Matthew 6:20 (KJV)

But **lay up for yourselves treasures in heaven**, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

You might remember the testimony of Henry Gruver. In one of the testimonies of Henry, he mentioned about a huge frog on the hill about to spit venom on Government officials having a meeting with Prince Charles who came to give them a message about an on coming war to America. I remember that huge frog wondering, can a frog that big exist? Now, I know frogs represent unclean spirits. This is what is reveled to me that these things are not only real but they kill. I have seen many evil spirits in many forms and kinds, this one is unique, one of a kind to share.

The Giant frog. the size of the room!

(Revelation of February 12, 2017)

Without going much into details, one day, I was sleeping in one room. There is a good looking lady in the next room towards my head. In the middle of the night, I felt vey much suppressed/depressed, incubus, heavy load on my head. Because of the heavy depression, I felt, my head is about to be torn apart to pieces. While in sleep, I turned my head to see what is behind me. To my utter shock, I see a giant frog the size of the room the lady is sleeping in. The room is a regular bedroom, medium size. The frog has filled the room all the four sides, from side to side, from the floor to the roof, 2.5miters highx6-7meters wide. This hideous monster frog is staring, looking down almost about to jump on me. I struggled to wake up and with difficulty I did, what a relief.

few years later, the lady died while she was being taken care of. Her mental problem was because of the unclean evil spirt which has possessed her for long, to cause her untimely death. She might be in her late 40s. In the same situation, I have seen two small frogs jumping in the next room where another lady sleeps, had the same problem.

Revelation 16:13

“And I saw **three unclean spirits like frogs** come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet” (Revelation 16:13).

A Big, huge Diamond the size of the Room!!!

(Vision of -no date/8/2017 2:00AM)

During the day, I wrote a message to brothers about the lawless one. It was about “**The Mark of the Beast,**” a warning that it will come in the future and they should not take the "Mark."

I was in good sleep. I saw a big, huge diamond placed in the middle of the room. It is the size of the room. From the floor to almost touching the roof. It is nicely curved many faces, tapering on both ends from bottom to top. It is blueish oval, very very nicely curved. It didn't shine like diamonds in the light but sparkling very, very beautiful. If it shines it can light a big, wide region.

I was not expecting a reward or anything and never thought of a diamond. The smallest thing we do count big in the Kingdom. This size and kind of “Big diamond,” can't cross human mind. It is beyond and above human imagination.

In another time during my prayer, many big gold coins were poured on my bed. A real treasure in Heaven.

Now I know more than before that Our reward is with the Lord and the real place to accumulate treasures is in heaven, in the Mighty Kingdom of God.

I remember the diamond came after the frog.

Thank you Lord.
