

“The Longest Day” – D=E=C=O=D=E=D

Follow-up to “13th Its Too Late” (August 12, 2020)

By Averine Pennington, December 12, 2020

It is 10:00pm on December 12, 2020, exactly four months since the Lord had me post on August 12, 2020 the message He gave “13th Its Too Late.” There has been much enlightenment regarding this message, new developments even today. But I about dropped my teeth (Yes, I do have dentures, Ha!) when just a few minutes ago I opened up Yahoo News and the first thing my eyes were drawn to was The Washington Post article entitled: First Coronavirus vaccine shipments set to arrive in states Monday. I encourage you to read the entire article, but the opening paragraphs follow:

“Hospitals that have spent months seeking a silver bullet against a virus that has killed more than 295,000 people in the United States will begin receiving shipments of the first coronavirus vaccine on Monday, U. S. Officials said, comparing the start of distribution this weekend to the Allied invasion of Normandy in June 1944.

Saturday, said the four-star Army general overseeing vaccine rollout, was ‘D-Day,’ following the Food and Drug Administration’s Friday-night clearance for emergency use of the two-dose regimen developed by Pfizer and the German company BioNTech.

“D-Day was a pivotal turning point in World War II; it was the beginning of the end,” said the general, Gustavo Perna, who is chief operating officer of Operation Warp Speed, the public-private partnership speeding the development of vaccines and therapeutics. D-Day was the beginning of the end, and that’s where we are today.”

[credits: The Washington Post, Andrew Becker in Salt Lake City, Lori Rozsa in West Palm Beach, Fla., Kayla Ruble in Detroit Cid, Standifer in Cleveland and Laurie McGinley in Washington contributed to this report.]

Please read the above article with ‘spiritual eyes’ to see what God was trying to tell me four months ago. The Lord’s reference to ‘the longest day’ was given to me almost as a riddle and I did my best to decode it then. There is no way in my wildest imagination that I could have understood the meaning to have anything to do with vaccine distribution. However, our Lord knew this day would come. I do not believe this article was put before my eyes by chance as I seldom read such things. I believe God is calling those to whom He addressed the August 12th message . . . those with eyes to see and ears to hear . . . to take note and heed His warning to “Be Ready!”

Scripture (KJV):

John 4:35 – “Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.”

Yours for the Harvest,

Averine
