## Introduction

The Lord has been directing me in the last couple of weeks to put less of my words into this next newsletter and more of the Words of other Watchmen and Prophets who are confirming each other's words.

Many Christians have been following the dreams of a pastor from Tennessee. Pastor Dana Coverstone. If you have not watched any of his presentations on U-Tube you should. Just go to any U-tube video and place his name in the search bar.

Pastor Dana has come out of nowhere. His messages have had over 2 million hits. I believe God chose him because he believes the rapture is pre-trib. Because most of the church believes in a Pre-trib rapture, they want to know what God is showing Pastor Dana in this series of dreams.

The problem is, what God is showing him does not sound like a Pre-trim message. This has caused much turmoil for Pastor Dana. He has had threats on his life and against his family. Threats to burn his home or church. His position is, I didn't ask for this, I am just presenting what God has shown me.

Don't blame me, pray to God about it.

In Pastor Dana's first dream he was warned about the coming virus, riots and other events that happened just as he saw it in his first dream. Then he started having more dreams and because his first dream was so accurate it makes me believe that God has chosen him to warn the church for what is soon coming.

In his second and third dream that he was giving in June he saw some sort of great event that would bring the church to its knees in September. September starts tomorrow, does that mean a huge event has to hit tomorrow? I don't think so but I believe something big will happen very soon and we should be prepared for it.

It is interesting that those who I call the pillow prophets, those who believe the Lord is not coming back for years have had to try explain away the warnings God has given Pastor Dana.

I have heard more explanations for his dreams than I have time to write about. I will mention a couple.

One prophetic teacher said that he was reading too much negative news and was sort of saying that Pastor Dana was having pizza dreams. Pizza dreams do not accurately come to pass.

Another explanation was that Dana's dreams are about what will happen if the church does not pray. Not what will happen now, God is so merciful to allow what Pastor Dana saw in his dreams to actually happen. If that is true then why is what pastor Dana saw in his first dream coming to pass with great accuracy?

If what Pastor Dana is seeing in these dreams were warnings only seen by one man I would be more skeptical. If you will take the time to watch the U-tubes I have included and read the prophetic warnings for a large number of prophets, one I have come to trust, you will realize that God is sending warnings from a large number of different sources.

One Prophet Friend who I have followed for many years has been given a seven-week countdown to prepare for what is coming. This prophet was told in his 7<sup>th</sup> installment that the time of warnings is over. This time ended Sunday and some will criticize him and say, "Nothing is happening." Please take your head out of the sand and look around, a lot is happening, your just blind.

I remember hearing years ago about the difference between a recession and a depression. If your neighbor loses his Job then it is a recession. If you lose your job it is a depression.

Below I have a section called, "What will it take to convince you that we are seeing the unfolding of the final events leading to the Lord's Return.

When you look at that list below, think about what I just said about a recession or a depression.

If your neighbor suffers great lose and maybe even death it is just bad luck but if it you who has lost his Job, seen his home destroyed by flood or fire and seen death come to his family is that what it will take to convince you that we are in the days of the events that will lead to the Return of the Lord?

Please take the time to fully absorb what I have included in the remaining pages of this newsletter. Preparing your heart and fully getting right with God could determine where you will spend eternity.

### **Final Warnings**

I have included warnings from many prophets that I trust in this newsletter. Some are actually saying that God has warned that the time to warn the church is now over. Now it is time for the hammer to fall.

As I have said, don't take the word of one person but listen to what others are saying. The Bible says truth is established by the mouth of two or more witnesses. Pray for discernment as Jesus warns that there would be many false prophets in the last days.

I believe we are already seeing the beginning of the Great Tribulation. Many are not convinced. Below I am going to present my take on why I see the final countdown is already in play.

### **What will it take to convince you?**

What am I asking here? I am convinced that we are entering the final hours before the Lord's return. Not everyone is in agreement. I am hearing words coming from those who I call pillow prophets and they are adamant; the Lord's coming is years

down the road. We are going to see America great again. We are going to see a great revival and God is going to use Donald Trump to fix America,

I am not a Trump hater. I voted for him and I believe God placed him in the White House. I believe Donald Trump bought the world a few years of God's mercy and grace before the real time that will bring the world and America to the closing events of the Return of Jesus Christ.

Below I am going to list many events that are unfolding before our eyes that should convince us that we really are at the time of the Lord's Return.

At the end of 2015 many in the church were greatly disappointed that the rapture did not occur in the fall of 2015. When I look back it amazes me that we were living in good times and a time of peace. Now look at it. Peace is being ripped from America and around the world.

What will it take to convince you that happy days are gone and they are not coming back, it is Jesus who is coming back?

Look at the list of recent events that are tearing America apart and what happens to America will ripple around the world.

1. **Covid 19.** Some are saying that this virus is killing millions around the world while others are saying it is all a hoax. **It does not matter if real or a hoax,** because the globalist agenda is using this to usher in restrictions and components for the beginning of a global One World Government.
2. **Economic Chaos.** America's and economies around the world are unraveling. The Federal Reserve has recently admitted that they have printed more money in two recent months than in the whole history of the Federal Reserve. The articles I have included under the news section by Michael Snider are a must read. Before this is over the Great Depression of the 1930's will seem like a walk in the park compared to what is unfolding with the loss of Jobs in America.
3. **Riots, killings, and burning of our cities.** This is unfolding as I type this. It is not over; it is just beginning.
4. **Forest fires.** We are seeing the largest most damaging forest fires that are ripping into communities taking lives and doing billions of dollars in damage.

5. **Record droughts and insect plagues** like the locusts in the Middle East and Asia. Because most food is harvested for the year to follow, we have been spared the famine and starvation that is soon to follow.
6. **Record Hurricanes** have started and hurricane season has only just begun.
7. **Political unrest.** This could be the biggest threat to the future of America. The rhetoric coming out of Washington DC is unlike anything we have ever seen. The left is calling our president a vicious virus that must be eradicated. Threatening to take the president out of the White House by force if necessary. If the left does not get their way in November will we see the beginning of the next Civil War in America?

If this list does not convince you that we are seeing the opening events leading to the Return of the Lord, then look at the short but powerful list that is knocking at the door.

1. **Earthquakes.** Both Scientists and prophets are warning that mega quakes are overdue.
2. **Meteors and tidal waves.** Scientists and prophets again are warning that catastrophic events of this nature are coming soon.
3. **War.** The drum Beats of War are beating all over the World. Many of the largest armies on earth are aiming their sights on America.

### **If you are left behind, will you stay true unto death?**

In this section, what I want to challenge you to think about is, **What if the Pre-trib. Rapture position was correct.** If the Rapture happens this September during the Feast of Trumpet would you be ready to be taken or would you be left behind?

Many times, in the last several years I have heard prophets tell us that God told them that the church is not ready for the rapture. What does the Bible say about Jesus coming for His Bride? The Bible says that Jesus is coming for a bride that is without spot or wrinkle. The Bible also says that if we are lukewarm, he will spew us out of His mouth.

We are all familiar with the Christian Movie, “Left Behind” and the series of books by that title. It is about those who were not ready for the Rapture.

I teach that the Rapture is Mid-week, in the middle of Daniels seven years. For the sake of this newsletter lets imagine that the Pre-Trib position is correct. I have said many times that if the church is lukewarm and not ready for the rapture then God is doing the church a good thing that the rapture is Mid-week. The tribulation would bring the church to its knees to repent and prepare for the Lords coming after some tribulation.

Now let's go back to the thought that the rapture will happen this September. If the rapture happens around the Feast of Trumpets in a few weeks are you living a fully obedient and sold out life for God? Or, are you just doing your own thing?

Do you practice the Lord's prayer every day? Confessing your sins and asking God to forgive you in the same way as you forgive others? The Bible teaches that God will not forgive us if we hold unforgiveness toward others and this even includes your spouse and other family members.

Now what is the point of this discussion? If you are living a lukewarm life and you are left behind, how will you take it? Will you get angry at God for not taking you? Will you get angry at your pastor for not preaching messages that convicted you of Sin?

Or will you take the responsibility for the situation you find yourself in? Will you repent and make things right between Your God and your fellow man? Will you refuse the dictates of the coming anti-christ, even if it costs you your life?

I have been hearing warnings from prophets that we are not to take the coming vaccine that is rumored to include some sort of tracking chip. One prophet I trust was shown in a dream that those who do not take this vaccine will not be allowed to buy food.

One person argued with me that this vaccine is a good thing. My response is, "number one", I will not accept any sort of chip in my body, period. What if something in this vaccine gave the government control of your decision-making ability? What if this dumbed you down so you would not refuse taking the mark of the beast on your wrist or forehead?

We are on the verge of seeing the global Beast Government come into being. Will you take a stand to obey God, no matter what the cost?

Remember, going along with the Beast Government will lead you to hell for all of eternity. Dying for Christ will hurt for short time but the rewards are eternal.

I have read many stories of people who have had near death experiences. What is common from all of these stories is, they did not want to come back but they had to, so they could tell friends and relatives about Jesus and eternal salvation.

Recently many prophets have been warning and warning for the church to repent and prepare for what is coming and for the Coming of Jesus. Please take these warnings to heart.

## **Update on my health**

For some months now I have had some severe health challenges. For over two months now I have been challenged with a pinched sciatic nerve, **this is now under control, Praise the Lord.**

I don't totally understand why I have many health issues but I know this is an area that I am to trust God in and I recently had a personal God Word sent to me that confirmed that God has His hand on my health and He is not going to let me go home to heaven early. God told me that I am still needed and have work to finish. I continue to covet your prayers as I strongly believe in a prayer answering God.

## **Update on Finances**

My Ministry is faith based. If I bless those who I minister too, I believe I will be blessed. I continue to trust God as I always have and God has never let me down. I have learned that God can supply through the gifts of many or through the gifts of a few. Because of health issues I have not communicated my thanks to all those who have given me support. Please be understanding. I have no staff; it is just me and God.

If the Lord lays it on your heart to give to the support of my Ministry, I thank you in advance. The needs of my ministry at my ranch in Arizona will continue to have needs even during the Great Tribulation. How this will happen is in God's hands but He will take care of us as we trust in Him.

At the end of this newsletter, I share how you can give to this ministry

# Words from the Prophets

To start off, on the topic of the words from the Prophets, I have included a couple of links to videos that share very important warnings of what is coming.

## SWORD OF THE LORD

Released 8/23/2020, Byron Searle

Jeremiah 12:12-13

12 The spoilers are come upon all high places through the wilderness; for the sword of the Lord shall devour from the one end of the land even to the other end of the land: no flesh shall have peace.

13 They have sown wheat, but shall reap thorns; they have put themselves to pain, but shall not profit; and they shall be ashamed of your revenues because of the fierce anger of the Lord.

My son, set your ear toward heaven and hear My voice this day. I have shouted the warnings to prepare. I have sounded the klaxon to be ready. I have whispered things to you to tell My Remnant.

Now **MY SWORD IS BEARING DOWN** on the world and on this most vile nation.

I have given **SEVEN WEEKS TO PREPARE** --- to get your hearts and houses in order --- to call a solemn fast and repent --- **FOR NOW IS THE TIME.**

**SIX WEEKS HAVE PASSED --- ARE YOU READY??**

There is **ONE WEEK REMAINING** to gather yourselves and your hearts to Me.

**REPENT NOW! FOR THE TIME TO PREPARE IS NEARLY UP, AND MY SWORD WILL STRIKE THIS WORLD.**

My son, I **WEEP** -- for many of My pastors have **DESTROYED** My vineyard. They have taught lies and abominations to My children.

**WOE TO YOU CHILDREN** who have not come out of the great whore and choose to reject Me.

**THE SWORD WILL CUT ASUNDER ALL** that have followed man and his lies. These pastors have been more concerned with numbers and money than the Holy God.

**I WILL SEND MY SWORD TO CUT THEM ASUNDER AND RIP MY PART FROM THEM.** These lying pastors will gladly follow the son of perdition and take many of My children with them.

**WOE TO THOSE** who teach false doctrines and follow false prophets.

MY JUDGMENT IS UPON THIS WORLD --- NOT BLESSINGS.

My son, DAYS OF UPHEAVAL and GREAT DARKNESS are upon this nation as the king I PUT IN POWER IS FULFILLING HIS PLACE.

I SAY ---

**STOMP THE GROUND!!!**

**SHOUT A GREAT SHOUT!!!**

**BREAK THE JARS!!!**

**FOR MY SWORD IS CUTTING OUT MY CHOSEN!!!**

**THEY WILL RISE AND SHINE AS THE SUN TO GATHER THE HARVEST!!!**

**MY PRECIOUS JEWELS WHO HAVE YEARNED TO SERVE ME WILL STEP ONTO THE STAGE!!!**

**THE TIME IS NOW, MY SON, TO DRAW CLOSE TO ME!!!**

**TELL MY REMNANT TO DRAW CLOSE --- NAY! --- DRAW CLOSER!!!**

My son, My children HAVE NOT HEHEDED THE WORDS OF WARNING from My watchmen and prophets, and their blood is off your hands. Those who mock and scoff at these words given will stand before Me and give account of their words.

My Word says that I tell My watchmen and prophets of things that WILL COME TO PASS. You, My children, have been warned.

REPENT NOW! for you do not know when you will stand before Me!!

REPENT NOW! of sin and wickedness in your hearts!!

My son, My children HAVE REJECTED the ones that **I HAVE CHOSEN** --- the ones that **I HAVE MARKED**. They CHOSE TO IGNORE the warnings to prepare. Those will perish.

They say, We are poor and have no money to prepare!

I say unto you, You have had nothing for SEVEN WEEKS??

Many have the chance to prepare, but STARTING IN ONE WEEK, the store shelves will grow more barren, and the TIME TO PREPARE WILL TURN INTO A TIME OF SURVIVAL!!!

REPENT NOW!!! REPENT NOW!!! REPENT NOW!!!

**THE SWORD OF THE LORD IS FALLING --- AND MANY WILL BE CAUGHT UNAWARE!!!**

**PREPARE NOW!!! GET YOUR HOUSE IN ORDER AND GET YOUR HEARTS IN ORDER!!!**

My son, many have prepared. THEY ARE THE **WISE VIRGINS**, and THEY WILL HAVE A PLACE AT THE GREAT FEAST.

THEY WILL WITHSTAND MY FIERCE ANGER AS **MY SWORD COMES DOWN**.

**MANY WILL BE CHANGED INTO MY MIGHTY WARRIORS --- GOING FORTH IN A DARK WORLD FOR A SHORT PERIOD!**

**STAND FAST!!! MY CHOSEN ONES!!**

I love you all, and will see you all very soon!  
Amen.

## **BRACE YOURSELF. BE PREPARED**

AMANDA WHITE    AUGUST 18, 2020

I am just now releasing verbiage that I feel is from the Lord, for I believe it is finally time to release this world. I began receiving these dreams at the end of June 2020. This isn't about politics. This isn't about who is right or who is wrong. This isn't about race or social injustice. This isn't about the pandemic. This IS about what we may expect coming soon in our country, and what be God's will. In my heart, Jesus keeps telling me to speak what I was shown and I must obey my Lord who is most high. If you are not right with God or don't believe in Him, that is your prerogative but time is running out to seek the Lord's grace.

TESTIMONY of my dreams:

The very first dream I experienced was about future infiltration, heavier lockdowns and the vaccine coming up. Basically in this dream, I heard several gunshots, screams, doors being broken down and automobile engines guzzling. There were military personnel deployed to come into everyone's homes and test them for the virus, much stricter than our first lockdown. There was a real time result that would appear within seconds of taking the test and would therefore light up green for positive and red for negative. If someone tested positive, they would be taken away on a bus or trucks to slaughter houses (aka: FEMA concentration camps). All other household members were highly supervised and told to stay inside, given a certain food and water ration.

Everyone was mandated not to work and must wear a mask at all times (to be closely monitored). There was no reaction time, yet we (my family of four) somehow managed to get in our car and drive away against all the shootings and other weaponry that was fired at us for leaving by this "militia force". We had no supplies brought with us, the power grid was down so we could not contact our family from within our state and other states, we had nowhere to go that seemed safe.

Throughout this dream, it felt like months upon months of straight up survival, starvation, and shelter seeking. We eventually found a beat-up abandoned trailer in the middle of nowhere, located in an inner state somewhere northeast of us. The ambiance was gloomy, cloudy, and very rainy. It was warm for the first month then winter eventually came, so my thought was around September/October time leading into November through January months.

When turning on an old television that we found and hooked up to our car charger converter, the same warning message would repeat every day about each half hour. It was as if one person was speaking and basically saying what was happening around the United States, as a one world order. There was no president, yet a dictatorship. The government and economy went into complete collapse.

Eventually Christians and others who had faith based religions were targeted, and wearing any type of faith based item was prohibited, let alone praying or seeking worship in public. I felt the Lord tell me I should have listened so I could prepare better.

When going into a store, you had to have a chip in your right hand or in your forehead in order to enter and buy products, as this was a cashless society. You also had to wear a mask at all times, gloves and social distance for pandemic reasons that continued.

I cannot remember all the details of this dream, as I said was very lengthy in my mind's duration. I just remember waking up as if the Lord was shouting "BRACE YOURSELF. BE PREPARED." I then heard a loud knock three times and officially woke up thinking someone was at the door.

After several weeks of different variations of this dream playing out each night, I was never once prepared and neither were the other citizens of America. And every time I would wake up, I would hear the same thing, the Lord shouting "BRACE YOURSELF. BE PREPARED." I did seek God further for more insight. I prayed to the Lord, but just kept hearing the same words every time.

I had yet another intense and vivid dream, but this one was even more harsh than the first series of dreams. Similar to the first set of dreams, we were being infiltrated by the militia, except this time it was mostly for Christ followers and I was doing everything I could to save the souls of my peers surrounding me for the Lord.

For some reason in this dream, more militia were deployed to the point of filling the cities and streets, wearing black uniforms with red accents and citizen's minds were being "wiped" by the "vaccine" injections and we all became mindless drones. When incantations were said by those who administered injections, people would basically follow the mark of the beast as if activating something in their minds like a trigger.

This dream also entailed a necklace that acted as a map that illustrated what were false symbols and prophets of the Lord and what entities truly followed His light. Everything we ever thought we knew about our history, doctrines and events in the past have been a lie. At the head of the necklace (full necklace diverted into three hanging layers) was a very large light-gray stone cross. The cross was the only truth on the necklace, and so was God's word.

It was my Christian duty to act for the Lord and put my hand (with the cross centered) on a person's chest who was being taken over by this mindlessness and would say "Jesus is our Lord and savior. He is the truth and the only righteous way." If non-believers and lukewarm Christians heard this and chose not to believe in God, they would not be saved. If they did truly believe in Jesus, their soul was indeed saved by Him who reigns the most high. I tried saving hundreds of souls for His purpose, and continued quoting scripture to those in disbelief until revelations became full effect and took over the Earth (unfolding more prophesied biblical events). I woke up yet again with the sense of "BRACE YOURSELF. BE PREPARED."

I have also had dreams of chaos at stores with no food or supplies left, panic in the streets, people fighting among each other, 7 tornadoes tormenting buildings and citizens, night that came but the sky turned pitch black and there was a bright light that I knew was Jesus in the sky that shined and I followed. I knew the world was in the second coming.

The next day earthquakes took over America. In these dreams, the purging began of volcanic activity erupting, covering the ground and spilling into the oceans. There was nowhere safe to flee to, and Christians were then raptured up just before death struck. These dreams are getting more heightened every evening.

Something is coming soon, and so is Jesus. Now you can take these dreams as metaphors or for what they truly are in description. I have never experienced something like this before, and after experiencing these dreams over and over, I began having daytime prophetic revelations from the Lord.

Prophetic Word:

This morning, at 8:04 AM, I received another word I believe is from the Lord:

“The streets will be filled with ashes, the sky will be covered in darkness. The time has come, my children. The sun will turn red like blood, and the stars will fall to the Earth. Waves of destruction will consume America. My church, my bride, it pains me so. For the wickedness that was drowned in the flood from the days of Noah has returned, and has reigned for far too long. Be prepared, for this evil must perish. I love you my children, but the snake has consumed too many hearts. Fear not, for I the Lord shall shield my faithful children in protection. For I, the King of all kings, the Messiah, the God of the most high, will see you soon. This is my second coming. Those who do not believe me will wish they had. Their hearts will sink from their lifelong denial of my existence. Pray for more souls to be saved, my children, for the great awakening has come. The chaos you have already witnessed was just the beginning. Purity has been possessed by a double-edged sword of wickedness for far too long. Explosions will soon consume the Earth, darkness will follow and the unexplainable will occur. This is how you will know your Messiah has cometh.”

## **Seek Me And You Will Find Me**

**ALAN CARRICO,** AUGUST 21, 2020

**My Will leads to the Great Revival that is Soon to Break Out, But This Revival Comes after the Fall of America.**

Hello My son, this is Jehovah Elohim speaking with you this day. My children come to Me now and I will heal you. I will heal your heart, your mind, and your body in this time, for soon I will raise you up and have you engage the enemy as the war in the heavenlies come to the earth. As many of you know there is a lot of talk in the Middle-East about peace and war, and these things are rapidly escalating. Both peace and war together and either one will win out depending upon the prayers of

the saints. It is My will that you come to Me urgently and seek My will for your lives that I may empower you to overcome all the enemy has put before you. The enemy seeks to keep you off this larger stage and embroiled with your own business so that you will not engage him on this larger stage that is unfolding now. For there to be peace in My land, Israel, there must be My army of saints praying in the Spirit that the enemy will flee. Unfortunately, there are many factions that seek to divide My land to appease the enemy. As you read in My Word, these things will come to pass, but woe it is to those who orchestrate this division. I Am calling My children to pray fervently in Spirit and in truth for My will to be done. My will leads to the great revival that is soon to break out, but this revival comes after the fall of America. Those who persevere in their faith and in caring for others will be gifted in amazing ways to lead this great harvest that is about to come. Time is being compressed so do not squander any more of your time, for this comes quickly. Seek Me and you will find Me, but squander your time and you will be caught up in it. I AM.

Isaiah, Is 23; Ez 47,

The burden of Tyre. Howl, ye ships of Tarshish; for it is laid waste, so that there is no house, no entering in: from the land of Chittim it is revealed to them. 2 Be still, ye inhabitants of the isle; thou whom the merchants of Zidon, that pass over the sea, have replenished. 3 And by great waters the seed of Sihor, the harvest of the river, is her revenue; and she is a mart of nations. 4 Be thou ashamed, O Zidon: for the sea hath spoken, even the strength of the sea, saying, I travail not, nor bring forth children, neither do I nourish up young men, nor bring up virgins. 5 As at the report concerning Egypt, so shall they be sorely pained at the report of Tyre. 6 Pass ye over to Tarshish; howl, ye inhabitants of the isle. 7 Is this your joyous city, whose antiquity is of ancient days? her own feet shall carry her afar off to sojourn. 8 Who hath taken this counsel against Tyre, the crowning city, whose merchants are princes, whose traffickers are the honourable of the earth? 9 The Lord of hosts hath purposed it, to stain the pride of all glory, and to bring into contempt all the honourable of the earth. 10 Pass through thy land as a river, O daughter of Tarshish: there is no more strength. 11 He stretched out his hand over the sea, he shook the kingdoms: the Lord hath given a commandment against the merchant city, to destroy the strong holds thereof. 12 And he said,

Thou shalt no more rejoice, O thou oppressed virgin, daughter of Zidon: arise, pass over to Chittim; there also shalt thou have no rest.

13 Behold the land of the Chaldeans; this people was not, till the Assyrian founded it for them that dwell in the wilderness: they set up the towers thereof, they raised up the palaces thereof; and he brought it to ruin. 14 Howl, ye ships of Tarshish: for your strength is laid waste. 15 And it shall come to pass in that day, that Tyre shall be forgotten seventy years, according to the days of one king: after the end of seventy years shall Tyre sing as an harlot. 16 Take an harp, go about the city, thou harlot that hast been forgotten; make sweet melody, sing many songs, that thou mayest be remembered. 17 And it shall come to pass after the end of seventy years, that the Lord will visit Tyre, and she shall turn to her hire, and shall commit fornication with all the kingdoms of the world upon the face of the earth. 18 And her merchandise and her hire shall be holiness to the Lord: it shall not be treasured nor laid up; for her merchandise shall be for them that dwell before the Lord, to eat sufficiently, and for durable clothing.

Ezekiel

47

(KJV)

Afterward he brought me again unto the door of the house; and, behold, waters issued out from under the threshold of the house eastward: for the forefront of the house stood toward the east, and the waters came down from under from the right side of the house, at the south side of the altar. 2 Then brought he me out of the way of the gate northward, and led me about the way without unto the utter gate by the way that looketh eastward; and, behold, there ran out waters on the right side. 3 And when the man that had the line in his hand went forth eastward, he measured a thousand cubits, and he brought me through the waters; the waters were to the ankles. 4 Again he measured a thousand, and brought me through the waters; the waters were to the knees. Again he measured a thousand, and brought me through; the waters were to the loins. 5 Afterward he measured a thousand; and it was a river that I could not pass over: for the waters were risen, waters to swim in, a river that could not be passed over. 6 And he said unto me, Son of man, hast thou seen this? Then he brought me, and caused me to return to the brink of the river. 7 Now when I had returned, behold, at the bank of the river were very many trees on the one side and on the other. 8 Then said he unto me, These waters issue out toward the east country, and go down into the desert, and go into the sea: which being brought forth into the sea, the waters shall be healed. 9 And it

shall come to pass, that every thing that liveth, which moveth, whithersoever the rivers shall come, shall live: and there shall be a very great multitude of fish, because these waters shall come thither: for they shall be healed; and every thing shall live whither the river cometh. 10 And it shall come to pass, that the fishers shall stand upon it from Engedi even unto Eneglaim; they shall be a place to spread forth nets; their fish shall be according to their kinds, as the fish of the great sea, exceeding many. 11 But the miry places thereof and the marishes thereof shall not be healed; they shall be given to salt. 12 And by the river upon the bank thereof, on this side and on that side, shall grow all trees for meat, whose leaf shall not fade, neither shall the fruit thereof be consumed: it shall bring forth new fruit according to his months, because their waters they issued out of the sanctuary: and the fruit thereof shall be for meat, and the leaf thereof for medicine.

13 Thus saith the Lord God; This shall be the border, whereby ye shall inherit the land according to the twelve tribes of Israel: Joseph shall have two portions. 14 And ye shall inherit it, one as well as another: concerning the which I lifted up mine hand to give it unto your fathers: and this land shall fall unto you for inheritance. 15 And this shall be the border of the land toward the north side, from the great sea, the way of Hethlon, as men go to Zedad; 16 Hamath, Berothah, Sibram, which is between the border of Damascus and the border of Hamath; Hazarhatticon, which is by the coast of Hauran. 17 And the border from the sea shall be Hazarenan, the border of Damascus, and the north northward, and the border of Hamath. And this is the north side. 18 And the east side ye shall measure from Hauran, and from Damascus, and from Gilead, and from the land of Israel by Jordan, from the border unto the east sea. And this is the east side. 19 And the south side southward, from Tamar even to the waters of strife in Kadesh, the river to the great sea. And this is the south side southward. 20 The west side also shall be the great sea from the border, till a man come over against Hamath. This is the west side. 21 So shall ye divide this land unto you according to the tribes of Israel. 22 And it shall come to pass, that ye shall divide it by lot for an inheritance unto you, and to the strangers that sojourn among you, which shall beget children among you: and they shall be unto you as born in the country among the children of Israel; they shall have inheritance with you among the tribes of Israel. 23 And it shall come to pass, that in what tribe the stranger sojourneth, there shall ye give him his inheritance, saith the Lord God.

## **THE BATTLE IS RAGING, MY REMNANT WARRIORS HAVE PREPARED FOR THIS DAY!!**

*Message received Aug 8, 2020, Julie Whedbee*

*My Word is like fire. It brings together but it also divides. If the trumpet call can't be discerned, who will prepare for this battle? I tell you it is My chosen remnant who have prepared. My truth seekers know that I am My Word and My Word alone is truth. All else is an illusion. I am the God of truth. I am just and righteous. My Word divides the soul from the spirit and is the discerner of every man's heart. I know those who I have chosen that serve Me, and I hide them under the shelter of My wing. I am the Rock and the saving strength of My anointed. You who are called by My name will be strengthened, and I will uphold you with the right hand of My righteousness. You will not be shaken and you will not be moved. No weapon formed against you will prosper.*

*You have My power over all the enemy, and nothing can hurt you. I will make your way perfect and I will fasten you as a nail in a sure place. You will be for a glorious throne to Me. The one who believes in Me, the Cornerstone, will never be shaken. I will not take My eye off you, My righteous ones, and I will enthrone you with kings and exalt you forever. To him who has the key of the house of David, what is opened no one can shut and what is shut, no one can open. You who overcome are My kings and My priests, and you will reign on the earth as My ambassadors of light. As representatives and My messengers on earth, you will uphold My law and My Word will forever be on your lips. I am your light and your salvation. You will not fear anything. I am your stronghold in the day of trouble. Be strong and courageous, as I will always go with you.*

*I have trained your hands for the battle. This fight is not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world and against spiritual wickedness in high places. I have taught your hands to war and your fingers to fight, but not with a sword or a spear. Not by might, nor by power will I slay them, but by My Spirit. Mighty exploits will you do in My name. Your enemy will know My victory by My mighty hand through you, My chosen instruments, declaring My Word, My Sword of Truth. All who*

***have ears to hear will be sanctified by this truth.***

***So, blow the trumpet in Zion My watchmen and My children, sound an alarm in My holy mountain. The Day of the Lord is at hand. Your bow is renewed by My hand. You are My war club and weapon for this battle. With you, I will shatter nations and bring kingdoms to ruin. A fire will devour before you and behind you the flames will burn. You are My chosen, set in battle array and My camp is great. I will drive out your enemy before you, as I give you the command to destroy him. I will make them eat their own flesh, and they will be drunk on their own blood. Then all will know that I, the Lord, am your Savior and your Redeemer, the Mighty One of Jacob. I will go forth as a mighty man and stir up jealousy like a man of war. I will roar as I prevail over My enemies. I am a warrior and the Lord is My name.***

***Declare a thing to be, and it shall be so. My Word will not return to Me void. All will be done according to My Word. My chosen remnant; your gates will always stand open and the riches of nations will come to you. You will receive your rightful inheritance. No more will you be oppressed and persecuted once My Spirit fully indwells you. Out of you will flow rivers of living water. You will turn hearts to Me, and I will cause righteousness and praise to spring forth before the nations.***

***I am coming, I am coming. My Elijah company has prepared the way of the Lord! Rejoice My beloved for the fulfillment of all things has come!***  
**YAHUSHUA**

As I was writing this message, His Holy Spirit instructed me to then take His message and write a prayer, that we as the over-comers can recite as a declaration-HALLELUJAH for He is the Word and the only TRUTH that can be found.....thank you dear, holy KING YAHUSHUA....we adore YOU !!!!  
There are also two more prayers that confirm this message below the list of scriptures.

### **THE CRY OF THE REMNANT PRAYER**

**Your Word Yahushua is like fire! Your Word alone is truth! Your trumpet has sounded and I have prepared! Please allow Your Holy Spirit fire to burn away**

**anything left in me that is unclean or not in alignment with Your holy will for me. You alone are the God of truth, righteousness and justice. I have chosen to serve you with all my heart, all my soul, all my mind and all my strength. Hide me under the shelter of Your wing because You are my Rock, and my saving strength. You answer when I call You and You strengthen me. You uphold me with the right hand of Your righteousness and I will not be shaken or moved. No weapon formed against me will prosper. You have given me Your power over all the enemy. You are my Cornerstone and I will not take my eyes off You. You have the key to the house of David and what You have opened, no one can shut, and what You have shut, no one can open.**

**Your way is perfect and You have fastened Me as a nail in a sure place. I will be a glorious throne to You. I am Your ambassador of light and You will make me a king, a priest on the earth. I will uphold Your law and Your Word will forever be on my lips. You are my light and my salvation and I will not fear. You are my stronghold in the day of trouble and I will be strong and courageous because You always go with me, wherever I go.**

**You have trained my hands for the spiritual battle and my fingers to war. It is not by power or might but by Your Spirit that the enemy will know his defeat. I will do great and mighty exploits in Your name. I am Your chosen instrument and all that have ears to hear will be sanctified by Your truth manifested in and through me.**

**I am blowing the trumpet and sounding the alarm this day! The day of the Lord is upon us! My bow is renewed by Your hand and I am Your weapon of war for battle. Because of Your presence in me I will shatter nations and bring kingdoms to ruin. A fire will go before me and a flame will burn behind me for Your camp is great! I will destroy the enemy before me with Your command. Then all will know that You are the Lord, my Savior and Redeemer, the Holy One of Jacob. You will roar as a Warrior and prevail over Your enemies. The Lion of Judah, the Lord of Hosts is Your name!**

**I declare all You instruct me to declare and Your Word does not return to You void. You will cause my gates to stay open and the riches of nations will come to me. I will receive my rightful inheritance. I will never be persecuted or oppressed again! Out of me will flow rivers of Your living water. I will turn**

hearts to You and righteousness and praise will spring forth before the nations.

**You are coming! You are coming! Prepare the way of the Lord! Come precious Meshiach Yahushua! Amen and amen**

The links to two previous words the Lord gave me earlier this year - **ARE YOU READY?? Part 1** and **Part 2** are listed here.

**ARE YOU READY???** (Part 1), 02/24/2020:

MARCHING TO DESTRUCTION - ARE YOU READY?? (Part 2),

03/02/2020: <https://byronsearle.blogspot.com/2020/03/marching-to-destruction-are-you-ready.html>

## **ARE YOU READY???** (Part 3)

Romans 1:15-16

15 So, as much as in me is, I am ready to preach the gospel to you that are at Rome also.

16 For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.

My son -- HEAR AND WRITE WHAT I SAY TO MY CHILDREN.

I know many of you do not believe My watchmen who have been shouting --

GET READY!!!

GET YOUR HOUSE IN ORDER!!!

GET YOUR HEART IN ORDER!!!

BUT I SAY TO YOU **NOW** --- **ARE YOU READY???**

Many of you have heeded the words spoken and have gotten prepared. That is good, for YOU HAVE **TWO WEEKS LEFT** to stock your goods.

BUT I SAY --- **AGAIN** --- **ARE YOU READY???**

**ARE YOU READY** TO BE IN CONSTANT PRAYER FOR THIS NATION???

**ARE YOU READY** TO PREACH THE GOSPEL TO WIN THE LOST???

**ARE YOU TRULY READY** FOR WHAT LIES AHEAD???

My son, much TURMOIL and CHAOS IS JUST AHEAD, and MOST of My children **ARE NOT READY!** They have been taught FALSE DOCTRINES BY MEN who want all to think **THEY WILL BE GONE BEFORE ANYTHING BAD HAPPENS.**

BUT I SAY --- **YOU WILL BE HERE** UNTIL THE LAST TRUMP IS SOUNDED, AND I WILL BE WITH YOU **IF YOU ARE READY!**

My son, THIS NATION AND THOSE WHO RULE -- FROM THE KING DOWN -- **DO NOT FEAR ME**. THEY MOCK ME AND MY WORD AND BLASPHEME MY HOLY NAME. THEY DO NOT SEEK REPENTANCE, INSTEAD THEY SEEK THE GODS OF THIS WORLD.

DO YOU NOT SEE, MY CHILDREN, THAT **I HAVE TAKEN AWAY** THE PLEASURES OF THIS WORLD SO YOU WILL SEEK ME MORE???

I TELL YOU NOW, AND MARK THIS DAY -- A LOCKDOWN IS COMING THAT WILL KEEP ALL PEOPLE INSIDE.

**ARE YOU READY???**

THE EVIL MEN WHO WANT TO CONTROL YOUR LIVES WILL HAVE FREE REIGN -- FOR **I WILL ALLOW** THEM TO DO THIS.

My son, My children have been told to follow laws that go against My Word, and yet like sheep led to the slaughter, THEY BLINDLY FOLLOW. When My children's knees are bloodied from prayer, THEN WILL THEIR EYES BE OPENED.

As more and more CHAOS REIGNS in the streets of the cities, SOME of My children WILL RISE UP AND SHOUT THE GOOD NEWS!! MANY, however, WILL STAY SILENT -- **FEARING** what may happen to themselves.

I SAY -- IF I ABIDE IN YOU, THEN YOU SHOULD HAVE **NO FEAR!**

As the three Hebrew boys **WOULD NOT BOW** to the statue of Nebuchadnezzar -- **THEY HAD NO FEAR** -- THEY KNEW I WAS WITH THEM!!

**THEY WERE READY** AND WALKED WITH **GREAT FAITH** INTO THE FURNACE!

**YOU TOO, MY CHILDREN, MUST LEARN TO WALK IN GREAT FAITH!! FAITH COMES FROM KNOWING MY WORD!!**

My son, I HAVE NOT REVEALED TO YOU WHAT WILL COME AFTER THE **TWO WEEKS TO PREPARE** -- THAT HAS BEEN GIVEN TO **ANOTHER WATCHMAN TO SHARE**.

There is coming a day when the VOICES WILL FALL SILENT. If My children have HEEDED the warnings I have SHOUTED and SOUGHT ME daily in prayer, **THEY WILL KNOW MY VOICE** -- I WILL LEAD AND GUIDE THEM.

My REMNANT WHO HAVE BEEN MARKED WILL LEAD MANY TO AREAS OF SAFETY THAT HAVE ALL BEEN PREPARED.

My son, I ASK MY CHILDREN --- **ARE YOU READY --- TO WALK AS THOSE BEFORE YOU HAVE??**

I say MANY WILL PERISH in the coming days as KEY EVENTS UNFOLD and drive those in power UNDERGROUND.

**DO NOT LOOK FOR YOUR KING TO SAVE YOU!!**

NO MATTER HOW MANY LAWS HE SIGNS -- **HE CANNOT STOP THE JUDGMENTS** COMING ON THIS VILE NATION.

THERE IS NO PLACE TO HIDE!! NO WAY TO PRAY THEM AWAY!! THEY ARE SET AND IN MOTION NOW!!

**HAVE YOU PREPARED???**

**ARE YOU READY???**

REPENT NOW! Turn from your evil ways and loose lifestyle and COME TO ME. I will forgive you and set your feet on a SOLID ROCK.

REPENT NOW from your callousness and dig into My Word! MY WORD IS THE ONLY TRUTH!! TRUST NO MAN OR MAN'S WORDS UNLESS THEY CAN BE FOUND IN MY WORD!

**ARE YOU READY???**

**THERE ARE ONLY TWO WEEKS LEFT TO PREPARE IN EARNEST --- THEN ALL WILL KNOW WHY!!!**

**WILL YOU HEAR MY VOICE???**

**REPENT NOW!!** Amen.

## **DO NOT BE AFRAID**

**Big bomb explosion with shrapnel and fireball in city, destroyed ruined buildings and concrete, war destruction conceptual illustration isolated on white background.**

Brothers and Sisters,

In regards to past verbiage (please see my other posts, especially the [“Brace yourself. Be prepared.”](#) dreams for full awareness of what I am referring to later in this letter), I understand the frustration when you keep reading these warning messages that I feel are from the Lord, and do not state how to prepare and what to prepare for so you can be ready. I can only share with you what the Lord reveals and when He allows me to reveal it. Today, He has indeed allowed me to reveal more insight that I will share with you now. Please be patient, as this letter is lengthy. I will first share what the Lord has shown me, what I feel be His word, and what my understanding is. Afterwards, I will tell you what the Lord has revealed to me in regards to preparedness. As always, seek Jesus for confirmation and what you feel (through God’s grace) your family should do to prepare, for the Lord’s work is ever changing. The last thing I want is for you to be frustrated and doubtful when we should all be focusing on Him and His faithfulness.

8/24/20 at 2:14 PM

The Lord gave me a vision that felt almost like watching a cinema while I was worshipping and praying:

The scene was of a large city, and citizens were going about their day as if all was well in the world. Without warning, missiles came out of nowhere and began destroying all that resided there. Panic struck the people as they attempted to flee, but there was nowhere to run to. Cars caught on fire, planes crashed down, and the business towers fell one by one (like a domino effect). Ash filled the skies- big chunks of ash that were still lit as if a blizzard of ash hit the city. So much chaos and destruction, fear and death consumed everything and everyone. My main character was a girl who looked to be in her early 20’s with dark brown hair pulled back in a ponytail, light skin, no make-up on nor fancy clothes (while everyone else wore business attire and were glammed up) and she seemed confused by what was going on, as others understood

their sin is what caused this destruction from disobeying the Lord. The girl realized that all her friends and family had been crushed \*literally by the city's destruction and her life as she knew it was over. Then she got a spark of determination and faith setting in her mind, as she sought a trail that led up a mountain. This trail was muddy with desert-like landscape. As she finally reached the top of the mountain, she looked down at her precious city and began crying as her heart broke for her people and her home. At this point, her clothes were torn, she was covered in mud, ash and blood. Her hair went from a pony tale to muddy/greasy waves that were shoulder length now, and she began thinking where she would go and what would happen to her. She then noticed behind her a vast cross where it seemed Jesus was just crucified right before she got to the peak, and she realized how upset God was that man had sinned so vastly. The clouds got really dark, and lightning struck everywhere. The girl was now on her knees in front of Jesus as he still hung on the cross, and she began crying even harder for God and Jesus, and her heart truly wept for the crucifixion. As she stood up and faced the sky, she saw Jesus' blood pouring all over himself and the cross. In awe, she witnessed the blood begin turning into water as it poured over her like a waterfall and cleansed her of her filth. The water also purified her heart as her level of faith was at the utmost high and she was filled with the Holy Spirit. Her smile was so big, her eyes were closed as the water hit her face and she raised her hands to the sky and worshipped the Sovereign Lord with all her heart- no longer worrying about what was happening around her.

Word from the Lord on this vision:

"Fires, missiles, hurricanes, thunderstorms that spread ash- it is time. Climb to the mountain where the lamb lain. There you will find sanctuary, for His blood will wash away the sins of this world. Those who don't repent won't be so lucky. For the world will fall as the lamb did, so seek redemption before the hour is too late. I say to you, fix your eyes on me only, as I have already paid the ultimate price for your salvation. Do not be afraid for the upcoming destruction that awaits Earth, for your eternal salvation rests behind the purity of Heaven's doors."

What I believe the summary of this vision and word mean:

Place yourself above the sinners of this world. Many, not all, Christ followers do not fully allow Jesus to take your burdens and trust that He is in charge and will protect you in all aspects of your life. There will be devastation and destruction around us, and we must place ourselves higher than the chaos and allow the Lord to fill us with His Holy Spirit instead of dwell on the desolation of this world. Bad things will happen, as a great shaking awaits. But when we fixate on Jesus to discern what is right for each of us to prepare and seek His glory, we will receive protection and salvation. We will be tested and tempted more than ever before during this time, as I understand Him explaining. He basically says to pray through it all and hold on tight to your faith in Him; do not allow the shaking to shake you out of your faith. Only some people need to hear this message, as it is not for everyone.

8/25/20 at 12:01 PM

The Lord gave me another vision, this time it seemed almost like I was in a video game atmosphere:

It was as if my “player” was being shown the challenge first and foremost. There were mountains all around me with a jungle type atmosphere. The only paths available were right off a cliff’s edge. There were two old rickety old bridges that looked as if they would fall apart, held only by rope and wood. The bridges led to a raised platform, but the left path would not allow you to pass and was deemed the road to sudden death. My “player” began walking down the path on the right. Of course it was very challenging and the bridge kept shaking, wood planks would break down and fall into the pit below, rope would tear and I eventually ran to the platform in fear of the bridge breaking. The bridge eventually broke behind me in the middle of its length. Thankfully, I made it successfully to the revolving door. This door was a regular brown wooden bedroom looking door, but I knew if I opened it, all would be well and I would be transported to a better place. When I got on the platform, the door began revolving and I was unable to open it. Once I prayed and was fully “leveled up” in the Lord’s spirit did the door finally stop revolving and opened. A bright white light was all I saw upon opening the door and I entered.

Word from the Lord on this vision:

“Fix your eyes on me, for my way is the only righteous path to Heaven. Many of you will come to a crossroads where the paths may look similar, but only one path leads to my door. Heed this vision as a warning. Though you may find your path to my door, you must truly be prepared to accept the Holy Spirit and be filled with my cleansing nature so that I may stop the door from revolving and instead open. Ready the purity in your heart and come to me on your knees as obedient children, and you will not be led astray for I will be with you always.”

What I believe the summary of this vision and word mean:

Believing in the Lord without hesitation, even through these upcoming trials and tribulations. He will keep you safe no matter how harsh the conditions become, and through prayer ask for the knowledge of how to prepare for the upcoming trials and which path to take. No matter how hard the righteous path is, continue trusting the Lord. For this is not out of fear, but to warn His people to be ready for the attacks of the dark one. We will see some great shaking and may doubt how trustworthy our paths are, but the Lord is with us every step of the way. Do not allow fear and doubt to set in, as that leaves a foothold to the darkness. Stay the course of the Lord and no matter how bad it gets, you will be protected by His grace.

8/25/20 at 7:25 PM

The Lord filled me with another vision:

A light began to show, and enlarged to the point where I understood the light to be the sun. I started to see the sun’s flames as the light filled my entire vision. Then I saw a figure of a person walking through it towards me, enlarging with time as the sun did. The figure became so

close I saw it eye to eye and knew it was Jesus. He then walked over to a large magnifying glass on the clouds above, and then I was given a bird's eye view to illustrate that Jesus was looking through the glass down towards His people on Earth.

Word from the Lord on this vision:

"As the sun shines each day, let this be a reminder to you that the Lord always watches. For I, the Sovereign King, see everything on Earth always. I venture through the light, which fills me (regenerates me) as I accept the darkness for you. This I do for you out of love to allow (human) repentance so you may walk in the light alongside me, and not be locked in eternal damnation. Be ready for the darkness, as its prince broods in the night. Do not be afraid, for your righteous King reigns above all."

What I believe the summary of this vision and word mean:

This is more confirmation to me that the Lord will protect us (His followers), and that all we can do on our part is trust in Him and prepare the way He tells each of us to for our unique family situations. He will take care of the rest, for He is always watching and loves us greatly.

End summary and preparedness list:

Pray for people to wake up and seek the truth of Jesus. Pray for those who are already struggling, may they stay faithful and prosper in the Holy Spirit. Pray that we are able to reach as many souls for Chrst's glory and do NOT be afraid for He is always with us. He is the God of promises, and you must fill your heart and be prepared for what's to come, always remembering to trust Him with everything you are. A lot of changes will be coming to America, so you must be ready and faithful for when your heart breaks at what happens next. Joy will also be seen, depending on your perspective, so please do not feel the Lord is giving only doom and gloom. He loves us and wants what is best for us, and is at work on a bigger picture that many don't quite understand.

Not one person is going to have the exact same preparedness list or situation, as every family is unique in their demographics and what they have/need, and what they will have to endure in their community. This is what the Lord uniquely told me and my family to prepare for:

\*\*Please note that for my family, I was told to prepare for a hybrid situation. That means we will have to hunker down in our house for a length of time until we reach a duration of having to leave our home eventually. Again, not everyone will experience the same impact. You must pray the Lord shows you what you need.

There was a famine unlike any other in my community, so first and foremost we needed a good amount of stored water and food sources. Also needed extra can openers when one would break. Riots were burning down and looting all stores. Any food or water that was found in your house by the "militia" were taken away for them to give out rations as needed- which was not

enough at all. Same with any paper products or other “luxuries”. Diapers, pullups, sanitary napkins, wet wipes, paper towels, toilet paper, etc. were all out of stock.

The electricity grid and water lines were out, so no way to store refrigerated/freezer items, no news to see what was going on around us or radio, no way to have light or heat, to have access to wood for fireplaces and no way to start fires (matches, lighters- could have used candles and solar lights). No GPS, no phone service. Needed a map and other forms of communication with family and friends. No gas to pump into the car, so we definitely needed excess tanks filled. We needed a form of how to cook our food and tools needed to cut branches and trees for firewood. Even if your electronics didn’t work, the militia would still have a way to trace you if you had a device on you.

Shouldn’t have worn logos, as authorities would assault us if we stood out and seemed as though we were expressing rebellion.

Masks were a must. If you went ANYWHERE without one, you would be arrested. (I live in California, so that makes sense in case you all were wondering..)

Needed a supply of clothes, bedding, shelter \*warm and durable enough for the winter rainy/snowy season. To be used on the go when we hit our hybrid situation.

Emergency go-bags that contained medications (as access to medications and survival items began crumbling), survival must haves/tools, self-defense mechanisms, heirloom seeds in case it became a permanent move with no access to food, books that explained what to do in these situations for a refresher, etc.

Our money in our accounts were gone- for the dictatorship to utilize only. Wish I had cash, yet then again everything that was available for purchase- if anything- you had to have a chip in your right hand or forehead to buy. Instead, I felt the Lord show me I needed bartering items available for trade.

As we passed through other states, we needed to have legitimate documentation of citizenship before passing. Otherwise without it, people were taken into custody and interrogated immediately.

Could have used a first aid kit and some type of healing remedy to assist with battling colds and flus, among other ailments and “battle wounds”.

Books were banned, same with other non-essential items. Even coffee and alcohol was banned and deemed non-essential.

Anointing oil would have been nice to ward off anything not of the Lord.

“Traitorous” houses that fought back and sought the Lord in front of the militia or neighbors would be burned to the ground for control. This was worse in bigger cities of course.

Guns and other weapons were illegal and taken away, completely banned.

There was no book of rights, for this was a social dictatorship. No president in sight, so we had to sneak around if we were out in public for being out of your home was illegal.

All memories were gone, and I remember wishing I brought certain pictures along so I at least had something to remember the “good old days” by and could remember to remain in the feeling of “blessed by the Lord’s grace”.

Since bibles, churches and any pastoral or prophetic words- including prayer- was banned, I had to sneak my bible and pray silently away from others.

The roads were flooded with people trying to escape at one point and many were stuck on the road, and so they decided to flee on foot before getting shot up or taken to FEMA camps for rebelling.

There was no reaction time, as this situation had no warning and it came quick. I know I have to have multiple plans for the different variations these scenarios may play out.

There was no safe house available, and I was split from my family with no way to communicate to them where I was. Needed to have a “safe haven” plan.

I wasn’t filled up in prayer with the Holy Spirit, and instead was fearing everything I saw happening around me.

\*\*Another note, please remember I am not trying to fear monger and am not a licensed survivalist or anything like that. I am also not saying everyone will go through this. I am simply explaining what the Lord had shown me and told me to write down and prepare upon for my family.

Scripture to remember:

2 Corinthians 13

Malachi 3:16 & 4

Matthew 4

Amos 8 & 9

Jonah 2-4

I hope this message found you well. I pray for you all during this time of uncertainty and may the Lord show you if you need to prepare anything for your family or to just be in Him.

God Bless, Amanda White

**HARVEST TIME,** Byron Searle, 08/30/2020

Joel 3:13-14

13 Put you in the sickle, for the harvest is ripe: come, get you down; for the press is full, the fats overflow; for their wickedness is great.

14 Multitudes, multitudes in the valley of decision: for the day of the Lord is near in the valley of decision.

My son, **THE TIME HAS COME TO GATHER THE HARVEST!**

**THE FIELDS ARE WHITE, AND THE DAY OF THE LORD HAS COME.** Many souls wait to hear the good news. Many souls will give Me their hearts.

**THE SEVEN-WEEK PERIOD TO PREPARE IS OVER.**

**NOW WILL BEGIN A TIME OF REPENTANCE.**

THOSE WHO HAVE HEARD THE WORD AND PREPARED THEIR HEARTS WILL BE **READY TO STEP INTO A NEWNESS OF LIFE -- NEVER KNOWN!**

THOSE WHO HAVE MOCKED AND NOT PREPARED **WILL STEP INTO A TIME OF GREAT TESTING.**

My son, many will come to Me during this **TIME OF TESTING AS THEIR EYES WILL BE OPENED.** Those who still **REFUSE TO BELIEVE WILL BE TAKEN CAPTIVE,** and even then they will only curse Me.

**MUCH DEATH WILL OCCUR DURING THE TESTING** --- the DEATH OF PRIDE, ARROGANCE, AND HATRED, THE DEATH OF MONEY, THE NATION, AND SELF. Man will not recognize humanity -- instead turning into a beast.

My son, the **TIME FOR SHOUTING THE WARNINGS IS OVER.**

Now is the time for man to realize that **I AM IS IN CONTROL** -- NOT MAN!!

I AM GOING TO START SHAKING THIS WORLD AS IT HAS NEVER SHAKEN BEFORE. It will feel as though you are **WALKING THROUGH QUICKSAND** -- moving, but only going down.

**I WILL APPOINT MY REMNANT TO REACH THOSE I HAVE CHOSEN** -- for narrow is the way and FEW go in. MANY people are on the broad way that leads only to destruction.

**THOSE WHO I HAVE SEALED WILL NOW RISE UP AND TAKE THEIR PLACES AMONG THE STARS!!**

**THEY WILL WALK AS WARRIORS OF MY JUSTICE AND BOW TO NO ONE BUT ME!!**

**THEY WILL WALK IN GREAT POWER AND STRENGTH** -- DECLARING MY WORD AND PREACHING SALVATION!!

**THE TIME HAS NOW COME TO STAY ON YOUR KNEES IN PRAYER** -- for satan has now been cast to the Earth to await his destruction.

My son, tell My Remnant **NOT TO GIVE IN TO THE PRESSURES** exerted on them or their families. Satan knows who I have marked and sends his best to torment you.

**STAND STRONG, MY REMNANT!!! YOU HAVE MY ARMOR TO PROTECT YOU!!**

**MY ARMOR IS ME!!!**

**I AM THE BELT OF TRUTH!!,**

**I AM THE BREASTPLATE OF RIGHTEOUSNESS!!**

**I AM THE COVERING THAT SHODS YOUR FEET!!**

**I AM THE SHIELD OF FAITH!!**

**I AM THE HELMET OF SALVATION!!**

**I AM THE SWORD -- THE WORD OF THE LIVING GOD!!**

YOU, MY CHILDREN, **MUST PUT ME ON DAILY** -- IN ORDER TO SURVIVE THE COMING DAYS!!

My son, I love all My children, but IF YOU HAVE NOT PREPARED YOUR HEARTS for the coming days, YOUR blood is on YOUR hands -- for My watchmen and prophets have declared unto you My warnings, and YOU HAVE CHOSEN TO IGNORE THEM!

I know those whom the Father has given to Me, and NOTHING can remove you from my hand. ONLY YOU can choose to leave My hand!

I love you and will see you all very soon! **TRAINING DAY IS NEAR!!**,  
Amen.

## **Beware! The Elements of Nature are Rising up!**

**CRYPTIC1**, AUGUST 30, 2020

This message was given 8.25.20 and 8.27.20.

Daughter the end is near. My people are fearful of what is coming. Tremor shook the land. Tremor will shake the land once again. Earthquakes, tsunamis, majestic displays in the cosmos akin to the Aurora Borealis. Heavenly projectiles thrust to the earth below. Signs and wonders will abound in that day. Mountains will move from their foundations. The seas will roar to and fro with unprecedented power and might. Volcanoes will explode in fury, unleashing magma – churning, burning, living static energy soon to be released upon the earth and to its' inhabitants. Celestial bodies will tumble from their place in the heavenlies and be thrust from their foundations as well. Falling stars, falling meteors, comets and the like will rain down from the skies. Meteor showers will pan across the sky in a fiery light show. Celestial beings too will enter your atmosphere – these who fell from their first estate.

The Mark. The Beast. The changing of the guard is about to begin. Good will appear as evil, black as white. The lines are blurred and still My children sleep. But I shall awaken them soon, very soon – for there is much work that needs to be

done to bring in the lost souls on their way to perdition. The Antichrist who stands in opposition to everything I AM. Sorcerers, demons, witches, warlocks. You will see these entities returning to the earth soon. Many have given themselves over to the wicked one – the son of Satan himself. I speak of the man of perdition who will soon rise in power and great authority – greater than any authority in your earthly realm. He will bedazzle the masses, charming them into his grip and they will become his slaves for all eternity. DO NOT TAKE THE MARK NOR THE VACCINE. BOTH OF THESE ENTRAPMENTS WILL ALTER YOUR HUMANITY AND DENY YOUR RIGHT TO ETERNAL SALVATION. REMEMBER THIS. SALVATION ALONE IS FOR MANKIND AND ONCE YOU TAKE OF THE MARK OR THE VACCINE – YOU ARE DOOMED AND LOST TO ME FOREVER – FOR ETERNITY.

I AM THAT I AM THAT I AM. I WAS. I AM.

What will be will be. The destruction of your planet is begun. Cracks in the earth, magma rising, temperature fluctuations and more. Disruption of weather patterns, satellites falling. Earth's inner chamber, inner core releasing waves of energy breaking earth's crust, tectonic plates shifting, unleveling. Midnight skies blacker than black will envelop the earth soon. I have already told My people of the darkness to come that will encapsulate the planet. It will cover the world – enveloping it in a darkness like never before.

Winds howling, high rates of speed, breaking, twisting – total destruction where it passes. Extreme weather patterns, changes in temperatures will shift from heat to cold expanding. Hail, thunderstorms, lightning from the sky will do substantial damage to man and beast. Beware the elements of nature are rising up for the annihilation of the world is near! Torrential rains, flooding – you will have to seek higher ground in some cases.

Emergency situations will become commonplace as people search for places to hide from the onslaught of My judgments upon the earth. Foolish souls. Seek Me and you will live. I speak in terms of eternity – for many will have to take up their cross for My name's sake. Many will die by persecution and be martyred for My sake. But behold a heavenly reward awaits those who give up their lives for My sake and for those who persevere to the end.

The oceans will roar and cover the land, seeping into the cities and coastal areas. Nothing will be spared as My judgments are poured forth upon this sinful generation – the generation that will see the return of the Messiah Yeshua.

Be ready oh mighty saints to walk in exploits unheard of! The world will step back in awe and wonder at the miracles that will be unleashed through My church. Return to Me oh saints of the Most High! Return to your first love!

The storm clouds are gathering and evil is rearing its' ugly head. You have witnessed but the beginning of the takedown of your nation America. Soon destruction comes at your door.

### **17 Facts That Prove the U.S. Economy Is A Complete and Total Disaster Zone at This Point**

August 25, 2020 by Michael Snyder

If you know people that actually believe that the U.S. economy is moving in a positive direction, just show them this article. In all the years that I have been writing about the economy, I have never seen anything that even comes close to what we are experiencing now. More than 100,000 businesses have permanently failed, and tens of millions of Americans have lost their jobs. If you still have a good job you should cling to it with all of your might, because there are so many families that have no idea how they are going to pay the bills next month, or the month after that, or that month after that. When it gets to the point where you can't even pay the rent or the mortgage, financial worries can absolutely consume your life. If you have been there, you know exactly what I am talking about. And if you have children, that just makes things even worse. How do you explain to them that "home" is no longer "home"?

Another group of people that I feel really badly for are all the business owners that have had their dreams absolutely shattered. Starting a small business from nothing and building it into a success takes a massive amount of work, and I have a tremendous amount of respect for anyone that is able to do that.

Unfortunately, so many once thriving small businesses have now been destroyed by the events of 2020. For a lot of those small business owners, it isn't just time and energy that have been lost. When you make your small business your passion, it becomes a part of who you are, and a lot of small business owners will never be the same again after this.

So please keep in mind that there are real people and real dreams behind each of the numbers that I am about to share with you. The following are 17 facts that prove the U.S. economy is a complete and total disaster zone at this point...

**#1** According to the San Francisco Chamber of Commerce, more than half of all the storefronts in the entire city of San Francisco are no longer in business.

**#2** Just a few hours ago, New York City reported that it had an unemployment rate of almost 20 percent during the month of July.

**#3** Speaking of New York, 83 percent of all restaurants in the city were unable to pay their full rent last month.

**#4** In 2020, the state of Louisiana has lost twice as many jobs as it did after Hurricane Katrina. By the way, many are concerned that Hurricane Laura could soon become a similar monster storm.

**#5** In the state of South Carolina, an eye-popping 52 percent of all renters "are at risk of eviction".

**#6** Americans now owe more than 21 billion dollars in unpaid rent.

**#7** Overall, 27 percent of all Americans did not make their rent or mortgage payment last month.

**#8** According to the Mortgage Bankers Association, the delinquency rate on residential mortgages increased by 386 basis points last quarter. That was the most rapid rise that we have ever seen by a very wide margin.

**#9** U.S. bankruptcies are already at their highest level in 10 years and they are expected to surge dramatically as we approach the end of this calendar year.

**#10** For companies with more than 1 billion dollars in assets, it is being projected that there will be a record number of bankruptcies in 2020.

**#11** World trade plunged to the "lowest levels on record" during the month of June.

**#12** The percentage of hotel mortgages that are 30 or more days delinquent soared to a whopping 23.4 percent last month.

**#13** American Airlines just announced that they will be eliminating 19,000 jobs next month.

**#14** 31 percent of U.S. workers that were brought back to work after being laid off during the early stages of this pandemic have been laid off a second time, and another 26 percent have been told that layoffs may be coming soon.

**#15** According to one recent survey, about half of all U.S. workers that have been laid off during this pandemic believe that their jobs losses are permanent.

**#16** The IRS is projecting that it will receive 37 million fewer W-2 forms for this year than originally anticipated.

**#17** Over the last 22 weeks, more than 57 million Americans have filed new claims for unemployment benefits. In all of U.S. history, we have never seen anything that is even worth comparing to this.

Many of the numbers in that list are so catastrophic that it is difficult to believe that they are actually true.

What we experienced back in 2008 and 2009 was a “deep recession”, but what we are experiencing now is so much worse.

And at this point even the mainstream media is admitting that this new downturn will be with us for a long time. For example, the following comes from a CNN article entitled “We’ll be stuck in this economic slump for years, economists say”... *America remains in a deep downturn and is running a serious risk of a worsening recession that will last at least another year, economists warned Monday.*

*About half of the National Association of Business Economics members expect US gross domestic product — the broadest measure of the economy — won’t return to its pre-pandemic level until 2022. A majority of those experts also say the US job market will be back to its February level in 2022 at the earliest.*

Unfortunately, those projections are actually way too optimistic. Industry after industry is in the process of unraveling, major economic bubbles are bursting all around us, and the economic pain that is on the horizon is going to dwarf what we are going through at this moment.

# Millions of Acres of Crops in The Central U.S. Have Been Destroyed by A Series of Historic Natural Disasters

August 12, 2020 by Michael Snyder

While the mainstream media focuses on the upcoming election, COVID-19 and the endless protests going on in our major cities, another great tragedy is unfolding all across the middle of the country. A nightmarish drought, horrific flooding along the Mississippi River and a giant “derecho” that just hit the farm belt have combined to make this one of the toughest years for farmers ever. And this comes at a particularly bad time, because the stress that the COVID-19 pandemic has put on food distribution systems has already created periodic shortages of certain items around the nation. We definitely could have used an uneventful growing season this year, and unfortunately, we didn’t get it.

On Monday, an absolutely massive “derecho” roared through the Midwest. According to USA Today, the storm had winds of up to 112 miles per hour...

*The storm had winds of up to 112 mph near Cedar Rapids, Iowa – as powerful as an inland hurricane – as it tore from eastern Nebraska across Iowa and parts of Wisconsin, Indiana and Illinois, including Chicago and its suburbs.*

Most hurricanes don’t have winds that high once they finally reach shore, and I have personally never experienced wind speeds of such magnitude.

Needless to say, this very unusual storm caused immense devastation. According to Iowa Governor Kim Reynolds, approximately 10 million acres of crops were destroyed in Iowa alone...

*Early estimates say the derecho flattened at least one-third of Iowa’s crops – about 10 million acres, according to Iowa Gov. Kim Reynolds. In addition, tens of millions of bushels of grain that were stored at co-ops and on farms were damaged or destroyed as bins blew away.*

*And it rocked Marshalltown, Iowa, where an EF-3 tornado destroyed the town's business district just two years ago. With winds of 99 mph, Monday's storm damaged some businesses that had recently recovered, even damaging the scaffolding being used to repair the historic courthouse dome.*

I can't remember a storm ever causing this much damage in the middle of the summer. If about 10 million acres were flattened just in Iowa, how many more acres did this storm destroy in Nebraska, Wisconsin, Indiana and Illinois?

Sadly, this one storm is going to completely financially ruin some farmers. For example, Iowa farmer Tim Bardole is facing losses that could potentially exceed one million dollars...

*Corn that used to stand upright on Bardole's farm is now laying on its side. Some stalks snapped off, others ripped out of the ground at the roots.*

*Bardole estimated he'll be out \$200 an acre, which is \$500,000 total.*

*Worst-case scenario, that could go up to \$500 per acre. That would equate to \$1.25 million.*

How would you feel if you lost a million dollars because of one storm? Further south, many farmers along the southern Mississippi Delta have already had their growing seasons wiped out by historic flooding for the second year in a row...

*The southern Mississippi Delta is home to some of the most fertile farmland in the United States. But not a single crop of soybeans, cotton, corn, or rice has been planted at many farms in the region — one of the poorest in the country.*

This wasn't supposed to happen. The flooding of 2019 was a complete and utter nightmare, and this was the year when the recovery was supposed to begin. But instead, "hundreds of thousands of acres" are currently entirely buried by water...

*For the second year in a row, widespread flooding has left hundreds of thousands of acres of farmland underwater, ruining entire harvests. And now,*

*with their fields submerged, farmers are bracing for another year of no income.*

Meanwhile, countless other farmers are having their growing seasons ruined by a crippling drought. I know that many of you are reading this article and are thinking that what I am saying sounds contradictory. After all, how can there be severe flooding and severe drought at the same time?

I know that this sounds very strange, but it is actually happening. We are witnessing severe flooding right along the Mississippi River, and at the same time historic drought conditions are creating massive problems across much of the western half of the nation.

In fact, we are being told that drought conditions in some areas have already become the worst "in almost a decade"...

*Drought conditions throughout the country are reaching their worst levels in almost a decade.*

*This summer, drought has hit large portions of the United States, especially slamming key pasture and ranges for ranchers. But crops are also seeing downward trends in quality thanks to the hot, dry weather.*

Things are particularly bad in the Southwest, and this is making life very difficult for many ranchers...

*The worst-hit section of the country, with the highest levels of drought, are in cattle country: West Texas, New Mexico, Oklahoma, Colorado, and Kansas. That's led to really damaged, dry topsoil and grazing land, which could force ranchers to invest in other feeding options for livestock. Only 36 percent of the country's pasture and range land is rated good or excellent; 30 percent is rated poor or very poor, reports Farm Futures.*

If you look at the latest U.S. Drought Monitor map, you will see that the drought is the worst in the areas where the original "Dust Bowl" developed back in the 1930s. Those that follow my work regularly know that I have been warning about a return of "the Dust Bowl" for many years, and now it is starting to happen.

2020 seems to be a year when the bad news never ends. First we were hit by the worst public health crisis in 100 years, then the U.S. economy collapsed, then massive riots erupted in our major cities, and now farms are being absolutely devastated all across the United States.

All throughout 2019 I warned that a "perfect storm" was coming, and what we have experienced so far is just the leading edge of that storm.

So I would encourage you to use the relative tranquility of the month of August to get prepared for what is ahead, because the month of September is almost here, and the presidential election is right around the corner.

## **Much Worse Is Coming**

August 30, 2020 by Michael Snyder

It has been heartbreaking to watch what has been transpiring on the streets of America in recent months. Our founders intended for us to be united by a common set of values, but now our differences are literally tearing our nation to pieces. Americans are fighting other Americans in the streets, and that should make all of us incredibly sad. Does anyone out there actually believe that all of this violence will be resolved by the upcoming election? If anything, rising political tensions are likely to make the violence even worse, and if the result of the presidential election is contested by either side that could easily take things to an even higher level. We have entered such a dangerous chapter in American history, and I am extremely concerned about the months ahead.

In Portland, there have been nightly protests for more than three months straight. We have never seen anything like this before, and I really wish that the violence would have been put to an end long ago.

Because now people are dying. On Saturday, the death of a supporter of Patriot Prayer that had gone into Portland to counter the protesters made headlines all over the globe...

*The fatal shooting of a supporter of Patriot Prayer in Portland, Oregon, this weekend shone a spotlight on the right-wing group based in Washington state and its founder, Joey Gibson.*

*The name of the victim in Saturday's shooting was not immediately released. Portland police tried to determine Sunday whether the shooting was related*

*to clashes between Trump supporters going through the city in a caravan after a rally and Black Lives Matter protesters engaged in their own demonstration Saturday night.*

Of course, this comes on the heels of the deaths that we just witnessed in Kenosha, Wisconsin. And there will almost certainly be more needless deaths in the months ahead, because much worse civil unrest is coming.

Washington D.C. is likely to be a focal point for protesters as we approach election day in November. I still remember the days when I could roam the streets of Washington without any concern at all, but unfortunately those days are long gone.

Today, if you are a recognizable figure, you are a potential target. Just ask Rand Paul. What happened to him and his wife the other night was deeply alarming. And then on Saturday night authorities actually had to use rubber bullets and stun grenades because protesters were becoming so unruly...

*Chaos erupted outside the White House on Saturday following another night of Black Lives Matter protests that saw police clash with demonstrators, striking them with rubber bullets and detonating stun grenades, as they moved to clear out crowds.*

Sadly, this is just the beginning, because much worse is coming.

## **Such a Debt, who can Pay?**

**I am continuing to run this story, as this is a great witnessing story to use to lead someone to Jesus Christ. I believe this could be the study you will want to share with your unsaved friends and this story and the scriptures can let them know how much God loves them and wants to forgive them.**

While attending Bible College years ago I enjoyed reading stories I could use to share the Gospel and I would put them into a note book for later use. I found this story about Czar Nicolas the leader of Russia. It was such a good story of forgiveness that I have never forgot it.

So I asked my barber if he had ever heard of Czar Nicolas? He said no so I proceeded to share this story.

Czar Nicolas the king of Russia would from time to time travel to outposts in Russia disguised as someone else so he could see for himself what was going on in his country.

As he was making his tour late one night in this one particular outpost he was walking down the halls of this town hall kind of building and he noticed that the lights were still on in the office of the town treasurer.

Let me go back and explain what was going on in this office. The treasurer for this out post was misusing funds, He was losing money gambling and thinking his luck would turn back he kept digging a bigger hole that would eventually bury him. Then one day it was the day of reckoning. He received a notice that in a couple of days the bank examiners were coming to check the books and do an audit.

He knew he was in big trouble so on this same night that the Czar would be walking the halls of his office, he was up late counting money and figuring out how much trouble he was in. When he finished adding up the debt that he owed, he knew he was in too deep and there was no way out. His solution was he would take his life. He had his pistol on the table and when he finished adding up the debt he owed he wrote these words at the bottom of the balance sheet. **“Such a debt, who can pay?”**

He was overwhelmed with fatigue so he laid his head down on the desk and fell fast to sleep. While he was sleeping, this is when the Czar of Russia spotted the light on so late in the office of the Treasurer. The Czar saw the door was unlocked and he walked in. He sees the man sleeping, he sees the gun lying by his hand and he looks at the record book and realized this man had been stealing from his kingdom, a crime that would mean the death penalty and disgrace. Then at the bottom of the balance sheet the Czar spotted these words. **“Such a debt, who can pay?”** This is when the Czar picked up a pen and under the words, **“Such a debt, who can pay?”** the Czar signed his name and walked out the door.

Just before morning the treasurer woke up and realizing how long he had been asleep, he reached for his pistol to take his life and just before ending his life he looked down at the bottom of the balance sheet and saw the signature of Czar Nicolas. Finding this hard to believe he looked into his files for a document with the Czar’s signature and sure enough the Czar had been there that night and paid his debt. The next day men from the Treasury of Russia arrived with bags containing the missing money and his debt was paid in full.

**The Bible says that we will all stand before God and be judged from what has been written about us in the record books of our lives.** We all have been assigned guardian angels to watch over us and record every word, thought, good deeds and bad.

Just like that man in charge of the cash of his town in the story above, God has access of the record books of your life. We owe a debt that is **“Such a debt, who can pay?”** If you will call out to Jesus the one who died to pay for your debts. If you will ask Jesus to forgive your sins, Jesus will take his eraser and wipe out the sins that have been recorded in the record book of your life. Then at the bottom of the blank pages of your record book, Jesus will sign His name with these words. **“Paid in full by Jesus Christ.”**

**Below I have written out important scriptures for leading someone to Jesus and I have included the sinners prayer as a guideline for leading someone to Jesus.**

# Share God's Plan of Salvation

## 1. Admit you are a sinner and repent.

(Romans 3:10 NIV), "As it is written: There is no one righteous, not even one."  
(Romans 3:23 NIV), "For all have sinned and fall short of the glory of God."  
(Luke 5:32 NIV), "I have not come to call the righteous, but sinners to repentance"

## 2. Believe in the Lord Jesus Christ.

(John 3:16 NIV), "For God so loved the world that He gave his one and only Son, that whosoever believes in him shall not perish but have eternal life."

## 3. Confess or declare that Jesus is the Lord of your life.

(Romans 10:9 NIV), "That if you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you shall be saved."

## The Sinner's Prayer

If you would like God to forgive all your sins and make Jesus Christ the Lord of your life, then stop here and say this prayer to God. (Prayer is simply talking to God.)

**Dear Heavenly Father, I know I am a sinner. I believe Jesus Christ died on the cross for me. Please forgive me of all my sins. Jesus, please come into my heart and wash my sins away. Please be the Lord of my life and help me to live for you every day. I ask this in Jesus name. Amen.**

The Bible says when a sinner repents and makes Jesus his Lord, the angels in heaven rejoice. A word of warning is advised at this point. As we read in the story of the ten virgins, not all who call themselves Christians will make it to heaven. Knowing about Jesus and the plan of salvation is no guarantee of making it to heaven. When we arrive in heaven, the greatest surprise will be seeing people we did not think would make it. And just as surprising will be the absence of those we thought would be there. The Bible says Jesus knocks on the door of our hearts and wants to come in and live with us. The important thing to realize is God wants our hearts, not just our minds. Head knowledge about salvation does not save us, but sincerely allowing God to forgive and wash our sins away will allow God to give you a new heart. When your heart is changed, people will notice you have been changed and made into a new person in Christ. This is called being "Born Again."

## Instructions on How to Give to This Ministry

You can use the donation link on my site [www.tribulationtruth.com](http://www.tribulationtruth.com) that uses PayPal with your credit card, or mail your donation to **John Shorey, 178 Camino Embarcadero, Rio Rico, Arizona 85648, May God Bless You as you partner with my ministry.**

The food offers I have been sharing in my newsletters are no longer available. Augason Farms are working two shifts to rebuild their inventory.. The best way to order is to go online at [Augasonfarms.com](http://Augasonfarms.com) and only order the products they say they have in stock

I am also suggesting Ready Made Resources, I have dealt with them for years and they are reliable. Ask for Bob Griswold. 1-800-627-3809. I believe at last report their ship times are about two weeks.

Don't look to get food at just one location. There does not seem to be a run on rice and beans yet. I would suggest cans of beans, gravy, sauces you can use on rice and beans.

### **Special Burkey Type stainless steel Water filter Offer**

Augason special offer, this unit is about two feet high with the upper chamber holding about 1.5 gallons. Similar unit's retails for \$300.00 and this month is available for \$119.99. My wife has fallen in love with our unit, when she is making a large batch of ice tea, she has all the filtered water ready and waiting. Call Ethan. 801-869-8105

**A Solar Oven.** These ovens work in any climate. I used mine to cook a roast for stew today. You can bake bread or cook a full size turkey. Every time you use your solar oven, you are conserving other non-renewable fuels. I have acquired a few because you can cook for a large crowd if you have more than one. Sun Oven Company sells the full package with all supplies needed, including bread pans and pots and pans. You can order by calling 1-800-408-7919, if you use the discount code "Shorey" you can get a \$70.00 discount.
