

## **Sudden separation...**

I AM separating my own fully unto Me. Do not be surprised by the doors that I am closing; it is ultimately for your own protection.

For I watch over My own, and I know every one of My sheep that the Father has entrusted to My care; I will never let you slip through the fingers of My right hand, for you have a special place in My heart and you ARE fearfully and wonderfully made!

Sadly, many I wish to draw into the fold are stubborn, many are stiff-necked and are putting their faith in the things of this world, rather than receiving the great gift of My sacrifice of atonement.

Continue to pray for them as the Comforter leads you, but some of them you will have to let go!

The season of great shaking is at hand, and those in the valley of decision will finally have to make the most important decision of their life! Do not be surprised at the methods that I will SUDDENLY use or allow; for I must (and I will) get their attention!

Many have already made their choice, and sadly they are marked and sealed for destruction, for they willingly chose the broad path in their pride and in their friendship with the world! Every drop of the blood of the innocent cries out for an accounting!

The good news is that in My mighty move and compassion, many will enter My Kingdom! But, you must realize that they would NOT enter in if I do not increase the righteous judgment your loving Father (our Father!) has ordained.

My own are, and will continue to be protected- for they have built their spiritual house on the Rock; not on the sand of pride and apostasy!

Celebrate with Me in excitement My children, for you soon will be with Me where I AM!

**Romans 3:21-26** But now the righteousness of God apart from the law is revealed, being witnessed by the Law and the Prophets, **22** even the righteousness of God, through faith in Jesus Christ, to all and on all who believe.
