Yahushua Is High And Lifted Up

Whatsoever things are just, honest and true,
May we always honor You.

Whatsoever things are of a good report, lovely and pure,
We know the true sayings of God are sure.

You must be anointed, so do not boast, the anointing comes only from the Holy Ghost.
It's not by might, nor by power, but by My Spirit, said the Lord of Hosts.

It shall come to pass on that day, that your burdens shall be taken away.
From off your shoulder, and your yoke from off your neck,
Not by doctors, nor from high tech.

For many like you, I AM appointing,
The yoke shall be destroyed, because of the anointing!

You are high and lifted up, You are the Son of the Most High!
You left your Power and Glory, and came to earth, to minister and die.

You are high and lifted up, You came to earth as a man,
But no one ever knew, You were, the Great I AM!

You are high and lifted up, You ministered as a man,
Anointed by the Holy Spirit, You healed all with the Spoken Word,
And with the loving touch, of your hand!

How God anointed Yahushua, with the Holy Spirit and Power,
Do you believe He will anoint you, this very same hour?

Yahushua went about doing good, you don't have to wish you could.

He healed all that were oppressed, then finally, they were able to rest.

As He spoke the Word, the devil had to flee,
God's anointing will do the same, for you and for me.

As the Father was with the Son, He will be with you,
With our Father's anointing, there's nothing we can't do.

Yahushua will also strengthen you, He will be with you, and bless you too!

From Your Heavenly Father, who loves you with all His Heart
