

# **I Speak of the Things to Come**

Cryptic1

Message given 12.5.20 to 12.9.20.

War will come to America because they did not heed My words nor My warnings that I sent forth. My heart grieves for this once great nation I called My own. But no more. America has been dealt a fair hand but has repudiated Me and laid Me by the wayside. I speak of the things to come. Anarchy, rebellion, insurrection, disunity, chaos comingled with violence, murder, mayhem and the like. Your world will be totally turned upside down and the life you knew will return no more.

I have spoken of this event to occur through My prophets and My messengers. Heed My words for they are life to the living. So many disdain the words I have sent through them and My messengers especially have gone through the fire of abuse, contempt and derision. But no more. For soon My words will not go forth and the land will be devoid of it. There will be an economy of My word and all I have said as even that will be taken and removed from your land. Expression of freedom, free speech and religion will be a thing of the past and but a distant memory. Your lives will kowtow to the new and rising administration that seeks to devour and enslave you. I speak of the New World Order of insurrection and violence that will dominate the globe the world over. It is the plan and machinations of evil men with evil hearts like their father the devil. There are many who are puppets to their regime and government and nothing will stop this machine from gaining in strength and power. This is the sign of the end of the age. This is the sign of the Mark that will follow as your economy crumbles and your money becomes meaningless and worthless. Soon you will turn everything you have over for a loaf of bread. What was worth a mere pittance will now cost a fortune. Lives will be upended as food and water become the standard by which sustenance is regarded. And that is but the beginning of the horrors to come.

Stay close to Me, stay in My Word. Stand in that day and remain standing and steadfast. The hour of your redemption draws nearer children. Do not forsake Me but persevere to the end as I persevered. Let your light shine as the darkness corrupts the world. I am with you always until the end of the age.

Amen Amen

Your Lord and Savior

Yeshua HaMashiach

He alone who Saves

Amen
