

America the Once Great

Cryptic1

Message given 7.19.20.

Daughter the end is near. Use your time wisely. My Holy Spirit has already told you of this.

There is a fear that will grip your nation America - the once great. The people of America have put too much stock in their leaders, in their government, in their idols. I speak of sports and entertainment celebrities who rule as kings and queens. They will find their wall of idols will come tumbling down as will their economy and their position in the world. They will become the laughing stock of the world and the world will no longer admire them - for their pride will be broken and their country will be in shambles. I say this not because I take pleasure in the downfall of this once great nation - because I too have shed many tears over her coming demise.

America you will no longer be the home of the free and the brave - but you will be the home of the captives - and you will endure much persecution more than any other nation. My heart is turned against you America - as you have turned against me your Lord God. I who brought you out of the ashes - I who raised you up to be My crown jewel amongst all other nations. I now turn my back on you and you will experience the devastation and the destruction of your country as never before. All the wars that have been waged against you will pale in comparison to the overtaking of your country by foreign nations from the north and the east.

Oh America that you had been healed! Many of My children have stood in prayer against the coming tyranny and oppression but it was too little too late. The judgments are rendered and the storm clouds are gathering to signal the fall - the takedown of this once great nation. My heart is grieved for what is coming. Arise oh saints of God! Prepare to bring in the harvest of lost souls who will be seeking hard answers to all the destruction and devastation they will witness. Oh America you are judged and you have been found wanting!

I come soon upon the clouds of glory for My bride - pure and stainless and holy as I Am holy. Prepare to meet Me in the clouds of Glory. Use your time wisely. Each day, each minute will be lost - never to return.

I come children I come soon!

Your savior Lord and King Yeshua

Marching into battle with the mighty saints of God!

Jeremiah 50: 1-3 ¹ *The word that the LORD spoke against Babylon and against the land of the Chaldeans by Jeremiah the prophet.*

² *“Declare among the nations, Proclaim, and set up a standard; Proclaim—do not conceal it— Say, ‘Babylon is taken, Bel is shamed. Merodach is broken in pieces; Her idols are humiliated, her images are broken in pieces.’* ³ *For out of the north a nation comes up against her, which shall make her land desolate, and no one shall dwell therein. They shall move, they shall depart, both man and beast.*
