

The Abraham Lincoln and President Trump

Cryptic1

On 7.18.20 I saw the name '**Lincoln**' three times - which for me was significant and was also pointing to the U.S.S Abraham Lincoln battleship. It had been awhile since the Holy Spirit showed me this name and in light of all that's going on in the world I wondered how close we were to the fall of this mighty warship.

Later that evening I received a message on President Trump.

President Trump needs your prayers – the prayers of this nation. Your future is tied in with your President's re-election. Just as there are forces working against his re-election – so too must My church be praying for your leader to remain in office.

My judgments will fall upon this nation America – but the fall of America will be ushered in once your President meets his demise.

There is a time and a season for everything and soon all that has been said regarding the fall of your President – the taking down of your President in the Trump Tower - will come to pass. My WORD will not return to Me void and the judgments have been set forth.

O America – that you would have been healed – but you were not!

I have spoken.

Yeshua Your Lord

Immediately after this message I heard the word '**dire**' in my spirit.

'dire' – 1. Causing or involving great fear or suffering; terrible. 2. Indicating trouble, disaster, or the like.

I recalled that Jeff Byerly (Holy Spirit Wind) had done several videos on the USS Abraham Lincoln. This is an excerpt from the video 'Summary of the Fiery Kickoff Event' posted 9.21.19 which shows a series of events leading to the fall and destruction of America.

"The Abraham Lincoln gets struck by fire and sinks first...The sinking of the Abraham Lincoln will be a false flag which means that most likely those in the American military or the American allies' military will be the perpetrators of it, just like Pearl Harbor and pretty much every other war has begun that way.

...The fiery kickoff event happens in America, specifically in New York City and even more specifically Manhattan and Trump Tower will be involved. It is fiery, nuclear - but not the conventional nuclear weapons that you think of...Think 9-11 - and all the buildings surrounding the towers went down as well as the Towers...

It's a terrorist attack and it's also a false flag attack. It is not God's wrath but it is allowed by God. God's wrath follows this. It is spoken of by God's prophets and also by the fallen ones...Donald Trump will be taken away after the fiery kickoff event or during I'm not 100 percent sure on that. Barack Obama returns as the leader of America but not the elected President of America..."

The events in our world are escalating just as Jesus said it would and based on Byron Searle's recent prophecies ('SEVEN WEEKS' posted 7.14.20 and 'SOUND THE ALARM!!!' posted 7.20.20) - we are running out of time. I pray that people start waking up, really waking up to the truth of what's coming upon this earth and turn and repent before it's too late.

Jeremiah 51:9-10 9 We would have healed Babylon, but she is not healed. Forsake her, and let us go everyone to his own country; for her judgment reaches to heaven and is lifted up to the skies. ¹⁰ The LORD has revealed our righteousness. Come and let us declare in Zion the work of the LORD our God.
