WHEN YOU SENSE SOMETHING IN YOUR
SPIRIT, COME TO ME FOR CONFIRMATION

Several days before September 11th I started getting feelings that something would happen on 9/11. We all remember when the evil ones killed over 3000 people when they destroyed the twin towers in New York City, on September 11, 2001. Lies on top of lies are still being told about it. Anyway, I kept thinking about it, and then 9/11 came and went, and nothing happened that I knew of. After thinking about it, I finally asked the Lord what really happened. After praying, I was quiet and listened carefully in my spirit for the Lord to answer. Then I heard, Come to ME for the TRUTH. You were feeling strongly in your spirit that something terrible would happen on September 11, 2020. Something awful was planned by the enemy on that day. My judgments are coming, but they are according to MY WILL and TIMING, not satans. he is accelerating his evil antics as many as he can, and as fast as he can, because he knows his time is very short. That's why he is accelerating his evil plans to begin the annihilation of the human race because they are made in My Image. So when evil things start happening, it is because I allow it, and it's in accordance with My Will and Timing only. Most of what you feel in your spirit is from Me. Because you are one with Me. From now on, everything that comes to you in your spirit, immediately come to Me for confirmation. You know, as you seek Me, you will find Me, and your answers will come. Now, be at Peace! Remember several days ago I told you to come to ME ONLY, for the truth, because I AM TRUTH. Yes, you do remember. What was planned for 9/11 will happen when I release it. Tonight you were reading in the book of Revelation and when you read Revelation chapter 8, verse 7, you were wondering if that verse was about asteroids hitting the earth and killing a third of the men on the earth, and I confirmed your thoughts and questions about this, and yes, it will happen sooner than you think. You know what to do, just do it! Come to Me, ask Me, I will help you to understand what is written in My Holy Word. Let My Spirit teach you, so that you may teach others. It's 7:40 am, go to sleep. I said, thank you Abba Father. After being awake all night, my shoulder calmed down and I quickly fell asleep.

I AM THE WAY, THE TRUTH AND THE LIFE,
YOUR HEAVENLY FATHER
