

IT IS COMING – BRACE FOR IMPACT!

Cryptic1

10.1.20

I was at work and heard in the spirit **'it is coming'**.

I had been looking at the recent posts from the 444ProphecyNews site and could feel a sense of rising dread at what was coming, especially in the month of November. The message follows.

Be ready for it. Brace for impact. It is coming. From the skies. Look up for your redemption draws nigh. The sights and sounds of this incoming object will strike fear in the hearts of many. Many will drop from overwhelming fear as the earth has not witnessed this kind of destruction and devastation on such a massive scale as will be.

Protect your hearts for what is coming. Stay in My Word and immerse yourself in it. This will help prepare you for what is to come. I speak of an asteroid, a powerfully built interstellar cosmic creation designed for such a time as this. It will engulf the earth and be thrust with such force so as to damage cities - making inroads into the earth's crust with such force that lava will spew forth, earthquakes will crack under the strain and magma will erupt. The force of this megaton (an explosive force equivalent to that of one million tons of TNT) will destroy cities, oceans, buildings, structures and demolish a wide radius area wherever it lands. The aftermath will be horrific as people scramble to safety but there will be none. The only safe harbor will be found in Me children.

Land masses will separate, oceans will rise, seas will swell and from beneath the great waters a tsunami will rise up, churning, boiling and then erupting into a massive wave that will sweep inland for miles taking down trees, cars, buildings, anything that is not founded on Me.

I tell you in that day there will be much wailing and gnashing of teeth as many are led into the fiery pit where they will spend the rest of their eternity for not choosing Me. The hour is come children when many lives will be lost and still many refuse to repent and return to Me their first love. I AM THAT I AM. I AM WHO I AM. I WAS AND AM.

Destruction, destruction, destruction on such a scale as has never been seen before and never will again. This is but the beginning of the widespread destruction of the earth at its' very core. From above, waves of energy penetrate deep into the earth's surface creating fissures which

will split the earth in two. Transportation by vehicle will be difficult as the roads will rise up in some places and recede in others. I have told My children what is to come. Stay close to Me, stay in My Word where you will find Me children.

There is a day coming when many will wish they had been taken by the virus - but instead will have to live through the heat waves, the extremes of weather, the frost, the hail, the raging storms, the flooded lands, thunder and lightning falling from the heavens as My mighty arm is released to do vengeance upon the earth.

MANKIND HAS LONG FORGOTTEN WHO I AM IS AND IT IS TIME TO REMIND THEM I AM HERE. I SEE ALL, I KNOW ALL AND I WILL EXACT MY VENGEANCE UPON THIS FALLEN WORLD. Save for My people the world would undergo total destruction. But there is a remnant, there is a chosen people I call My own who worship Me from afar and one day they will reign with Me in My Kingdom.

I AM WHO AM. I WAS.

The hour of destruction is upon the earth. Her years are numbered. Many will wish they had repented before Me while there was time but time is no more. It is with a heavy hand and a heavy heart that I allow My Destroyer to destabilize your planet. This is My weapon since the beginning of the ages. I have hidden it for a time and a season and am now ready to release it upon your world.

Repent! Repent I say - for your lives will be required of you in that day and many are not ready to come home to Me. Instead they will go to their father the evil one and he will have them for eternity. Come children come close! I will return soon upon the clouds, but you must stand firm on the foundation which is Me the rock of Ages! I alone can save you from the coming destruction and devastation and calamity that will befall you - especially America who will suffer the brunt of the destruction for her sins. She has played the harlot and has flaunted her wealth, her superiority, her absolute disregard for Me her Creator. The world will watch as she falls from grace and in one day, in one hour she shall be no more.

I come soon children upon the clouds of glory

Amen Amen Amen

Let it be so

Your Savior Lord and King

I AM THAT I AM

The following is an excerpt from 'Will a False Flag Asteroid Attack be Staged to Delay the 2020 Presidential Election?' by Dr Michael Salla 8.31.20 posted in Deep State, Featured, US Politics that explains how much force (megatons) an asteroid carries.

"...An asteroid similar in size to that envisaged earlier back in November 2016, would hit with a destructive force ranging from 100 to 800 megatons.

It's worth noting that the largest hydrogen bomb test in history, the 1961 Tsar Bomba, had a destructive force of 50 megatons. Clearly, if an asteroid were to hit the continental U.S. or just off the Pacific Coast with anywhere near an 800 megaton destructive yield, an entire region would be devastated with an extremely high death toll."

On 10.2.20 I heard the Holy Spirit say '**get it out! get it out!** (meaning this message) Below is more from the Holy Spirit.

I speak to My church. Be ready! Brace! Brace! Brace for impact! It is coming in no uncertain terms! Be ready to receive Me! Man your stations! The Destroyer approaches to do the work of He who sits upon the throne. The Day of the Lord is near – nearer than you realize! Be ready at all costs to meet Me! Do not wait another minute or hour. No one knows when the hour of destruction comes but I tell you it will be soon and it will be swift! Arise sheep! Arise from your sleepy slumber! A harvest of souls is ready to be plucked from the earth and I require all hands on deck! Many are chosen but few are called! Follow Me to the ends of the earth! A crown awaits those who persevere to the end!

I am coming soon children!

Be ready to receive Me!

Your Savior and Lord

Luke 21:26-28 ²⁶ men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken. ²⁷ Then they will see the Son of Man coming in a cloud with power and great glory. ²⁸ Now when these things begin to happen, look up and lift up your heads, because your redemption draws near."

Rev 8:8 *Then the second angel sounded: And something like a great mountain burning with fire was thrown into the sea, and a third of the sea became blood.*

Jeremiah 4:7 *7 The lion has come up from his thicket, and the destroyer of nations is on his way. He has gone forth from his place to make your land desolate. Your cities will be laid waste, without inhabitant.*
