

Warning of Things to Come Upon the Earth

Cryptic1

This message was given 7.19.20.

I have already warned of the things that are coming upon this earth. Many heavenly objects will begin to fall - satellites even - asteroids, comets, debris clouds will be commonplace. The trajectory of these objects is directed towards your earth and is a sign of the soon return of the Son of Man upon the clouds of glory. Look up children for your redemption draws nigh! Meteors will accompany the asteroids, shooting stars will seem to fall from the skies. The earth will become a dangerous habitation for its' people. Many will look to escape what is coming but you cannot escape the judgments - only those whom I have My hand upon. You know who you are and if you have not prepared - NOW is the time to draw as close to Me as possible - for I am the only way through the devastation, destruction and tribulation that is coming to this earth.

The fallen angels will return soon - even circling around your earth - piquing the interest of many of your followers of the UFO phenomenon. I tell you there is no such thing. These are fallen angels in disguise who have duped the world as they deceived the first man Adam and his mate. Wake up oh church! Can you not see the destruction that is at your door? These creatures are very intelligent and cunning and will use all their supernatural powers to enslave you and lull you into a false sense of peace and security. I said to be prepared - for the great deception that will overtake this earth is upon you. Do not fear who can harm the body but rather He who can throw body and soul into the lake of fire.

Soon the giants will return, reptile-like creatures, demigods - ancient ones from long ago. In time I will release the fallen ones who have been biding their time under the earth beneath the great river Euphrates. Once they are unleashed all evil will truly break loose and you will then know and see that evil has come with a vengeance.

My children I tell you these things to warn you. Many will wish to die for what is coming upon the earth but they will not die. They must endure whatever fate has been determined by God - whether by sword or famine or pestilence. In this way many sadly will enter My Kingdom - but it is the plan of My Father to bring in as many lost souls as is possible - even unto death.

My children will have to suffer as they did not take the narrow path - but salvation awaits them upon their death. You must persevere until the end children. Soon heaven and earth will pass away but My Word will never pass away.

I love you with an everlasting love - and I cannot wait until we are rejoined in due time. Only My Father knows the day and the hour - so keep your lamps lit and the oil burning.

Your Savior

Your King Yeshua

He Alone who Saves
