

13th . . . IT'S TOO LATE! – Part 6

"Tread Upon the Serpent Seed – THE LONGEST DAY" (8-10-20)

By Averine Pennington, Reserved Publication Date 8-12-20

This post is the **SIXTH installment** which has been placed in my spirit to write. The message began to come forth on July 23, 2020 with the interpretation of the DREAM given below. This compilation must be posted on the 12th as the **13th will be too late!** If you have not read Parts 1-5 of this message, please do so before proceeding further.

Summary of Dream received 1-24-20, alerted by Holy Spirit on 7-22-20 that time of release at hand:

Instructions given to publish a Word from God. It must go out on the 12th. God was ‘angry’ with me because I did not publish until the 13th. Date of 12th highly significant to God. My disobedience would bring recompense. The **13th was TOO LATE!** End of Dream. No Word was actually given!

"Tread Upon the Serpent Seed – THE LONGEST DAY"

Today is Monday, August 10, 2020. I was having a very intense dream this morning about 7:00am when I was rudely awakened by two dogs fighting in the middle of my bed. I knew this dream was very important and probably had something to do with my assignment for the 12th, but because of the ruckus, it flew right out of my head. I could not retrieve it! I tried to go back to sleep once my hubby took the dogs away. It was no use. The dream was lost forever. I was so upset! I do not want to disappoint my Lord. I worried about it all morning . . . until I met with Jesus in our secret place around 10:00am. Here’s the scoop!

I cannot tell you how much the enemy has been coming against me every step of the way in preparing these messages. Sometimes I feel at my wits end. That’s one way I know I’m doing the Lord’s will, because the devil is fighting me tooth and nail. I have had all kinds of distractions and family emergencies and computer problems. Why should I be surprised that the evil one would use my fur-babies for his purposes to steal what the Lord was giving me?

So, as I am praying and begging the Lord to reveal to me what was lost, He assures me of what He wants to be forthcoming for YOU. The message: Do NOT underestimate your enemy! This is not the time to let your guard down. The enemy was allowed to steal the dream so that I would learn a valuable lesson!

THE LESSON – It’s time to **Tread Upon the Serpent Seed!** In fact, this directive was made abundantly clear to me. I have been in intercessory prayer for a long list of lost people for over a year, as well as praying for other physical and spiritual needs of many. My list is so long that I have divided a portion of it into those that I pray for on certain days. Today I was instructed to pray for everyone and everything on my list before stopping. The reason . . . this was my last day of doing intercessory prayer for others! I will be devoting my entire prayer time to **SPIRITUAL WARFARE!** Ladies and gentlemen, that is where we are right now! That is what **HIS SPECIAL FORCES** are being called to do:

Psalm 91:13-15 . . . “Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.”

Malachi 4:2-3 . . . “But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall. And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I shall do this, saith the Lord of hosts.”

Luke 10:17-20 . . . “And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name. And he said unto them, **I beheld Satan as lightning fall from heaven. Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.**”

I confess, spiritual warfare is not my strong suit. In fact, in my own estimation I am woefully inadequate. But I am who God says I am! He would not send me onto the battlefield unprepared. If He says I'm ready, then I am ready! Each of YOU also have your own strengths and weaknesses. God knows just what those are. We do not fight this battle alone. We will all accomplish our given tasks and **together, as one BODY**, we will be victorious. There is power in the Name of Jesus! There is power in the Blood of Jesus! He has given us the authority to use His Name and His Blood in our fight against the forces of darkness. If you recall in Part 2, I spoke of Pastor Dana Coverstone's dream (confirmation #2) and about demonic sleeper cells being activated. In a military sense, we are the counteroffensive! WE are God's SLEEPER CELL! Are you prepared for ACTIVATION? Do not doubt the abilities that God has given you! If you are a 'son' chosen to have SILVER WINGS PUT ON YOUR CHEST . . . YOU ARE READY!

The second portion of this message is going to be very difficult as I do not have a clear understanding on how much I am meant to share with YOU! Some things are a matter of strategy against the enemy and must be reserved for the proper moment. Many battles have been won by the element of surprise! If you can read this message, so can the enemy! So, on this point, I will only share what I feel I can, unless the Lord should inform me otherwise before publication on the 12th.

On the morning of August 4th, I awoke with a **specific date** being given to me. I wrote the information down but when I inquired of the Lord, nothing was forthcoming. Because of the timing when I received this date, I know it has something to do with Our Mission and this message. Today while praying, I again inquired of the Lord about this. Today is the 10th. Only 2 more days before I am instructed to release this compilation of messages for publication. If the date is significant now, what am I to do? The date is not in the distant future, but is fast approaching. I so want to get this right. I have shed many tears seeking the Lord's will for every word I write. I will not swear to it, but I am almost positive that when I asked today, I heard in my spirit, '**the longest day.**' I don't think I would have come up with that phrase on my own.

The thought crossed my mind that it may be in reference to D-Day, June 6, 1944, when Allied forces assaulted the beaches of Normandy against the Germans in WW2. D-Day has been called 'the longest day.' The term is said to be a quote from German Gen. Rommel when speaking to his aide, "the 1st 24 hours of the invasion will be decisive . . . the fate of Germany depends on the outcome for the Allies . . . it will be THE LONGEST DAY." Since beginning this compilation, God has used the Crimean War and the

Vietnam War for His purposes. Perhaps He is now pointing out something from WW2. There is no doubt our Commander is in ‘military mode.’

However, another instance of a long day is recorded in the book of Joshua. At the command of Joshua, God allowed the sun to stand still and the moon to stay in its place so the people of Israel could avenge themselves against their enemies. “So the sun stood still in the midst of heaven, and hasted not to go down about a whole day. And there was no day like that before it or after it, that the Lord hearkened unto the voice of a man: for the Lord fought for Israel (Joshua 10:13b-14).” Could God choose to do that again? God is God! He can do anything He wants to do!

There is a prophecy in the book of Habakkuk that tends to make one think that it will happen again. I have not researched deeply into these scriptures, but to the best of my knowledge I do not believe they have as yet come to pass. “The mountains saw thee, and they trembled: the overflowing of the water passed by: the deep uttered his voice, and lifted up his hands on high. The **sun and moon stood still in their habitation**: at the **light of thine arrows** they went, and at the shining of thy glittering spear. Thou didst march through the land in indignation, thou didst thresh the heathen in anger. **Thou wentest forth for the salvation of thy people, even for salvation with thine anointed**: thou woundedst the head out of the house of the wicked, by discovering the foundation unto the neck. Selah (Habakkuk 3:10-13).” We even find that Habakkuk was told that the vision in the preceding chapter was for the time of the end. “For the vision is yet for an appointed time, but **at the end it shall speak**, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry (Habakkuk 2:3).” If the prophecy in Chapter 2 is for the same time frame as Chapter 3, then the **appointed time is at the end**. We are at THE END. Please keep in mind this is just conjecture on my part . . . a possibility of what ‘the longest day’ may be referring to. I have no way of confirming the feasibility of this, short of receiving a direct Word from the Lord. It seems He prefers to speak to me with little nuggets. I must do my own digging and hope I find what He has hidden for me to find. I am not always successful at uncovering His mysteries.

There is a recent prophecy given by Jeff Byerly (Holy Spirit Wind) that **speaks to the idea of ‘the longest day’**. I hope Jeff will have no objection to me referencing a short excerpt from his post entitled “I Have Set the Time of the End of this Age by My Destroyer of Nations (Planet X/Nibiru), 8-01-20. *“Then the skies will turn red as a warning and then to black for 3 days as My destroyer passes by the Earth but My people shall have light in their homes, even though the electric grid will be down all over the Earth. This is when My faithful remnant bride will arise and shine with My glory in the gross, thick darkness. This is also when the fallen angels and demons from the second heaven shall fall from their place and be cast down to earth like ripe figs when shaken by a mighty wind. The sky shall part and all shall see My glory and My wrath on that great and terrible day. During this day, which is much longer than what men call a day, the continents will break apart, the mountains will crumble, and the islands shall disappear into the sea.”* Again, I have no way of knowing the mind of God unless He chooses to enlighten my understanding. **Could this be ‘the longest day?’** Please take this to the Lord in prayer. Perhaps this ‘classified’ information will be revealed to individuals on an ‘as needed’ basis by His Holy Spirit.

I pray with all my heart that all I have written up to this point is pleasing to my Lord. I promise you every word written since I began this epistle on July 23, 2020 has been prayed over with fear and trembling. I know how important it is for me to get this message right! I do not fear what man can do to me, but I fear my holy and righteous God. If you disagree with any part of this message, please take it to the Lord. I am only the messenger. I have done my very best with what the Lord has given me to share with you.

Yours for the Harvest,

Averine
