

The Word is The Sword!

McKana, November 17, 2020

John 1:1, 14 (KJV)

1 In the beginning was the Word, and the Word was with God, and **the Word was God.**

14 And **the Word was made flesh, and dwelt among us,** (and we beheld his glory, the glory as of **the only begotten of the Father,**) full of grace and truth.

Ephesians 6:17 (KJV)

17 And take the helmet of salvation, and **the sword of the Spirit, which is the word of God:**

Hebrews 4:12 (KJV)

12 For **the word of God is** quick, and powerful, and **sharper than any twoedged sword,** piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

Since we have a lot to read, follow up and above all make the last preparations, I will make this message very short, to the point.

It was between mid-2014-2017. As I have mentioned here repeatedly, like most of us, I have been and still experience sever spiritual attack from the enemy. The enemy used anything possible to snare and destroy who he things is formidable to him, those of us close to the Lord. Due to this ceaseless attack, I pray as much as I can, rebuke the enemy in the name of the Lord. The attack continues in many hidden and open forms. I see all sorts of hideous evil things in my dreams and visions. Can you imagine a frightening frog(unclean spirit), the size of a room-from corner to corner, floor to roof staring at you from the back? That is one bad attack and experience I have gone through.

One way or the other, the Lord hears our prayers and answers them in His time.

The Sword!

In this vision I see a dark human like being coming downstairs for an attack. Few days later, I see a being in dark shabby cloth dressed like Napoleon coming from my back. I saw him through the mirror and returned back knowing that I saw him, the devil. Such were what was happening then.

In this remarkable night, in a vision, in a distance, in the house of a neighbor two blocks away, I see a being from his back, dresses like any human being. This time, what I see is a sword going through his body like a needle going through a cloth. The sword has penetrated him, all through this evil thing, going in out on the other side and returning back, again and again, piercing him, rapping him like a rope all around his body, incapacitating his arms disabling him, unable to move the slightest. Can a sword penetrate like a needle with a thread and wrap any one? That is what exactly happened.

My ceasless prayers answered-**The Word is the Sword.**

This testimony is for all of us to believe that the words of the Lord is the sword, our sword, the armor of the Gospel. This can't happen without faith. The word, is not short bound, It can travel as much as needed.

In the coming days of trail and tribulation, we must have faith, endurance, our weapon being **The Armor of the Gospel.**

The evidence of what we hope for is given, let us use the word, our sword.

Memorize and use Psalm 23, 91, 121, no evil comes near you.
