Woe To The Sinner

Shake rattle and roll, oh wicked men, what have you done to your souls?
Your ground will shake, your government will rattle apart, and if you don't repent, many heads will roll.

You say we are rich, possess wealth, and have acquired everything we desire.
You better seek God while He may be found, instead of believing, the father of liars.

The Lord says, Be attached to integrity, and walk in it,
Don't stray from righteousness and truth, even for a minute.

Woe to you who are rich, for in your riches you have trusted.
But from your riches you shall be removed, like the shine of your metal, that has become rusted.

Because in your prosperity, you have forgotten your Creator,
You have blasphemed and rejected your Savior, your destiny will be in hell, sooner or later.

I know your works, that you are neither cold nor hot,
At the judgment, I'll say to you, I know you not!

Oh, you who are evil, repent, before it's too late!
Once you take the mark, you will seal your fate!

You have believed the lies, of the wicked one,
he even says, that he has a son.

His son is not the Messiah, he never tells the truth, but only deceives,
Whatever he says to you, never ever believe!

Think not in your minds, neither say in your hearts, that every crime is not manifested or known.
In heaven, it is daily written down before the Father, and on your day of condemnation, you will reap what you have sown.

To those who think they're wise, you will not listen, and that which is good, you shall not obtain.
You are destined for the day of destruction, and your life will have been lived, in vain.

There is no hope that unrepentant sinners will live, but in the process of time, you shall die.
For you are not marked for redemption, but are destined for the day of great judgment, kneeling and bowing, before the Lord God Most High!

Woe to you hard hearted sinners, who commit crimes and feed on blood!
Your lives will be cut short, you'll lie with your faces in the mud!

Woe to you, who love the deeds of iniquity, to you there shall be no peace.
You have rejected and discarded the good things from God, in hell, your torment will never
cease!

You say, we have obtained honor, authority, glory and wealth,
Now with genetic enhancement, we'll always be in perfect health.

Now in our mastery and magnificence, we will soon retire,
But soon with disgrace and extreme poverty, you will be thrust into the fire!

Are not the commanders of ships terrified of the oceans and the seas?
And shall not sinners be terrified of the Most High God, whom they cannot see!

In those days the angels shall descend, and gather together in one spot, all that have assisted in
crime.
Then the Lord shall rise up to execute the great judgment upon all sinners, Beware It Is TIME!

The Lord shall commit the guardianship of all His righteous and holy ones to the angels for
their protection.
Until every evil, and crime be annihilated, while surrounding His Saints, with His affection!

You shall be afflicted on account of the righteous, woe to you sinners and liars!
For in the day of great judgment and trouble, you shall be burned in unquenchable fire!

If He shut up the windows of Heaven, restraining the rain and the dew,
That it may not descend upon the earth, on your account, then what would you do?

If He sends His wrath upon you, because of all your evil deeds,
You proudly utter against His Righteousness, never planting any good seeds.

Woe to you perverted in heart, who seek knowledge of evil, and of terrors that hurt,
Because of your evil words and deeds, lacking reverence for God, in the flame of a burning
fire, you shall be burnt!

The global elite are devising secret ways to live forever.
Believing the schemes and lies of the devil, because they think he's clever.

I AM a giving God, I will give them, their hearts desire,
They WILL live forever, in the lake of fire!

I AM THE PRINCE OF PEACE, I SHALL BE AS I SHALL BE,
YAHUSHUA
