

## Behind Closed Doors

Cryptic1

This message was given 8.4.20 and 8.13.20.

The End is here. The time that has been predestined since the beginning of the world has begun. Children you must look to Me now more than ever. The days move swiftly now. Time is against you. Preparations must be done NOW for soon you will not be able to move as freely as you desire. The time is coming when your movements will be limited as the enemy seeks to thwart your every move. His wish is to coerce you into submission by the wearing of the masks – then the taking of the vaccine or antidote to lull you into a false sense of hope. There is no hope outside of Me your Savior. I alone can save you if you but turn and give your life to Me. The days are numbered indeed. What is coming will try the heart of man. Whatever you have faced in your life will be nothing compared to what is to come. Trials, the great tribulation, storms both physical and spiritual, diversions along your path. Fear will be the byword of the day. Fear will run rampant as each day brings new and unsettling troubles.

The skies will open up to unleash a torrent of celestial projectiles all aimed at your earth. People will stay in their homes for fear of these coming objects hurtling towards your planet. They will take cover behind closed doors and stay close to their abodes for fear of what is coming.

Food will be scarce and the prices will start to escalate as I have foretold. Famine is coming upon the land. The signs are here. Prepare while it is still daylight. I speak to those who fear they are hoarding and taking away from others. I have said to prepare time and again. I have sent warning upon warning through My watchmen, My prophets and messengers. Can you not see the danger signs ahead? You have grown complacent My children. This will be your undoing. Turn to Me now while you can. Repent for the Day of the Lord is surely at hand!

Your Lord and Savior,

Yeshua

As confirmation I saw the word ‘pomegranate’ today in a post by Roxanne titled “Trust Me” (8.14.20) on the 444ProphecyNews site. Based on the Holy Spirit, whenever I see the word ‘pomegranate’ it is an indication that we are moving closer to famine.

*“Your lips are like a strand of scarlet, and your mouth is lovely. Your temples behind your veil are like a piece of pomegranate”. (Song of Solomon 4:3)*
