

I am the Master of the Universe

Word received: September 15, 2020

Note about this message: Sometimes the Lord uses a play on words or multiple meanings of one word. If you see a word used twice or more, it is quite possible that the 2nd or 3rd definition of a word is being used, the word has a deeper meaning, is being used figuratively, or perhaps is part of an idiom of some kind. Please remember that the Lord knows how to play with language in poetic ways (and I believe he enjoys it!). Once you have read the message, please take it to the Lord for clarity or confirmation. Also, I have been asking the Lord about Planet X or Nibiru, wondering if the 3 days of darkness will occur twice or only once, and if it will be closer to the end of the tribulation or if it could take place any day. This is referred to in the message below:

Are you sure of yourself when you go out carrying a burden like fear, my child? Will you learn to let that go, my bride? You are worth so much to Me, and so precious. I do not want you walking around surrounded by fear. Mask or no mask, no fear. Period. I hold your life and your health in my holy hands. You are precious to Me. I see every hair of your head. I can't emphasize this point enough. I love you all. Everyone who reads this Word. Come to Me, all who are weary and heavy laden. Lay the burdens down, my children. Little lambs, it is your turn to rise up and be counted worthy to do my bidding and eventually, yes, worthy to be taken from this earth and into my eternal kingdom. Blessed are the pure in heart and those who get to witness the Great Translation. Wow! It will be an amazing sight to behold, my doves. Lovely is the bride waiting in her chamber. I will come and meet her at the appointed time, says the Lord. Dates, times, specifics, the knowledge is only given to a few.

I say time is up, my friend. All who are called my friends will be watched over with their angelic guards and my Holy Spirit, the Ruah Kadesh, who whispers prayers for you when you are weak and don't know what to pray. Don't forget that, my child (perceived the Lord's pointer finger held up). Now, as to your question about Nibiru (see above), Planet X, the big red planet, she comes on her course towards earth, careening to earth's destruction. She will be the large straw that breaks the camel's back, so to speak. Her arrival at earth's borders will be the death knell/nail in the coffin. She will arise to take her place in history as she has done multiple times before. She is my secret weapon against the elites. They think they can tame her fury and survive. No siree, no ma'am. That won't be the case. They are greatly misled and mistaken. Satan tickles their ears with lies, and boy is he good at it! Mankind can conquer anything, even the universe! That is a lie. I am the Master of the Universe and no man can take that title from Me! Again, mark my words. The time of transition (for earth) is at hand.

My beauty (earth) will be destroyed by fire, as Peter by the power of the Holy Spirit wrote long ago. The time is at hand. She (earth) languishes under the foul stench of sin in her waters and on her land. America, your time is up. The bell tolls for you, a soon-to-be war torn/ravaged land. Time's up, my once pretty lady, now a hag and a stench to the nations of the world. Yes, the world hates you. Do not marvel at that, hammer of the whole earth! You get WHAT you want, WHEN you want it: oil, cash reserves, gold, foreign currency manipulation...you name it, America got it. Time's up for the bully of the earth. Time to get beat up for once and learn your rightful place, as the famous saying goes. You ready to get a taste of the old proverb? It's about time, my children. Do not be afraid of Nibiru or the future of America. It all pales in comparison to eternity. Get ready for your real homes, waiting for you upstairs. I love you all, Father God.
