## THE LION OF THE TRIBE OF JUDAH HAS CONQUERED!

The end of the world is upon us, and you will hear of wars and rumors of war.  
Don't be alarmed, for the Lion of the Tribe of Judah has conquered, Listen for His ROAR!

For this must take place, but the end is not yet,  
but be aware that you are not caught, in the enemies net!

But trust in the Lord with your whole heart,  
For our Savior will protect His own, until the day we depart.

Lean not unto your own understanding, but always acknowledge Him,  
For He will lead us and guide us, we must never let our lights grow dim!

For nation shall rise against nation, and there shall be famines, diseases and earthquakes  
happening in different places,  
The whole world will be affected, including all people of different races.

Take heed that no man deceive you, beware of all who speak in His Name,  
For many speak in enticing words, not glorifying Yahushua, but only glorifying their fame.

Prepare Now! Spiritually and physically, for these are the beginning of sorrows!  
Pray, seek the Lord for wisdom, not just for today, but also, for all of our tomorrows!

Great persecution is coming to believers, many will be afflicted and killed.  
We must pray to our Heavenly Father without ceasing, for His Presence and Anointing, that we  
may continually be filled.

Be careful who you listen to, you know most of what they say, is fake.  
Know that you shall be hated by all nations, because of My Holy Name's sake.

Don't trust all who say they are Christians, especially those who dress nice, and wear suits.  
Bring everyone to Me for approval, for you will know them by their fruits.

Many you thought were saved, will stumble, coming against God and His Word.  
They will deliver up many to persecution, they will hate you, distrusting the truth they have  
heard.

And many false prophets shall rise up, and lead many astray.  
When what they say doesn't agree with God's Word, avoid them, and run the other way.

Because of the increase of lawlessness and iniquity, the love of many will grow cold.  
But he who endures to the end shall be saved, we must be strong in the Lord, and be Bold!

Be led by His Spirit as you share His Word, speak the whole truth, not just some.  
And this gospel of His Kingdom shall be preached in all the world for a witness unto all nations  
and then, the end will come!

KING of kings, and LORD of lords,  
YAHUSHUA
