

The Mighty Fall!

McKana, January 12, 2021

2 Corinthians 13:1 (KJV)

This is the third time I am coming to you. In the mouth of two or three witnesses shall every word be established.

-----//-----

I am telling you what we already know. Take it as a confirmation. The vision is swift and clear but it bears all the weight, it is the fall of a Nation, the fall of a Great Nation.

The Statue of Liberty Fallen!

(Vision of January 11, 2021 ~5:30AM.)

I was not fully sleeping neither fully awake. In a distance, some few miles away, I see the statue of Liberty on the edge of a crumbling land mass, standing clear and tall. From my point of view, the statue is facing Northwest, in its true color. I was looking upwards onto the crumbling and falling land. The land is breaking underneath and the Statue of Liberty from the edge falls deep down. I see it going down almost in the middle along with the breaking ground and smoke of dust. I was waiting down to the ground but the vision ended while it is falling deep.

After this vision, I saw something else, I don't remember what it is something like unrest, civil unrest and chaos, no details.

I don't remember seeing the statue of Liberty before, in a Vision or a dream. This is my first time to see the statue and its fall. Even in the vision of the high tide tsunami engulfing the high rise buildings, I didn't see the statue.

Some have seen the statue of liberty swallowed in a tsunami, some have seen hit by a sword, some have seen crumbling etc, this is a mighty fall. All signifying the calamities, the war, the famine, the pestilence and all we have been warned of. This is the End, the Fall of a Mighty Nation, Judgement from Almighty God.

Repent, Pray Ceaselessly and Be Ready, Spiritually and Materially.
