

## The Return of the Fallen Ones

Cryptic1

I was dreaming and in my dream heard the word '**preternatural**'. It was such a strong word I couldn't get it out of my head. I believe we will soon see the manifestation of the fallen angels upon the earth.

***preternatural** - Out of the ordinary course of nature; exceptional or abnormal: preternatural powers. According to Wikipedia "in theology, the term is often attributed to witchcraft or demons, from the purely divine power of the genuinely supernatural to violate the laws of nature."*

This message was given 9.5.20.

Tell them I am coming soon. The angels or fallen ones will be returning to the earth soon in advance of My return. This must be. Time is stacked against your world. The hour of redemption is come. Even now the sword is being laid waste as Christians are being martyred the world over. This is but the beginning of the times of sorrow and the tribulation to come.

The fallen ones are coming to intercept your planet. They bring great knowledge and technological know-how. Remember - they have been with Me since the beginning of time and were privy to things unseen and unheard of. Much of the technology in your world is advanced - light years ahead of its' time and is due to the secret knowledge of the watchers, the fallen ones. They have aided mankind in their search and pursuit of knowledge in the sciences. Just look around you and wonder at the acceleration and increase of your technological advancement. This is not by the hand of man but by the superior knowledge and understanding of My heavenly ones. They have the wisdom of the ages but this will not save them in the end - for they will suffer the fate of those who rebelled against Me in the beginning of time. Their destiny is set and their punishment will be meted out. But they know time is short and so they too are awaiting the hour of their redemption upon the earth and upon the sons of man.

War is about to break out in the heavenlies and upon the earth. Your planet will soon undergo much devastation and destruction. The annihilation of your world is begun. Church rise up! The warnings have gone forth and soon will cease. Those who have ears to hear - hear My words. It is coming! Prepare for the destruction, devastation and decimation of your world - much death, much blood shed.

ALL WHO ARE IN ME WILL HAVE TO CHOOSE WISELY. I SAY AGAIN – DO NOT TAKE OF THE VACCINE OR OF THE MARK! TO DO SO WOULD BE IRREPARABLE, IRREVERSIBLE. YOU WILL HAVE SEALED YOUR FATE AND BE LOST TO ME FOREVER – FOR ALL OF ETERNITY. CHOOSE WISELY CHILDREN. MANY SAY THEY LOVE ME NOW – BUT WILL SOON DISAVOW ME IN THAT DAY WHEN FAMINE COMES, WHEN ALL HOPE IS LOST. TURN TO ME NOW. DO NOT WAIT UNTIL THAT DAY. MANY WILL BE DESPERATE TO KEEP WHAT THEY HAVE – MEANING THEIR ABODES AND POSSESSIONS – AND WILL RISK ETERNAL DAMNATION AND FORFEIT ANY CHANCE OF SPENDING ETERNITY WITH ME THEIR SAVIOR.

I alone save. Come children - draw close for the hour is late and the enemy is out and about like a roaring lion seeking to destroy My own. Many will suffer for My name's sake - but you will receive a crown of glory once you pass the test. Look to Me always. I alone can save you children. Time is short. Soon all will stand before Me - the just Judge who will render a just sentence upon all. Better to fear Me than to fear what man or the evil one can do to you. Die for Me and live - or perish forever in the eternal fire that is Gehanna.

I come soon children

Be ready to receive Me

Your Lord and Savior Yeshua HaMashiach

King of Kings and Lord of Lords

Amen. Amen. It is so.

I also came across an article by Holy Spirit Wind (Jeff Byerly) posted 9.29.18 titled 'If given 10 more years Satanically controlled AI robots would control the entire Earth' in which Yahushua shed further light on the fallen angel technology.

*'I ask you, what do you suppose the state of things on your Earth would be in just another 10 years? Fallen angel technology is developing at an exponentially faster rate than you know. The technology that you see in your everyday world is developing rapidly but they don't show you everything. In the coming days this too will be used in a greater ubiquitously controlling way against the sons of Adam. If given 10 more years Satanically controlled AI robots would control the entire Earth. Your world would eventually become much like the movie "The Matrix". There is much truth in that movie but not all of the truth, for I AM the truth.'*

Scripture Reference:

**Jude 1:6** *6 And the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day.*
