

West Wing

Cryptic1

On 1.11.21 in my spirit I received the word '**west wing**'.

The West Wing is a section of the White House that houses the Oval Office and other offices of the President and is where the Vice-President and other advisors to the President work alongside him. There was also a series titled 'The West Wing' - a drama that revolved around the U.S. President and his administration and their political power plays. I believe the Holy Spirit is speaking to the latter.

This morning 1.29.21 I also heard in my spirit '**Biden**' '**Harris**' '**politico**'.

'politico' – Politico is an informal word for a politician – a person who holds or is seeking political office as an elected government official. Politico is especially used to refer to a long-term politician who's experienced in making political deals or exchanging political favors. For that reason, it's often used in a negative way, such as to refer to politicians who are considered members of the establishment. (Dictionary.com)

While newly elected President Joe Biden and Vice-President Kamala Harris are working to 'unify' America the term '**politico**' given by the Holy Spirit appears to indicate otherwise. The following message was given 1.27.21.

This is political drama. This is political farce. It is done with smoke and mirrors to fool the public, the masses who are easily fooled. Rise up! Rise up! My people perish for lack of knowledge of My Word and My Will. I AM THAT I AM. Soon all will be revealed. Soon all will be uncovered. There will be wailing and gnashing of teeth as evil is undone and the perpetrators are hauled off.

So many are enamored of this political intrigue, this political subterfuge. But my hand is upon this nation to wake it up, stir things up. Justice will prevail. My justice will prevail upon this nation. America once belonged to Me. I called her My own but she has strayed far from Me. I call to her to return once again. I call out for repentance for the many sins against the innocent - the blood shed by the martyrs of the faith, the innocent lives stolen from their youth. These are high crimes which must be paid by the shed blood of other martyrs to come. You will reap what you have sown. But for a time and a season I will intervene as My hand of justice comes down upon your nation. The swamp will be drained, many will go to prison for their crimes that cry out to the Most High. I will clean the corruption, the deceit, the treachery, the lies, the smokescreen so that all will know the truth. I Am that I Am.

I will return to reclaim My own. I will return to avenge the blood of those who have gone before you. I will return to enact vengeance upon this land. I will return soon. My word goes before Me to perform that which has been spoken of.

I go to prepare a place for My own

I Am that I Am I Was

Your Savior and Lord Yeshua HaMashiach

I will return soon upon the clouds of glory upon glory

I Am
