

Now is the hour of destruction of Babylon!

Cryptic1

smote – Past tense of the verb smite.

smite – Strike with a firm blow, a heavy blow or stroke with a weapon or the hand.

This word was given 11.27.20.

Babylon oh Babylon where art thou? I smote thee for the hour has come. You will feel the retribution of My anger as I denounce your nation before the world. All will look on aghast in horror at what will take place. This will be your undoing - all your mighty deeds and actions will unravel before your very eyes. I will bring down My arm of justice upon thee and there will be weeping and wailing in the streets. Such will be the loss that will be felt the world over – sending shockwaves from nation to nation and country to country. Your enemies will revel and rejoice at your downfall and make haste to bring you down even further. Such is their distaste for your arrogance and wealth beyond compare.

I have blessed you from amongst many nations but you have chosen to ignore Me – instead turning to the god of this world satan to serve. I turn away from you henceforth and remove My hand of protection that has been upon this nation. No more will you enjoy the perks and privileges of a mighty nation but you shall be reviled as the lowest nation among nations – a guttersnipe. You will become lower than a third world nation and those who have admired you will now look down upon you in pity and horror. The sins of this nation have reached the arm of justice and can be contained no more. The cries of the saints and the bloodshed of the martyrs call out for vengeance.

Now is the time. Now is the hour of destruction. Oh Babylon that you would be healed but you were not! That you cried out to Me but you did not. That you turned from the abomination of sin but did not. I will rise from My throne and turn My back to you whom I once loved and will give you over to your enemies who seek and plot to destroy you from within.

Oh Babylon that you were healed but you were not! My heart is heavy for once you were My shining jewel, My beacon of light shining in the darkness. But now no light shall emanate from you - save for My remnant all would be lost. I have prepared safe havens even amongst the destruction and fury that comes. Return to Me those who have not given themselves over to Me. I am your Savior and Lord and I call out to the lost sheep to return and turn from sin that is an abomination to Me.

I will return soon children upon the clouds

Look for Me

Lift your heads for your redemption draws nigh

Amen Amen I have spoken

I Am I Was

Your Lord and Savior Yeshua

He alone who Saves

Amen Amen Amen It is So

The message continues

Destruction cometh on mighty winds. Be prepared to see the swift sword of justice prevail over this once great, mighty nation. The hammer of justice and retribution will fall soon. Oh America that you were healed but you were not!
