## Bring Salvation To The Lost While They Are Alive

The pressures and burdens of this life, you don't have to lift,  
Be satisfied and enjoy your life, for it is a gift.

Bury your face in My Heart, My faithful children, we will never be apart.  
Know beyond a shadow of a doubt how much I love you, but the wicked will be cast out

Waters are coming, waters will flow, abide in Me, and you won't have to go.  
Get right with Me, or you may lose your mind, are you listening, lost and lukewarm  
ones, for it is time.

Judgment is coming upon America, it will be severe,  
Seek Me now backslider, so you won't have to fear.  
Don't wait, repent now, for the time is near!

Much sorrow, famine and destruction will come upon this land,  
My children, call upon My Name and I will answer you, please take My hand!

I'm going to start judging America, and many will die.  
Because they won't repent and seek forgiveness from their Creator, who reigns on High!

You are mine, and I AM yours, I AM your only glimmer of hope,  
Without Me, soon, you won't be able to cope!

Seek Me now while My Light can be seen,  
because the enemy of your souls, is angry and mean.

For darkness comes swiftly to catch you off guard,  
And those who do not anchor themselves to Me, shall fall very hard.

All around them, My mercy awaits those who lag behind,  
Come quickly to My Throne of Grace and Mercy, while there is still time.

The days are numbered, the sirens penetrate your land,  
Can you not hear the warnings? For judgments are now coming, from My Own Hand!

We are all at different levels, God looks at our heart,  
Our willingness to serve Him and others, is a good place to start!

This life is not about ourselves, but doing the works of our Heavenly Father,  
We must seek Him with all our heart, and be a blessing to our sisters and brothers!

Do not boast in yourself, only boast in your Savior,  
Draw close to My Heart, I will bless you with favor!

The sacrifices of God are a broken spirit; a broken and contrite heart, Oh God, you will  
not despise, Please open our hearts, Oh God, not just our eyes!

Make Me yours and I will make you Mine, I will be with you until the end of time.

Everything in this world is changing, it will never be the same,  
When all else is gone, I still remain!

I AM working on your behalf, walk with Me, on the narrow path.

Children of Mine, rise up! There is work to be done,  
Be separated from this world, that We may become One!

Draw close to Yahushua in humility, do not boast,  
There is still much refining needed in me, and in most!

Very few are ready, and don't know where to start,  
Pray without ceasing, hide My Word in your heart!

I was so glad when you received the New Birth!  
As you follow Me, you will be, the salt of the earth!

You will be a great help to those in need,  
Share the Good News of Salvation with all, keep planting seed!

A nation without Me, will never survive,  
Pray, witness, bring salvation to the lost, while they are alive.

Pray for the lost, pray for your families, and all believers worldwide,  
We will walk together, I'll be by your side!

My Light will shine through you, you are My Chosen Ones,  
We will bring many to salvation, and then the end will come!

Yahushua, The Prince Of Peace, Your Soon Coming King!
