

There is Power in the Speaking of Tongues

Cryptic1

Today 7.27.20 I was watching a YouTube video on the Baptism of the Holy Spirit and speaking in tongues. My spirit was grieved and I wept as I watched the video. I believe the Holy Spirit was showing me that the body of Christ needs to utilize and walk in the power of the Baptism of the Holy Spirit and in the power of speaking in tongues.

This message was given 7.3.20.

My will be done on earth as it is in heaven. Judge not lest you be judged. (I believe this was for me).

Daughter My heart grows heavy when I look upon My church. They love Me with a pure love yet they stumble in the dark when it comes to warring and rebuking the enemy and standing up for My sake. Now is the time! Now is the hour of your redemption children! Rise up rise up oh mighty saints of the Most High God! Rise up for your hour has come! Fear not! Be bold as a lion and courageous! Be not afraid of what man can do to the body - rather fear Him who can cast body and soul into the fiery lake.

I will speak on the gift of tongues. It is for My children but few utilize it. THERE IS POWER IN THE SPEAKING OF TONGUES. The enemy cannot understand what is uttered as it is My heavenly language - My secret code if you will. It was meant to block and thwart the enemy from My plans. When you cry out to Me - your prayers, your words ascend to the highest heights and are not intercepted as they would had you spoken in your own language. The evil one knows many languages and dialects for he has been around from the beginning - but he is unaware and in the dark so to speak concerning the heavenly gift of tongues. They are beyond his comprehension. But I understand perfectly what the Ruach HaKodesh is praying through you.

Do not be afraid of this gift children. You will find it a comfort in the dark days. You will cry out to me and your language will become My heavenly language - meaning you will speak in unknown tongues and I will hear you. Speaking in tongues comes from a deep place in your heart. It is your heart speaking to My heart. Do not be afraid children. I have given you many tools to use against the enemy for such a time as this. As evil rises in the world - so too must your gifts rise alongside it. I gave you My Word - the Sword of the Spirit, My Holy Name by whose power the enemy must flee. I gave you My precious blood to plead over all that is precious to you and I gave you the gift of tongues to beseech Me with. These are the tools of your spiritual warfare. Use them wisely. Use them diligently. Use them - for the hour is here.

Your Lord and Savior

Yeshua HaMashiach

The Ruach HaKodesh

I AM THAT I AM

Amen and Amen!

Below is an excerpt from the You Tube Video I mentioned earlier - 'THIS is Why All Believers Should Speak in Tongues' with Sid Roth and Pastor Todd Smith 7.26.20. I believe it will edify and empower the body of Christ.

Todd Smith: Everybody I know wants to have their prayers answered and everytime we pray in the Holy Spirit we pray the perfect will of God. When I pray in English I only pray what I know. I'm limited. But when I pray in the Holy Spirit the possibilities are endless - because the Spirit of God prays perfectly through me.

Sid Roth: How do you pray for your family using the gift of tongues?

Todd Smith: I don't know everything that's going on in my wife's life. I don't know what she's going to face at work. I don't know what's going to happen to her when she's driving down the road nor my children who may be bullied - or there may be someone texting and driving coming down the road. But the Spirit of God knows all things. So the Spirit will move upon us to pray for our people - but if I don't know how to pray then bad things can happen to my family. So here's what I do. This is the suggestion that I ask that everybody does.

One - take a picture of your family. Put it on your phone and have it in front of you. The first thing in the morning - for instance my wife, I will have her portrait in front of me and I will pray for three minutes in tongues for her nonstop. One hundred and eighty seconds praying in the Holy Ghost for her. The Spirit of God knows exactly what she's going to face that day - the evil, the calamity, the good things, the possibilities, the witness opportunities, the Kingdom advances - and I will pray the perfect will of God for her. Then I will turn and I will pray for my son the same way for three minutes. Then I will pray for my next son three minutes in tongues, all right? Now imagine this Sid if that happened in every person and then we also prayed for our pastors in tongues three minutes a day?

Yes imagine how effectual our prayers would be then. Now I hardly pray in tongues - but after watching this video - I was inspired. Pastor Todd Smith's suggestion to pray in tongues just for three minutes for each family member is certainly doable. Things are coming fast and furious upon this earth - we certainly need all the help we can get. I believe the Holy Spirit is revealing these tools of warfare to equip and empower the saints for the hard times ahead.

Before closing this post - the Holy Spirit gave me a thought. I'm pretty sure the regular subscribers and messengers of this site read each new post that comes up - I know I do. After reading each post - will you consider praying in tongues or just praying for three minutes over each one? Even better - because speaking in tongues doesn't involve the use of the brain (it is the Holy Spirit taking over your prayer language) - you can actually pray in tongues and read the messages at the same time. I know we all lead busy lives but Jesus told us that it would cost us to follow Him. Based on everything that's going on in the world maybe it's time to pick up that cross today.
