

# COLLAPSE OF THE DOLLAR

---

**12/19/2020** (Vision/Word) First, I saw a vision of the word “**RECORD**”. Then I heard the Holy Spirit say “**WAIT I SAY. WAIT ON THE LORD.**” Then I heard “**BIG CHANGE IS COMING...COLLAPSE OF THE DOLLAR.**” Immediately after hearing that word, I saw a vision of a man hugging a woman. I believe the man represented Jesus and the woman is the bride of Christ. Often, right before I go through difficult circumstances, the Lord will give me encouragement. I believe He is saying that we are going to endure something very challenging, but He has got this and we just need to cling to Jesus to make it through.

**3/11/2020** (Dream) I was standing in line to get change for a \$50 or maybe a \$20. A woman was in line ahead of me, also getting change. Afterwards, she sat down nearby to count her money. While she was doing that, I received my change. Suddenly the other woman announced that there was something wrong with her bills. She showed them to a man nearby and he agreed that they were not real. So I started to closely examine my bills and, sure enough, there was something wrong with them. End of dream. I believe the Lord is saying an event is coming where our currency will become worthless.

**7/9/2020** (Vision) I saw the rails and support poles on a subway car. Suddenly I saw many hands reach out and grab the rails and poles at the same time. I did not see the people or any other details of the vehicle, just all the hands reaching out to quickly grab the support rails. It felt like a sudden event (crash, shaking?) had caused them to reach for the rails all at once.

**6/20/2020** (Vision) I saw a man in an airplane bend over and cover his head with his arms for protection. Then I heard the Holy Spirit say “**BRACE FOR IMPACT**”.

This next dream is one that I posted before on 9/21/2018 on the Whistleblowerjeff.net site. The Lord reminded me of it when I was praying over this message and I feel it is important to post it again.

**5/27/2018** (Dream) I was in a larger city than where I am currently residing. I seemed to be in an area with lots of office buildings and concrete walkways. I saw the sky filled with airplanes that seemed to be disintegrating in midair and crashing everywhere. The planes looked like regular commercial airplanes, not war planes. Not only did I see them fall apart but I could smell things burning and I could hear the sound of metal ripping. End of dream.

**10/31/2020** (Word) I heard the Holy Spirit say “**BE STRONG IN THE LORD AND IN THE POWER OF HIS MIGHT.**” Then I heard “**MY GOD REIGNS.**”

## *Scriptures*

**REVELATION 6:5** When He opened the third seal, I heard the third living creature say, "Come and see." So I looked, and behold, a black horse, and he who sat on it had a pair of scales in his hand. 6And I heard a voice in the midst of the four living creatures saying, "A quart of wheat for a denarius, and three quarts of barley for a denarius; and do not harm the oil and the wine."

**2 KINGS 6:24** And it happened after this that Ben-Hadad king of Syria gathered all his army, and went up and besieged Samaria. 25And there was a great famine in Samaria; and indeed they besieged it until a donkey's head was sold for eighty shekels of silver, and one-fourth of a kab of dove droppings for five shekels of silver.

**\*\*\*Note:** **2 Kings 6:24 – 7:20** closely mirrors the Seals 2 -5 in Revelation 6. It's almost like reading the seals, but with lots more detail. I sort of see the Seals as high level summary, while this is the detail. Parallels are amazing.
