ONE LAST TIME FOR THE WICKED TO REPENT

If they don't stop killing My babies, the great earthquake in California will suddenly come upon them. I have warned them many many times, but they continue to ignore My warnings. The wicked in California, they are humans who hate Me, and the human looking ones, who are not human, despise Me. Satan himself is their leader, satan told his evil followers to ignore Me, Yahushua, for I will do as I please, satan said. The wicked ones will soon find out who really is in charge. For I AM YAHUSHUA, the KING OF GLORY, the GREAT I AM! Soon satan will run and hide, soon the human and non-human entities will be stopped, for their judgment is near, and eternal torment is at the door for all who hate and despise Me. I AM declaring war on the wicked. Beware, all you followers of satan, for your time remaining on earth will not be good. Your health will fail you, your power will ebb away. Your evil plans will turn to dust. Your influence will disappear and your money will burn. You who are still human, repent now! or your light will be put out. For the evil you have done will come back on you and the flames of hell will encompass you. My anger is upon the wicked and all those who's heart is evil towards Me. Yes, My Righteous anger is kindled! Woe to those who's heart is far from Me. You have heard My pleas, for you to repent and come to Me to receive My forgiveness and My Love. You have heard My warnings over and over, but you continue to ignore Me. I will tell you one more time, lay down your life at the cross, and come to me in repentance, and I will forgive your sins and cleans you from all unrighteousness. Come now, while your breath is still in you, for your time is short!

YAHUSHUA, KING OF KINGS AND LORD OF LORDS
