

The Lake of Fire of Hell!

McKana, March 21, 2021

Romans 6:23 (KJV)

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

What the world need to know, more than the inevitable calamities and heaven, is about hell, the lake of fire, the place of everlasting pain, ceaseless, endless torment and suffering where there is no way out. Hell is real, even if it is for a swift moment I have seen it, even if it is for very short seconds, I have experienced, it is unbearable, even though I didn't fall, the Lord brought me up from the very edge of the dark frightening endless pit of hell. More than ever, the time to tell, warn about the terrible everlasting lake of fire of hell is now. It is true, what shall it profit a man, if he shall gain the whole world, and lose his own soul?(*Mark 8:36 (KJV)*)

The time to save one's soul is now, before it is too late and even now it is the last hours. The way, the truth and the Life for redemption and salvation is through Jesus Christ the crucified, the Son of God and the only! Only! Only! hope of all Nations. The price is paid by blood and life of Jesus, it is free a free gift of the grace of Almighty God, not through works, for those who are willing to accept Jesus as their Lord and savior.

Heaven is forever, worth everything the world has and can offer including one's life. Is it not written to be faithful unto death, Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.(*Revelation 2:10 (KJV)*)

As it is written and came to pass, the Lord swallowed death in victory -He will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth: for the Lord hath spoken it.(*Isaiah 25:8(KJV)*)

Death and the grave, no more have the power-O death, where is thy sting? O grave, where is thy victory? (*1 Corinthians 15:55 (KJV)*)

The joy of heaven is perfect in the perfect Kingdom of our Father where there is no death, no corruption, no sin, no fear, no pain and no tear but much love, peace, joy, plenty and everlasting life with our loving Father. In the same way as I have experienced the unbearable hell, for a swift moment, I have experienced the perfect love of God. Experiencing the perfect love of God is a place to be, forever. I know what I am telling you, love in its perfection. No one can love us like our Father in heaven.. It is written For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.(*John 3:16 (KJV)*). What we are going through now is nothing, the scripture tells us-For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.(*Romans 8:18 (KJV)*)

What more can we say, as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.(*1 Corinthians 2:9 (KJV)*). If we don't love the one who suffered, bleed and died for us, who else do we have to love? For all, the Lord is near, try him, the mercifulness and the goodness of God, as it is written, O taste and see that the Lord is good: blessed is the man that trusteth in him.(*Psalms 34:8 (KJV)*)

Time is not a machine, a bus waiting for man. It is moving and moving fast and now, time itself is facilitated. It is not the old time you know and lived. There is shift, a shift to the end.

The Lake of Fire of Hell.

(Vision of February 13, 2018 10:30AM)

It has been a while since I had a good night sleep. My mornings are difficult. All the pain goes away after my daily prayer.

I have to go to the library, arrived there at 10:00AM. The door opens at 11:00AM, so I closed my eyes in my car, with the heat turned on for a while. It is 12DF outside, too much snow from the previous days. I closed my eyes. In that very moment, before I know I was drifting, **a window in the heavens opened up**. I am not fully awake and not sleeping but aware of the surrounding

High up in the sky, facing towards the West, through the open window, I see a being, looks like a human being from His head to His feet. In a shape of a human figure I see the body distinctly, with one outfit of yellowish robe. He looks like a flame, fire red and yellow. I see his two eyes, looking at me sternly. I am frightened. I don't know what to expect. Is it real? I looked at him, I see the two eyes, and the rime of his eyes distinctly, round but looks like burning flame. I understood soon He is Jesus. The Lord is standing still with sadness. Even if it is a long distance, I see the details of what is revealed for me. I knew now something is up. Behind the Lord is a big wide, far deep and wide lake of fire. It is the lake of the fire of hell. I am seeing human beings in the lake of fire of hell fully submerged below their neck, they are like some one in deep waters. They go deep and surface up, go deep and surface up. I tried to examine their face. I see them above their neck. They have haircuts, short, trimmed. I see their heads, I see their face, familiar faces with the flame and the short time I couldn't tell their identity but collectively I understood who they are as a group, murderers, sinners. I understood now why there is deep sadness in the face of our good Lord. These are the people who lost the opportunity of salvation while they were on earth. Redemption, they were offered as free gift of grace with no price to pay. I can only imagine what it feels to be in the lake of fire of hell. Before I have enough of the scene, the window is slid from the left to the right by the left hand of the Lord and the vision ended.

When I am writing this, throughout, from the beginning to the end, I hear and see the volcano of Iceland erupting, raging and the molten red lava flowing like a river with intermittent thunderous explosions. That is what reminded me to pull out what I have recorded on the time and write this.

The lake of fire looks like exactly the lava lake of a red hot volcano. If one throws any material object in the lava lake, it will instantly burn to ash, vaporizes to ash and smoke or melt to be part of the red hot lava and liquid fire. The intensity of the lake of fire of hell is multiple and nothing of the soul of man changes but remains in the lake of fire burning forever. We are created to Glorify God. To please God, as it is written, we have to fear Him, believe in His mercy and obey His commandments in loving Him. Doing these, indeed is rewarding.

TIME IS NOW TO SAVE YOUR SOUL, IN A SHORTWHILE, IT WILL BE TOO LATE!!!

Jeremiah 17:9-10 (KJV)

The heart is deceitful above all things, and desperately wicked: who can know it?

I the Lord search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.

Psalm 103:8 (KJV)

The Lord is merciful and gracious, slow to anger, and plenteous in mercy.
