future has happened before, because God makes the same things happen over and over again." (Ecc 3:15 NLT) and I said it again here, "For God [does reveal His will; He] speaks not only once, but more than once, even though men do not regard it" (Job 33:14 AMPC) Also all of you need to remember this verse "Jesus Christ (Yahshua ha Mashiach) is the same yesterday, today, and forever." (Heb. 13:8) I do what I have done in the past again and again because it is how I operate and it is part of who I am. The better that you get to know Me the more you will understand this fact.

The three days of darkness will happen again just as it did during the time that My people Israel were held captive in Egypt. "Then the Lord said to Moses, "Stretch out your hand toward the sky, so that darkness may come over the land of Egypt, a darkness which [is so awful that it] may be felt." So Moses stretched out his hand toward the sky, and for three days a thick darkness was all over the land of Egypt [no sun, no moon, no stars]. The Egyptians could not see one another, nor did anyone leave his place for three days, but all the Israelites had [supernatural] light in their dwellings." (Ex. 10:21-23 AMPC) My people will have light in their dwellings during the coming 3 days of darkness as well. My people will not need candles! There is no need to fear in My people! I will protect those who are mine! Candles will be needed by those who do not know Me. Those who do not know Me will be in great fear because they will not understand what is happening. If there are unbelievers in your household offer to pray with them and encourage them to seek Me and surrender to Me and I will save them. "Come, my people, enter your chambers, and shut your doors behind you. Hide yourself, as it were, for a little moment, until the indignation is past." (Isa.26:20 NKJV) Then My people shall be healed, strengthened and empowered by My glory and sent out!

Covering your windows will help prevent fear of the things happening outside, especially for unbelievers and children, but this will not protect you, I WILL! The darkness will be both physical and spiritual and there will be evil entities outside of your dwelling but do not fear. The movie "Bird Box" was made to cause fear, the enemy loves fear. Unbelievers do not have any power

over this darkness, just like in the movie but My own do. If you know Me and have on your spiritual armor of light the evil and darkness will not harm you. "For we(you) do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand."(Eph 6:12-13 NKJV)

The sign of Jonah was a sign to those who witnessed My first coming and to those who will witness My second coming. "Then some of the scribes and Pharisees answered, saying, "Teacher, we want to see a sign from You." But He answered and said to them, "An evil and adulterous generation seeks after a sign, and no sign will be given to it except the sign of the prophet Jonah. For as Jonah was three days and three nights in the belly of the great fish, so will the Son of Man be three days and three nights in the heart of the earth."

Just as Jonah and I experienced 3 days of darkness so will this wicked generation. These days of darkness will be caused by the "destroyer of nations"(Jer. 4:7) or what is now called Nibiru or Planet X. This is My instrument of judgment that I have used again and again. This time will be the harshest ever. This is written in the book of Revelation 6:12-17(NKJV) "I looked when He opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became like blood. And the stars of heaven fell to the earth (fallen angels and meteors), as a fig tree drops its late figs when it is shaken by a mighty wind. Then the sky receded as a scroll when it is rolled up, and every mountain and island was moved out of its place. And the kings of the earth, the great men, the rich men, the commanders, the mighty men, every slave and every free man, hid themselves in the caves and in the rocks of the mountains, and said to the mountains and rocks, "Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb! For the great day of His wrath has come, and who is able to stand?"

This generation will see My return but before that they will be given 40 days to repent just as Nineveh was, which is the same amount of time that I walked the earth after My resurrection from the dead. First the dead shall rise and then My remnant/bride will be transformed. (Dan. 12:2-3, Matt. 27:52-53, 1 Cor. 15:51-52, 1 Thess. 4:15-17, Isa. 60:1-5) Out of the gross, thick darkness they will arise and shine! Those who are transformed will be given 40 days to bring in the end time harvest and share Me with all that will listen. They will be overflowing with My power glowing with My glory. This will be the time of the "greater works". No one will stop them! No man, no weapon, no sickness, no demon, no giant, no angel, no beast and not even Satan himself! For they will have an anointing without measure. After their work is done then I shall take them to be with Me forever and they will sing to Me in their brightest white robes that have been washed in My blood, "Amen! Blessing and glory and wisdom, thanksgiving and honor and power and might, be to our God forever and ever. Amen." (Rev 7:12 NKJV)

My people, I tell you now stop concentrating on the darkness and focus on The Light! I AM THE LIGHT! Your fear comes from the fact that you know you are living in sin. Put away your deeds of

darkness and clothe yourselves with My robe of righteousness. Cry out to Me now and I will help you overcome your sin, I NEVER asked you to do it alone. I hate self-righteousness! ASK ME TO HELP YOU AND I WILL! I gave My life so that you could have it and have it more abundantly. Receive all that My Spirit has for you! I want you to swim in the ocean My Spirit! That's how much I have for you!

The transformation is coming sooner than most think because they are concerned with the things of this world. Do not be one of those whose hearts fail them for fear of the things they see coming upon the earth. The darkness is only a small part of that which is coming. Be transformed daily by My Spirit and I will finish the work that I have begun in you at the appointed time.

(1 John 3:2-3 NKJV) "Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him, for we shall see Him as He is. And everyone who has this hope in Him purifies himself, just as He is pure."

“PREPARE FOR TRANSFORMATION” – Linda Hasche 4-10-19 ~

*For behold, darkness will cover the earth
And deep darkness the peoples;
But the Lord will rise upon you
And His glory will appear upon you.”*

Several weeks ago (or maybe a month or so ago), I started seeing all of this “stuff” on the internet about “The Three Days of Darkness” (I’ll call 3DD), much of it just a mixture of “stuff” but not really 100% truth coming from the LORD. This 3DD “stuff” was and is causing much confusion amongst professing Christians who did not ask the LORD about it for himself/herself. AND is also causing division. Hmm, wonder where that comes from?

I had people send me emails asking about the 3DD “stuff” and if I had received anything from the LORD about it. No, I had not, but that doesn’t mean anything; He may have chosen not to share anything about it with me. Nobody is given everything from the LORD, so we must remain humble and keep seeking Him for 100% truth . . . DAILY!!!

Anyway, I decided to seek the LORD about it and ask Him directly:
“*What about this three days of darkness?*” His answer: “*It’s related to the comet.*” Then instantly the Holy Spirit brought Isaiah 60:1 to mind (quoting it, but not telling me where it was located; I had to look that up):

**“ARISE, SHINE; FOR YOUR LIGHT HAS COME,
AND THE GLORY OF THE LORD HAS RISEN UPON YOU.”**

I didn't press further, because the LORD was letting me know the darkness comes in association with "Planet X" (also called "Nibiru") . . . AND. . That is the time when those who have been chosen by the LORD will be transformed and . . . (Warning: I'm going to shout here): **NO, THAT IS NOT "THE RAPTURE!!!"**

It will be a time of spiritual transformation whereby those whom the LORD has chosen (His "chosen vessels"), will receive an impartation from Holy Spirit that **WILL** transform him/her into an End Times army of harvesters of souls for the Kingdom of Heaven. You **WON'T** be cowering in a corner, behind closed doors, with blackened Windows and lighting non-scented candles if you are a "chosen vessel." **NO!! NO!!** And again I say **NO!!!** You're light **WILL** be shining with the love and presence of Holy Spirit in you, through you and on you. **GO OUT AND BLAZE THAT LIGHT IN THE DARKNESS!!!**

These chosen vessels will be fulfilling the Scriptures that Yeshua (Jesus) said would happen: John 14:12 (ESV) ~ *"Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do, because I am going to the Father."*

I didn't feel prompted/led to write anything up at that time so I didn't, especially with all of the "prophetic mixture stuff" being slung around like pig slop in a trough, where non-discerning individuals lap up the mixture like a kid in a candy store . . . and . . . Did **NOT** seek the LORD if that "stuff" was true or not. Nope. **MOST** didn't do it. A **FEW** sought the LORD for truth, but that would be consistent with the following Scriptures:

Matthew 7:13-15 (BSB) ~ *"Enter through the narrow gate. For wide is the gate and broad is the way that leads to destruction, and many enter through it. But small is the gate and narrow the way that leads to life, and only a FEW find it. Beware of false prophets. They come to you in sheep's clothing, but inwardly they are ravenous wolves."*

So, what about Sister Such-and-Such and Brother Bo-Bo who have shared truth and the warnings rang true? Shouldn't we keep "following" them because they were true before? **NO!! NO!! NO!!** Don't follow **ANY PERSON** . . . Follow the LORD Jesus . . . Yeshua **THE** Messiah. Take **ALL** . . . **ALL** . . . **ALL** prophetic dreams, visions, words, teachings, revelations to the LORD in prayer **YOURSELF**. Ask **HIM**, *"Is this true?"*

I'm talking about what I share as well. **DON'T FOLLOW ME** . . . **FOLLOW JESUS** . . . Yeshua **THE** Messiah!!! Folks, ya gotta get your **OWN** personal, intimate, in-love-with-the-LORD relationship with **THE** Messiah Yeshua (Jesus). **NOBODY** can share his or hers relationship. **NOBODY!!!**

In that personal, intimate, in-love-with-the-LORD relationship, you WILL experience a deeper understanding of Scriptures as you read. Your worship will take on a greater depth. Your walk will become adventures with Holy Spirit. What you see now in “churches”, especially here in USA, Mystery Babylon is like a cardboard cut out of a relationship . . . NOT REAL. GO SEEK THE LORD IN A DEEPER WAY . . . PLEASE!!!

What prompted this post? Over the last 3 days (I’ll call the 3 days of light as an “antidote” to the 3DD “stuff”), Holy Spirit kept speaking the following phrase in my spirit (And that includes today, 4-10-19):

What’s personally significant about this timing? I’m in a new job that just started the SAME DAY I was getting the repeated message: “*PREPARE FOR TRANSFORMATION*”

HERE’S THE 100% TRUTH: NOBODY is guaranteed to be a “chosen vessel”, just because a Word was received, or a dream or vision about that. NOBODY!!! Each of us MUST pick up our cross . . . DAILY and follow the LORD Yeshua.

We MUST DAILY ask the LORD to search our hearts and show us any area we need to repent from . . . Anybody we need to forgive and to ask for help knowing His will, then doing His will. Read the Bible. Worship the KING of kings, the LORD of lords and KEEP SEEKING HIM!!! Ask HIM to help us stay on the straight and narrow path of truth, because the deluding influence keeps rising.

AND . . . Personally? I do NOT want to become one of the pig slop slingers of “prophecy” that leads people astray. NO!! LORD HELP ME NOT FALL UNDER A DELUDING INFLUENCE OR ANYTHING THAT WOULD HINDER THE TRUTH!!! LORD HELP ME PLEASE!!! In Yeshua’s name. AMEN and AMEN!!! SO, IN CLOSING:

The “three days of darkness” is related to Planet X. It has been a diversion and divider in the professing Christian community that takes people away from seeking a deeper walk with Christ. WE JUST HAVE TO SAY NO!!! And STOP SEEKING THE LATEST “WORD”, cause you will get one . . . The deluding influence will be happy to oblige anybody. . . Instead . . . We must ALL seek the LORD for ourselves.

I AM ALLOWING IT! Byron Searle 04/14/2019

My son, why do My Children NOT believe My Word??? They ONLY want to take the verses that promise health, wealth, and happiness and use them, totally discounting and negating the other side of My nature and character!

My Children do not like to read Job because of what happened to him. I ALLOWED all that to happen to Job. I ALLOWED Satan to do anything but take his life.

I ask you, My Children, how many of YOU could have lost everything you own, lost all your children, have your body covered with boils from the top of your head to the soles of your feet, and not curse Me???

I ALLOWED IT!!! I created Satan to do MY WILL, and I keep him on a short leash!!!

My son, I AM ALLOWING it to all happen, and it has been My will planned from the Foundation of Time!!! I HAVE ALLOWED all the death and destruction of the multitudes of wars, past and present! I AM ALLOWING Satan to bring trials and tests into your life!

WHAT???. You think Satan does these things on his own?? Why do you think every generation has a son of perdition standing in the wings?? ONLY I KNOW THE FINAL PLAYBOOK!!! Satan has no idea when I will start the final chapter of seven years!!!

My son, My Children are so quick to blame Satan for everything, instead of believing I'M ALLOWING IT!!! I always tell My prophets beforehand what I am doing, yet because My Children are so blind, they do not believe My true prophets, instead believing that I would not say that or do that!! I tell you now, I AM ALLOWING IT!!!

You say the three days of darkness is a lie. Why would I ALLOW a lie to divide My Body?? Oh, you say, it's the devil!! Again, I say, He's My devil! WHY WOULD I DIVIDE MY BODY???

Could you be wrong because you do not want to believe I could do that?? I HAVE DONE IT BEFORE!!! What about earthquakes that will split the land and shake the whole earth?? You believe in those words that I sent to My prophets, yet they have not happened!

I AM ALLOWING ALL THESE JUDGMENTS TO FALL ON MAN -- Economic collapse! Mega earthquakes! Mega tsunamis! Famine! Uncontrolled diseases! Incurable diseases! Meteor strikes! Nuclear war! Asteroid strikes! Animal die-off! Massive flooding! Massive hurricanes! Massive tornadoes! Murder! War! WHY?????

ONE REASON ONLY -- To bring sinful man to a place of repentance and bring all men into the knowledge of My Son, Jesus!!! I ALLOWED Him to die for you!!!

I HAVE A PLAN, AND NO AMOUNT OF PRAYER WILL STOP WHAT HAS BEEN PLANNED FROM THE BEGINNING!!!

NO MATTER WHAT KING I PUT IN OFFICE, HE IS THERE TO DO MY WILL IN FINISHING ALL THAT HAS BEEN WRITTEN!!!

I AM ALLOWING ALL you see now taking place in the world, and if you have eyes to see and ears to hear, YOU WILL KNOW IT IS I - NOT THE DEVIL - ALLOWING IT!!!

My son, many people will say, "THIS WORD IS TOO HARD!!! My God is not cruel and mean! He is loving and kind!" Tell them I AM BOTH LOVING AND JUST!!! I loved them so much I ALLOWED My Son to die, but I also AM the One that ALLOWED My angel to kill 185,000 men in one night!!! I also ALLOWED the Babylonians and Romans to destroy the temple in Jerusalem!!! Why???. Because My Children worshipped the temple building more than Me!!!

THUS SAITH THE HOLY ONE OF ISRAEL, I WILL ALLOW THE JUDGMENTS TO FALL!!! I WILL ALLOW THE SON OF PERDITION TO RULE AND CAUSE WAR AND OVERCOME THE SAINTS!!! ALL MUST BE AS IT IS WRITTEN!!! I HAVE SPOKEN, SAYS THE LORD GOD ALMIGHTY!!!

I AM SENDING JESUS TO GATHER THOSE WHOM I HAVE SEALED TO WORK THE HARVEST -- SOON!!!!!!

Shalom,
The Father

Important News

The Coming Economic Hell for American Families

Tens of millions of American families are about to go through economic hell and most of them don't even realize it. Most Americans don't spend a whole lot of time thinking about things like "monetary policy" or "economic cycles". The vast majority of people just want to be able to get up in the morning, go to work and provide for their families. Most Americans realize that things seem "harder" these days, but most of them also have faith that things will eventually get better. Unfortunately, things aren't going to get any better. The number of good jobs continues to decline, the number of Americans losing their homes continues to go up, people are having a much more difficult time paying their bills and our federal government is drowning in debt. Sadly, this is only just the beginning.

Since the financial collapse of 2008, the Federal Reserve and the U.S. government have taken unprecedented steps to stimulate the economy. But even with all of those efforts, we are still living in an economic wasteland.

So what is going to happen when the next wave of the economic crisis hits?

During one recent interview, Peter Schiff made the following statement....

If you look at the economic relapse that's going on right now, look at Friday's abysmal job numbers, look at the housing numbers, understand that all of this is taking place with record monetary and fiscal stimulus. What happens if we remove those supports?

At the end of June, the Federal Reserve's quantitative easing program is slated to end. The U.S. Congress and state legislatures from coast to coast are talking about budget cuts. The amount of borrowing and spending that has been going on is clearly unsustainable, but will the U.S. economy start shrinking again once the current "financial sugar high" has worn off?

Already, all sorts of bad economic news has been coming out and all kinds of economic indicators are turning south. The American people are

becoming increasingly restless. One new poll has found that 59 percent of the American people disapprove of Barack Obama's handling of the economy (which is a new high). According to another recent poll, 63% of Americans say that they feel "not good" or "bad" about how the U.S. economy is performing.

If most Americans had good jobs, could afford their mortgages and could pay their bills, the economy would not be such a big issue.

Unfortunately, times are really tough for American families right now and they are about to get a lot tougher.

The truth is that America is in decline. Just like with all of the great empires of the past, our empire is starting to crumble too. A recent article in the Guardian touched on some of the reasons for America's decline....

The experience of both Rome and Britain suggests that it is hard to stop the rot once it has set in, so here are the a few of the warning signs of trouble ahead: military overstretch, a widening gulf between rich and poor, a hollowed-out economy, citizens using debt to live beyond their means, and once-effective policies no longer working. The high levels of violent crime, epidemic of obesity, addiction to pornography and excessive use of energy may be telling us something: the US is in an advanced state of cultural decadence.

The economic news is only part of the puzzle. This country has rejected the ancient wisdom that was passed down to us and we have rejected the principles of our founding fathers.

We have piled up the biggest mountain of debt in the history of the world and yet somehow we expected that everything would turn out okay. Well, everything is not going to turn out okay.

All of this debt is going to come down on us like a ton of bricks and the U.S. economy is going to continue to fall apart. Millions of American families are going to lose their jobs and their homes. Economic hell is coming.

Every time you use your solar oven, you are conserving other non-renewable fuels. I have acquired a few because you can cook for a large crowd if you have more than one.
