

## 1933 7 Visions of William Branham.

### It came to Pass

Six of his vision have come to pass. The seventh: “ Great explosion rent the entire land, and left the land of America a smoldering, chaotic ruin”(In 1933, there was no nuclear bomb)

**Benito Mussolini, indeed invaded Ethiopia.** Hitler was defeated and indeed had “a mysterious end”

Important points:-

1. California-“Watch her slide into the sea”

2. The world is falling apart, iffteen hundred mile chunk of it, three to four hundred miles wide, will sink maybe forty miles down.

3. One of these days **the waves will shoot plumb out to the state of Kentucky** and when it does, it will shake the world so hard that everything on top of it will shake down.”

4. Nearly one-tenth of the earth is ready to fall in.

Seeing is believing and the inevitable is a warning.

### 1933 7 Visions of William Branham

(Concerning End time Events From 1933 to The End)

**Numbers 12:6** God said: “**If there be a prophet among you, I the Lord will make myself known unto him in a vision, and will speak unto him in a dream.**”

Just as God revealed to Daniel those things that would take place from then until the end of time, so it was in June of 1933, when Brother Branham was conducting services in the old Masonic Hall on Meggs Avenue in Jeffersonville, that Seven Major events were revealed to him which were to come to pass before the return of the Lord Jesus Christ. On this June morning, just before he was to preach, this series of Visions appeared to him.

#### Vision One:

He saw in a vision that the dictator of Italy, **Benito Mussolini, would invade Ethiopia** and according to the voice speaking to him, Ethiopia “would fall at his (Mussolini’s) steps”. However, the voice continued and prophesied a dread end of the dictator, for **he would have a horrible death and his own people would literally spit on him.**

#### Vision Two:

The next vision indicated **America would be drawn into a world war against Germany** which would be headed up by the Austrian, Adolph Hitler. The voice predicted that this terrible war would overthrow Hitler and he would come to a mysterious “end”. In this vision he was shown the Siegfried line whereat a great toll of American lives would be exacted, but Hitler would be defeated.

It might be well to mention here that a subsequent vision relative to this war predicted that **President Roosevelt would declare war against Germany** and in so doing would eventually be elected for a fourth term.

#### Vision Three:

The third part of the vision showed that though there were **three ISMS, Fascism, Nazism, Communism in the world:** that the first two would come to nothing but that Communism would flourish. The voice admonished him to keep his eyes on “Russia” concerning future involvements, for **Fascism and Nazism would end up in Communism.** **PLEASE NOTE:** In 1933, The Voice admonished him to “**Watch RUSSIA**”. It didn’t say, ‘Watch the Soviet Union’, but rather “Russia”. Since 1989, the Soviet Union is no more. (Editor: The William Branham Home Page).

#### **Vision Four:**

The fourth vision that appeared to him was one in which there was predicted to be **tremendous technological advances right after the war.** This was symbolized by an egg shaped car with a plastic bubble roof, going down beautiful highways completely under perfect remote control. There was no steering wheel in the car and the occupants of the car appeared to be playing a game like checkers.

#### **Vision Five:**

The fifth scene that appeared involved **the womanhood of the world.** In this scene there appeared the fast **moral decay of women.** Starting back when she received her so-called liberty to enter into worldly affairs by means of the vote, she soon began to wear clothes that were too revealing. she bobbed her hair and adopted the clothing of men. Finally the vision **showed her all but stripped naked and she merely covered herself with a tiny apron about the size and shape of a fig leaf.** With her womanhood so little valued a **terrible decay of all flesh came upon the earth and with it perversion even as set forth by the Word of God.**

#### **Vision Six:**

Then **there arose in the United States a most beautiful woman** clothed in splendor, and great power was given to her. She was lovely of feature but there was a **hardness about her** that defied description. Beautiful as she was, **she was yet cruel, wicked and cunning.** She dominated the land with her authority, she had complete power over the people. The vision indicated that either **such a woman would literally arise or that this woman of the vision was merely a type of an organization which is scripturally characterized by a female.** Though the voice did not speak out and reveal who she was, he felt in his heart that this woman represented the rising Roman Catholic Church, and he inserted in parenthesis beside at the end of this vision which he had written out, (perhaps the Catholic church).

#### **Vision Seven:**

The voice bade him look once more. As he turned and beheld, **a great explosion rent the entire land, and left the land of America a smoldering, chaotic ruin. As far as the eye could see there was naught but craters, smoking piles of debris, and no humanity in sight.** The vision then faded away.

Ezekiel 12:28:

Thus saith the Lord GOD; There shall none of my words be prolonged any more, but the word which I have spoken shall be done, saith the Lord GOD.

Habakkuk 2:2-3:

2:2 And the LORD answered me, and said, Write the vision, and make [it] plain upon tables, that he may run that readeth it.

2:3 For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.

### **WILLIAM BRANHAM. LOS ANGELES WILL SINK**

[https://www.youtube.com/watch?v=3qG87k5\\_QOg](https://www.youtube.com/watch?v=3qG87k5_QOg)

**On December 27, 1964**, in his message Who Do You Say This Is? he said, “Look at the earthquakes over here in California. I predict that, **before the coming of the Lord Jesus, that God will sink that place. I believe that Hollywood and Los Angeles, and them filthy places over there, that God Almighty will sink her. It’ll go beneath the bottom of the sea.” Though many of us followed his message and believed him to be the prophet of God to this generation, yet, even at that hour, we did not perceive the prediction of judgment upon the west coast of America**

**On April 29, 1965**, the next link in the chain of prophecy was forged while Brother Branham was preaching in Los Angeles itself

The next prophetic link was forged as he said to the people of Los Angeles, “**You don’t know what time that this city one day is going to be lying out there at the bottom of this ocean.** ‘Oh Capernaum,’ said Jesus, ‘thou who art exalted into heaven will be brought down into hell, for if the mighty works had been done in Sodom and Gomorrah, it would have been standing until this day,’ and Sodom and Gomorrah lay at the bottom of the Dead Sea, and Capernaum is in the bottom of the sea. **Thou city who claims to be the City of the Angels, who has exalted yourself into heaven and sent all the dirty, filthy things of fashions and things, till even the foreign countries come here to pick up our filth and send it away, with your find churches and steeples, and so forth, the way you do, remember, one day you’ll be lying in the bottom of this sea.** Your great honeycomb under you right now, the wrath of God is belching right beneath you. How much longer He will hold this sandbar hanging over that, when that ocean out yonder a mile deep will slide in there plumb back to the Salton Sea. **It will be worse than the last day of Pompeii! Repent Los Angeles! Repent the rest of you and turn to God; the hour of His wrath is upon the earth. Flee while there is time to flee and come into Christ. Let us pray.”**

**On June 22, 1965**, Brother Branham speaking on a coast-to-coast, border-to-border telephone hookup, in his sermon Thinking Man’s Filter clearly pronounced judgment upon America: “The Holy Spirit in

my heart tonight cries, ‘Blind Laodicea, how oft God would have give you a revival, but now **your time has come, too late now**. How did you laugh and make fun of the people God sent to you. But now your time has come. **Oh United States! United States! How God would have hovered over you as a hen does her brood, but you would not.**’ Now this voice is going from coast to coast, from north to south and east to west. How God would have hovered you, but you would not. . .**now your time has come**. Nations are breaking. The world is falling apart, **fifteen hundred mile chunk of it, three to four hundred miles wide, will sink maybe forty miles down** into that great fault out yonder. One of these days the **waves will shoot plumb out to the state of Kentucky** and when it does, it will shake the world so hard that everything on top of it will shake down.”

**On July 18, 1965**, in his message entitled Doing God A Service Without His Will, Brother Branham said, **“I don’t even pray for America. She’s going further away and is going to sink! Nearly one-tenth of the earth is ready to fall in.”**

**On December 6, 1965**, at San Bernardino, speaking his sermon entitled Modern Events Made Clear By Prophecy, he said that he did not think that he would have ever been back to **California** again and he made this statement, **“Watch her slide into the sea.”** — His last visit to California.

He was approached by the various brothers who lived in California, asking him what they should do. He said to one group, while on a hunting trip, “People will make fun of the destruction of the earthquake that we have said would happen, ‘Thus saith the Lord,’ on the west coast of America, but I want you brothers to know this, that if you have any friends or relation in Los Angeles, if I were you, I’d **get them out as quickly as possible.**” Then he told the story of how the Angel of the Lord had told him that his wife, Meda, would give birth to a little boy and that he would name him Joseph. He said, **“The same Angel of the Lord that told me that Los Angeles would sink and slide into the Pacific Ocean as the result of an earthquake.”**

**God has indeed spoken.**

**“Get out of the west coast as quickly as possible!!!”**
