

The Trend of the Coming Civil Unrest.

Revelation 12:9-11 (KJV)

9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

10 And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.

11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Most of the times, what is revealed to us doesn't make many comfortable. Whether it is good or not, our job is to tell, give the message as we saw it. It is a warning. A warning to be ready and stay prepared, to pray on it and ask for the mercy of the Lord, to ease and change the course for good of what is coming.

In this vision, for lack of perfect choice of words to explaining the event, or from the nature of the event, most part of it is omitted. The truth is, this land is heading for a civil war, the work of the enemy, division, strife chaos and conflict to open the door for a bigger war for the end. There is nothing good in any civil war, here or anywhere else. When it comes to the nature of the near coming civil war, many will question why and are left with bewilderment, wonder and dismay. The point is, this is the truth, the reality, many have given their testimonies and what I have seen is not different, the same. Now, not any later, the prayer of all is very much needed.

I have a difficulty fully understanding the first part, the second part is clear but too saddening that this land has come to this. As you see in real life, the gradual progress of current events is not towards a good end. I have been holding this revelation for 22 days. Today I have to release the short to the point version of it.

Civil Unrest and Riots.

(Revelations of June 18, 2020 7:00AM)

This vision is very long and detailed.

In the first part, I saw people demonstrating in the streets. To the most part, regardless of the noise and the large number of the crowd, it was peaceful. No violence, no harm and no damage to property or anything. I saw some activity which involves some individuals and some getting incarcerated and imprisoned. Because of the length and some sensitive things, I chose to leave the details.

The second part is alarming, disturbing, saddening and concerning. I see a riot, violence, chaos and conflict. What I saw makes every segment of society very upset and mad. There is no polishing it, concealing the truth and hiding the facts. What I saw is a conflict and civil war which involves the races.

Like any human being, I have difficulty going into the details. Any conflict among any segment of society is not good. Civil unrest and conflict between the races is extremely dangerous.

WARNING.

Conflicts can take many forms, economic, political, religion, spatial interests, territorial etc. Conflicts based on race is the worst any society can have. The Lord has a reason to reveal this to us, not to aggravate the already flammable social dynamics but to pray on it, to ask for mercy and warn every segment of society to avoid and reduce the impact of the inevitable.

Many have given the same testimony. Take this to the Lord and pray.

Don't forget, even for a moment, that we have a deadly enemy trying to destroy humanity. Division and conflict among society, people and nations is one of his weapons among many.

Repent! Repent! Repent!
