## One With Yahshua

I was thinking about what Sue said, that we are already One with Yahshua, and Yahshua is One with us. I was thanking Him and praising Him for that, I then heard concerning the future,  
We are not being torn,  
but being born,  
anew with our MessiahYahshua. Changes are coming in this natural, physical world, but you and Sue will be ready. You will be My hands and feet, as I send you to the hurting and helpless, to tell them about Me and My goodness and My salvation. You two will bring My healing to the sick and injured, because you two are One with My Heart and Soul, You will be like Me,  
when you are born and transformed,  
then you will warn  
others of things to come, and this time all will listen.  
You will warn,  
and comfort those who mourn,  
and many will turn back to Me. As the world rejects Me and blames Me, when their lives are being torn apart,  
don't let it break your heart,  
there is nothing you can do for them, they won't turn back to Me, I know all things, I will only send you to the ones you can reach,  
with My Gospel of Peace,  
and My forgiveness for each,  
of them. For now, draw close to Me, as close as you can, be One with My Heart,  
There is much you need to know,  
and much I need to show,  
that you will be strong against your foes,  
and prepare for the woes,  
I AM bringing against all those,  
who are evil, those who oppose,  
Me at every turn!  
These are the ones who will burn,  
you must be able to discern,  
the wicked from the good, for there is much you must learn.  
Come to Me now,  
and I will show you how,  
to be strong in Me, SELAH
