

Prophetic Word to Nation of People

August 14 2020

My son write the instructions to my Holy Ones.

The persecution coming upon you requires my saints to be trained with the highest level of training under heaven.

I MYSELF am girded for war with you and I
AM the SUPREME COMMANDER

What I say to you I say to all. - Prepare
your battle plans NOW!

If you are fasting then I require 100%; if you are interceding then I require likewise.

Your success in this war is in direct proportion to your preparation. As I was with Joshua in battle so I will be with you says the LORD.

Hear now O Nation and People I declare
war on my enemies

who can stand in battle against me.

I am who I am the **SUPREME COMMANDER**
