

Prophetic Word to Nation America

July 16 2020

Next month Banks will begin to shutter and by October a new currency introduction will be planned.

In November there shall be wailing in the streets of your City. December will be a month of devastation.

 I have departed from this people says the LORD. The Righteous will mourn.

The Lord sits enthroned above the Heavens,
clothed, arrayed in POWER yielding a SWORD of
JUSTICE and JUDGEMENT

**Cry out and wail O people for your Judgment has
come and you shall not enter my rest.**

Here the Word of the Lord. Hear how clear and distinct the message of the Word of the Father.

Cry aloud spare not:

👉 **WAR, WAR, WAR and CALAMITIES**

Behold I make this Nation and this City small and desolate.

 THEY SAY; THE GLORY DAYS WILL RETURN

I SAY THE GLORY HAS DEPARTED

**Wail and Lament O people for the Day of your
Judgment has come.**

**Disaster upon Disaster followed by Plagues,
Famine and Pestilence**

Look America, Where are your leaders Now?

**Where are the Promises of Security and
Stability?**

**Behold I have removed them by my own hand
says the Lord**

The days have been shortened to bring my
Judgements and who can escape? To where will
you run O People?

See now, I have called out night and day saying:
“return to me O people, RETURN” but they have
not harkened to my voice nor the voice of my
messengers.

Now I will provide a time for Judgement says the
LORD.
