Daughter the end is here. This is the beginning of the end. Trials, tribulations will be the norm. You will yearn for yesterdays as they will appear peaceful by comparison. Tumultuous days are upon you. Get ready! Stand strong and firm in My Word. This year 2021 will eclipse the previous year. Hold on tight for what is coming. Brace yourselves for impact on all levels - the economic financial collapse of America, political upheaval, deception upon deception, the implementation of the New One World Order, war at your doorstep and the great falling away of the church as division and contentions rise.

You must return to Me. Keep your focus on Me through the coming storms and trails. Listen for the voice of the Ruach HaKodesh. Heed His warnings. He will warn My people of impending dangers. You must listen and be obedient to His calling - in the still small voice you hear within your spirit, your spiritual ears. You were born for such a time as this. I welcome each and every one of you to take your place, your battle positions in My army. Prepare to engage in battle with the enemy. I call out to the rank and file members to take up their cross and come follow Me. Many have received their marching orders while many are awaiting theirs. Do not despair be of good cheer! I will use every able-bodied individual who is willing to take up their cross and follow Me. Come children. I gather up My children around me as a mother hen gathers up her brood of chicks to protect them. You must abide in Me, stay close to Me in My Word where I can speak to you and fortify and strengthen you therein.

I am the Way I am the Light of the world! I died so that you might live. The days grow darker by the hour but those who abide in Me I will protect, I will embrace in My loving arms. Think yourself ready to engage the enemy on your own? You are no match for him but know that I will guide you, I will lead you on the path to victory. Fear not I have overcome the world! Trials and tribulations will be commonplace. Many will falter in fear, give in to suicide because their faith will have failed them. **DO NOT TRUST IN MAN, DO NOT TRUST IN YOUR GOVERNMENT, DO NOT TRUST YOUR POLITICIANS OR YOUR JUDGES! TRUST IN ME ALONE! I AM WORTHY, I AM TRUE, I AM FAITHFUL!**

The elite are chomping at the bit to enact their master plan they call the New World Regime. This is the plan of satan to take down the world on a global scale. But fear not for I have overcome the world! Abide in Me and I will abide and take up residence in you. I will lead you, I will draw you close to My heart of hearts where we will become one. Look up children your redemption draws closer! Each battle, each hurdle you overcome brings you closer to the end of your journey and closer to the rewards I have in store for each one of you. Come children come quickly as darkness approaches and the midnight hour tolls.

Be warned! Time is about to come to a standstill as all you have ever known or been accustomed to will disappear. Begin to appreciate each day as you live to see another day. This is done by My grace and

mercy which is ever present to those who abide in me. Come children the hour is late indeed. Prepare for the Great Harvest to begin as My judgments fall upon the earth. My Kingdom come! My will be done! This is the hour of trials and tribulations to come! Count yourself honored that you might be found worthy to persevere til the very end. I go now to prepare a place for My own and to make haste for My bride who comes home to Me soon!

Amen It is So

Hallelujah!

Rejoice children for your redemption draweth near with each breath you take

Yours Your Lord and King

Savior of the World

Yeshua HaMashiach

He who Saves

Amen Amen

Maranatha I come soon!
