

The Airborne Coronavirus Is The Most Lethal.

(The Coronavirus Has Gone Airborne-II)

Isaiah 5:20 (KJV)

Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

The drama continues. The Lord gave us His word in May about Corona going airborne. We observed the scientific community admitting the airborne nature of Corona and changed their guidelines. What has happened in the last two days is not amazing but very saddening in many ways.

Here is the drama:-

#1

Updated CDC guidance acknowledges coronavirus can spread through the air.

(CNN)The US Centers for Disease Control and Prevention updated guidance on its website to say coronavirus can commonly spread "through respiratory droplets or small particles, such as those in aerosols," which are produced even when a person breathes.

"Airborne viruses, including COVID-19, are among the most contagious and easily spread," the site now says.

#2

In just two days, the acknowledgement by CDC of corona going airborne and the updated **guidance is reversed:-**

CDC abruptly removes guidance about airborne coronavirus transmission, says update 'was posted in error'.

(CNN)The US Centers for Disease Control and Prevention on Monday abruptly reverted to its previous guidance about how coronavirus is transmitted, removing language about **airborne transmission** it had posted just days earlier.

What matters most is the implication and the deadly consequences. When the merchants get frustrated hearing the airborne nature of corona, the stock market plunged some 800 points and ended up ~600 points down. **It is at this point the reversal of their guidance came out as a shock to the observer.**

In short, here are two points to consider.

#1. Politics not science is misleading the public.(So far for the science)

#2. Knowing the **"The Airborne Coronavirus Is The Most Lethal."**, the authorities and the global public here again ignoring the warning of the the Lord which says **"The World Should Be Aware Of The Impending Danger."** knowingly, putting economic gains before the safety of the people, have exposed the world to more lethal danger.

Whether they accept it or not, the reality in the ground is going from bad to worse with over 300, 000 infection and over 5-6, 000 deaths globally a day. If they ignore and falsify the reality, the pain, the suffering and the death the people will continue. When the deadly pandemic with the flue season and "The all out Storm" comes, the world will be changed irreversibly.

Now, we give the warning again, “**The Airborne Coronavirus Is The Most Lethal**” and **currently, it is on**. The creator, the author of life, the Lord alone knows everything. We trust the Lord. Now more than ever the credibility of the authorities, who put gains before safety is in question.
