

Strangled, and couldn't say His Name
Dream 2010, Truthistheway

Isaiah 25:8,9 He will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth; for the Lord hath spoken it. And it shall be said in that day, Lo, this is our God; we have waited for him, and he will save us; this is the Lord; we have waited for him, we will be glad and rejoice in his salvation.

In the dream I was awakened, and at the foot of my bed by the door sat an old black and white TV. It was playing an old show, something like a cartoon. Immediately, a floating evil ribbon, connected in a circle came out of the TV. It started floating along the end of my bed coming to my side. I still remember the fear like it just happened, I knew it was evil and coming for me. In fright, I jumped out of bed and tried to crawl over my nightstand to get out the window before it got to me. While trying to climb over the nightstand, it got me from the back of my neck and was strangling me, and I kept trying to scream Jesus, Jesus, Jesus and I couldn't get anything out. I woke up, the dream felt so real, I was so panicked and was covered in sweat.

I felt the next day so hurt and so beaten down, the very thought of not being able to speak His name, and I just couldn't understand what I was being shown. I also had a sense that we wouldn't be able to have our Bibles, and I remember thinking I needed to bury some in places. I just couldn't imagine how it would come to be. Now, here we are 10 years later, and we know our TV's and appliances are spying on us.

As always, take this to prayer and ask The Holy Spirit for truth and guidance. May God bless and keep us all, I believe these are the days, persecution is coming. Patience of the saints...
