

# **“The Economy has Collapsed”**

McKana, August 2, 2020.

**Isaiah 14:27(NIV)**

For **the LORD Almighty has purposed, and who can thwart him? His hand is stretched out, and who can turn it back?**

**Romans 13:1-2(KJV)**

1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation.

We know what is coming. We know it is here. We have started the countdown. This revelation is not new, it is one of the last warnings. A warning to be ready, in all fronts.

Here are three messages, two new and one old.

## **We Depart!**

(Word from the Lord. August 2, 2020 1:30AM)

High up in the heavens, I hear:-

**“In the moment they never expect, we depart” says the Lord.**

## **The Economy has Collapsed!**

(Revelation of August 2, 2020 3:00AM)

Some one very familiar is by my side. He looks like a long time friend. I see his face, he is dressed with white raiment. I see him above the waist. He came closer to me like a regular person, from the left. My attention is in what he is saying. He is telling me saying **“The Economy has collapsed.”** It is in the news. I understood what he is telling me and started scrambling for my cellphone for the news. In my mind I am thinking of looking for the stock market of the day when I am around my PC. But, what I have in my hand is notebook with handwritings on all the pages. The notebook is like an old notebook too much in the hand of a person. The front and back of the notebook are together and I am looking for the first page as if it is the screen of the cellphone, no success. I felt it is late on Friday after the stock market is closed and remembered that I didn't check the news of the market throughout the day. Then I said **“Monday comes, they will run for the banks”** ie for their money. Where did the man go? When I am scrambling for my cellphone, the person who told me the news is no more there, he is gone. When I am uttering the last words, it was in mind the person is around, it was at that moment I see him nowhere around, gone.

Old message

## **The Land Is Moved**

This happened in early 2014 when I use to live in the east cost.

I remember every detail of what I saw since it was big and remarkable to forget. I have shared with you what the Lord reveled to us about the splitting of the continent of North America along the Mississippi, the New Madrid fault line, from areal view. Moreover, I have shared with you the great lakes meeting the lakes of the Gulf of Mexico due to a great shaking. Today, when I read the vision of our sister Averine, I though I should share the last piece.

In short:-

My view is from the east cost, from Maryland when I use to live for a short period of time. I see from ground level, in a dream lighting. I am closely tucked to the ground like a child looking, watching alone some mysterious thing happening with attention and curiosity. I see a very wide range of land. The land is truncated in a very wide range, from North to South. Brocken slab of land in this wider range is moving, moving to the east, toward where I am. Words can't describe it. Imagine a grader

moving the ground and that grader moving a wide range of earth. Big, huge piece of land, broken and crumbled is moving, moving in a very frightening way. I have a hard time believing what am seeing but it so real, it is unfolding right in front of me own eyes but no fear in me. It is cataclysmic, never seen in human eyes. I did share many dreams and vision but this was hard to imagine and difficult to tell and for sure, for many, hard to believe. Now, since many have been speaking what is revealed for them, let this be an additional testimony about the truth and the imminent shaking coming soon. As usual, take everything to the Lord.

**True, East cost, West cost, Central US, it is coming.** One aftre the other, all at the same time, leave it to the Lord.

Fear not, Be prepared! Trust the Lord.
