

You Will Enter Into a Police State

Cryptic1

police state - A totalitarian state controlled by a political police force that secretly supervises the citizens' activities.

totalitarian state - A government that subordinates the individual to the state and strictly controls all aspects of life by coercive measures

When the social distancing rules regarding the pandemic were first implemented I started to take a good look at the world around me. I commented to a family member that 'we are on the verge of becoming a police state'. According to this second message I received from the Holy Spirit on 11.16.20 - in the aftermath of President Trump's Presidency it appears we are headed in that direction. The message follows.

Daughter all is not well. Dark forces are converging to overthrow your government, your constitution, your civil liberties. The powers that be are rising up in the wake of the coronavirus pandemic which has assaulted the liberties and freedoms of the peoples. The world is in chaos and in need of a Savior. I Am that I Am. If My people whom I have called turn to Me - I will abide with them and shelter them through the raging storms.

It is coming - a movement, a turning from democracy to dictatorship, from freedom to a totalitarian state. I do not speak of this administration but the one that follows after your President is removed from his office. Then chaos will erupt and it will be hell on earth for many. You will find the world around you changing rapidly. Social mores will be undermined as newer and radical social constraints emerge. Eyes will be watching all around to see whether you are in full compliance or not.

There will be police within the police. I speak of a police state where your every action will be controlled, monitored and reported. Trust no one at this time save Me your Lord and Savior. I alone am faithful and true to the end. Abide in Me children for soon the world and even your loved ones will forsake you for a price. In that day father will go against son and mother against daughter. Trust no one but Me and the voice of the Ruach HaKodesh who will guide you step by step. These are dark days indeed.

I return soon for My own - but many will suffer the fire that purges body and soul before entering into My Kingdom. Prepare yourselves to meet Me in the clouds of glory upon glory.

Your Lord King and Savior

He Alone Who Saves

Micah 7:5-7 5 Do not trust in a friend; do not put your confidence in a companion; guard the doors of your mouth from her who lies in your bosom. 6 For son dishonor's father, daughter rises against her mother, daughter-in-law against her mother-in-law; a man's enemies are the men of his own household. 7 Therefore I will look to the Lord; I will wait for the God of my salvation; my God will hear me.

Revelation 19:11 11 Now I saw heaven opened, and behold, a white horse. And He who sat on him was called Faithful and True, and in righteousness He judges and makes war.
