

Before going to bed on 10/31/20, I prayed and asked Father if he would let me know what is soon coming?

While asleep (early in the morning on 11/1/20) I heard very clearly:

“Asteroid”

and then a short pause, followed by:

“Asteroid Coming”

Hearing this woke me up.

I felt I should get up and write down what I heard, and I also felt that I should take note, and listen to what pops up on YouTube.

So, at 5:37 am I got up to write down what I heard the Holy Spirit say to me while asleep. While writing what I heard, I clearly recalled pastor Coverstone's dream

about a finger underlining November, 2020 on the calendar and then punching it with his fist, so hard the numbers on the calendar exploded off of the page! I am not certain as to how Pastor Coverstone's dream, regarding the November 2020 calendar, is related to what God spoke to me?

The 1st video to display on YouTube was from Sister Barbara. Her video was titled: **“KEEP YOUR LOVED ONES CLOSE TO YOU NOW, THE DESTROYERS HAND COMES ONCE MORE”**

This was a confirmation to me that what I heard was from God. I understand that one of the many names for the asteroid that will soon come to the earth

(God's Judgement: **The Day of the Lord**), is **the DESTROYER**.
