

## 13<sup>th</sup> . . . IT'S TOO LATE! – Part

### “Tempest Tossed” (8-12-20)

By Averine Pennington, Reserved Publication Date 8-12-20

This post is the **LAST installment (Part 7)** which has been placed in my spirit to write. The message began to come forth on July 23, 2020 with the interpretation of the DREAM given below. This compilation must be posted on the 12<sup>th</sup> as the **13<sup>th</sup> will be too late!** If you have not read Parts 1-6 of this message, please do so before proceeding further.

#### **Summary of Dream received 1-24-20, alerted by Holy Spirit on 7-22-20 that time of release at hand:**

Instructions given to publish a Word from God. It must go out on the 12<sup>th</sup>. God was ‘angry’ with me because I did not publish until the 13<sup>th</sup>. Date of 12<sup>th</sup> highly significant to God. My disobedience would bring recompense. The **13<sup>th</sup> was TOO LATE!** End of Dream. No Word was actually given!

### **“Tempest Tossed”**

My brothers and sisters in Christ, I believed the Lord would give me a Word today as the CONCLUSION for His message, but again He has given me yet another puzzle to solve. I so pray that I have uncovered what He wanted me to find. I truly only want to share His heart with you and not my own imaginations. I believe I have discovered His hidden treasure for you. I pray I have heard His voice in this matter.

This morning just prior to waking around 6:00am, I was hearing an unfamiliar tune in my head and then I was given the name – Robert Louis Stevenson. I didn’t even stop for a cup of coffee and went straight to my computer to start my research. The information on this man was extensive. I felt as though I was looking for a needle in a haystack. This is what I found:

Robert Louis Stevenson (1850-1894) – Scottish essayist, poet and author of fiction and travel books. He is best known as the author of the children’s classic ‘Treasure Island.’ I read the cliff notes for that book and felt nothing stirred in my spirit. What next? Since I was hearing a tune, I noticed that he was lesser known for his interest in music. I was off to the races. Of course, there was much information in this area also. Since I did not know the tune, how was I to choose from all the songs and music he had written? Then I happened upon an entry from Stevenson’s mother’s diary (1887) . . . **On the 12<sup>th</sup>** Louis was rather depressed, but he is comforted by an air of Beethoven’s the theme of “Six Variations Faciles.” He arranges the words: “Come unto me all ye that labor” to go with it and is most anxious to have it sung in church. He says that “the music conveys to him **all that any one can desire in the way of comfort.**”

Stevenson was known to set his own lyrics to pre-existing melodies. His mother’s diary entry referred to the song lyrics he had written entitled “Tempest Tossed” which he set to Beethoven’s music. The lyrics were taken from **Matthew 11:28-29**. “Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly of heart: and ye shall find rest unto your souls.” Here are Stevenson’s lyrics:

*Tempest Tossed and sore afflicted, sin defiled and care oppressed,  
Come to me all ye that labor, Come and I will give you rest,  
Fear no more, O doubting heart, Weep no more, O weeping eye!  
Lo! The voice of your Redeemer, Lo the songful morning near,  
Here one hour you toil and combat, sin and suffer, bleed and die,  
In my Father's quiet mansion, soon to lay your burden by.  
Bear a moment, heavy laden, weary hand and weeping eye,  
Lo, the feet of your Deliverer, Lo, the hour of freedom here.*

The author of the information I was reading, thought this song embodied Robert Louis Stevenson's attitude toward death . . . the ending of life is thought of as the approach of 'the songful morning.' Even this statement was another puzzle piece that connects somewhat to the message I posted on *444prophecynews* on June 18, 2020 entitled "THEN COMES THE MORNING." I am always amazed by how my Lord goes before me.

I was expecting this morning to hear a military command, like "CHARGE!" Instead, our Lord is assuring all of us of the **REST** He has prepared for us . . . no more doubt, no more fear, no more tears. When the battle is over, we will lay our burdens down. Behold, the feet of our Deliverer! Behold, our hour of freedom is here!

I keep having to move and revise my farewell speech! I have tagged it to every Part of this message that has been given so far. I move it once more to this final **Part 7**.

This post will in all likelihood be my last. I pray that I have not miscalculated for which month/year this dream is intended. Should that be the case, I do with contrite heart apologize, ask forgiveness from my Lord and from all who read these messages. If my dream does not apply to August 12, 2020, I believe it could be **any subsequent 12<sup>th</sup> of any upcoming fall month**. It will be very soon, and I could not take the chance of failing to put this forward for your consideration . . . I have been warned that the **13<sup>th</sup> will be TOO LATE!** I take God at his Word: "It is a fearful thing to fall into the hands of the living God (Heb. 10:31)." I will add an OPINION ONLY as to the reason the 13<sup>th</sup> may be too late . . . after what the Holy Spirit has revealed **to me personally**, it is quite possible I will be otherwise occupied. I may be called up to active duty in the Lord's Army. I can't wait to wear my Silver Wings!

**Please note that I am NOT date setting for the rapture!** I am obediently, in reverential fear of my God, submitting what the Lord has given me with clear instructions that it must be published **on the 12<sup>th</sup>** as the **13<sup>th</sup> is too late**. Only the Lord, and them to which He chooses to reveal it, knows what that means! Please seek the Lord regarding this dream. It is imperative **YOU** hear His voice! I am trusting God that He will give me His confirmation as to the PERFECT TIME to release His message. I am stepping out in faith to have the message prepared and ready for publication when He gives the 'Go Ahead.'

One LAST TIME on *444prophecynews*, I appeal to anyone who may be reading this message that may not know Jesus Christ as your Lord and Savior. REPENT! Call upon His Name! He will save YOU! Just as I was directed to publish this by a certain date or it would be too late, likewise the clock is ticking toward that last moment when it will be TOO LATE for you (Rev. 22:11). Do not delay. That moment is fast approaching!

God bless you all. Thank you, Jonathan, for allowing me to have a platform to post the dreams and messages the Lord has given me. Thank you to all my readers for the privilege of writing for you these last few months. It has been my great honor. I hope to see you all very soon in Glory!

Yours for the Harvest,

Averine

P.S. I do believe **TODAY** is GOD'S PERFECT TIMING!
