

## Invitation to the Wedding Supper of the Lamb!

McKana, December 7, 2020

### Revelation 19:6-9 (KJV)

6 And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunders, saying, Alleluia: for the Lord God omnipotent reigneth.

7 Let us be glad and rejoice, and give honour to him: for **the marriage of the Lamb** is come, and his wife hath made herself ready.

8 And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.

9 And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of God.

### Matthew 22:9 (KJV)

Go ye therefore into the highways, and as many as ye shall find, bid to the marriage.

### 1 Peter 1:18-19 (KJV)

18 Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers;

19 But with the precious blood of Christ, as of a lamb without blemish and without spot:

## Invitation to the Wedding Supper of the Lamb!

(Revelation of December 4, 2020 6:30PM)

In this moment of restlessness, I couldn't imagine how I slept but had a little moment of rest with all the headache and saw something wonderful.

I am thirsty, looking for a cup to drink water. I chose from multiple pipes which had a clean water in a very small cup and had a sip.

Then, from upstairs, in a wide open space lowered an invitation. There is a good looking lady with a clean white apron on her front over here cloth holding many small **sieved** containers on a rope and lowering down the invitation to the people on the ground floor. The silvery sieved containers contain very white and clean invitation forms wrapped together with table utensils, spoon, fork and knife for serving a meal. It is the table utensils which usually is placed by the side of the plate. Each container contain few, not many, invitation form and the utensils wrapped in a a very white clean wrap together, individually and separately for each invited person. The table is set upstairs for the wedding and this is the invitation. There are many upstairs behind the lady who are busy. I understood from the lady that the invited have to fill the form and send it back for **Reservation**. I understood strongly this reservation have to be made filling the invitation form.

It came in my hand but I am very busy looking for a cloth proper for the invitation. I felt I don't have a clean fitting cloth for the invitation. It see unsettled environment with few people running around the area.

The rest is little log and personal to share.

### Understandings
