

## MIRROR OF ETERNITY AND 3 DAYS OF DARKNESS

MINNY-SOUTH AFRICA

RECIEVED 08 AUGUST 01:52am

Yesterday I was having such a peaceful day deep deep peace this is the  
Second time i felt such a peace brethren I'm sure its a fortaste of what  
We will feel when the evil is bound during the mirror of eternity.anyway God has  
A special peace reserved for us during these times .lately  
I value peace which is rare for me in this ongoing warefare I don't know  
If you ever felt like you are attacked all day everyday-  
But of course we always win!!! then I asked God to talk  
To me which he did concerning this peace I felt.today I had a dream :

This morning I saw The sky turn red I was with my mum and sister  
In the lounge I rushed outside to see outside then I see white white  
Clouds very white they were so low some were touching the ground  
Further from where we were.then I see now extremely dark clouds  
So abnormal they are moving looks like there are creatures inside  
They inflict terror! So i tell my Mother and sister give me blankets  
and pegs to cover the windows and I tell them "don't look" now we  
Are rushing to cover the windows Then I say its okay slow down we  
Have seven days to prepare and tell our loved ones.then I see the dark  
Clouds rolling like waves and they launch deep beneath the surfaces Of the earth and I hear splashes  
and see water flying to the air just behind our neighbour  
Then I say to mum "God has fulfilled his prophecy concerning this area"

Interpretation: God has shown me the mirror of eternity and 3 days of  
Darkness at once!

The fulfilled prophecy God told me 22 may 2020 in a dream "I am tired  
Of people who have heard of my word but don't repent I will do  
Something about it" in that dream

I saw large cracks on the surface of the earth and extremely large  
Rocks revealed beneath also saw flooding.when God spoke i saw  
His body across the sky it was specifically in st chads Ladysmith. The  
events will follow each other time is short that's why I saw them at once  
.that the destruction came twice means that God has decided and will do it soon.  
The darkclouds represents the darkness that will soon  
Invade the earth-fallen ones.During  
The above dream I was anxious to prepare BT no fear! Was just  
Excited to see Gods words coming to pass.I am waiting for the tests  
Trials and calamities without these no rapture! "I pray for you,you pray for me. I love you i need  
you to survive"- ancient song.Shalom be with you!
