Isaiah 55:11 (KJV)

So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

Proverbs 13:20 (KJV)

He that walketh with wise men shall be wise: but a companion of fools shall be destroyed.

I have been seeking the Lord for the discernment of the spirit of those who are **Doused/dosed**. We all have seen messages from the Lord that their DNA will change to “No more human” and also there will come a change in their carnal human nature. They will also suffer from physical ailments and many millions will die for what they have taken into their system is a poison. Poisons kill.

I have to walk you to three different revelations the Lord gave me in 2017, 2019 and 2021 for a clear understanding of what I saw this morning. (manikins/ mannequin, interchangably used)

1. It was in 2017. In this dream, I see church people going in a hurry on a train toward a hiding place in the caves of a mountain. I am running by their side on foot, on the rail of the train with equal speed. My good sister is telling me from a far distance, Run! Run! catch up with them. We reached by the mountain, for a safe heaven in the cave. We are in the road, out of town, there are some people on the side of the street somewhat sparsely wooded. Among the people on the side, there is one who is fair skinned which look like a **manikins**. This thing is among the people, unique, not human, live but its nature is other than human. I don't even know the people around new they have none human company among them. I saw it, it saw me too and shrugged. we passed to the cave,

2. In one of the messages posted in this site on **October 16, 2019, “The Laborers Are Few!”** you will find a statement which says “To the right, Eastward, I see groups of people lined up in a row facing each other, many of them. They are in a field but looks like big gathering space, something above their head, roof. They are humans but at the same time manikins, half **manikins**, not all but some. They look they are in spirit, not good spirit. They are well fed, greased, good stature. It is some sort of ceremony, spiritual, singing and clasping. This didn’t make me feel comfortable and I struggled with myself, I lingered a little, asked why I am here and what am I going to do.”---- “I know some of the many on the singing and clasping ceremony but from the hard working few, I don’t know any one of them.”

3. In a dream revelation of January 4, 2021, you will find a statement “When I see clearly **five six of them in line**, I thought naked **mannequin** escaped from the store but when I noticed their frightening dark black eyes, I knew they are the **fallen angles, they are here**. New comers or long time residents, they are here. I have seen a single one before, the same place, this time, they are in a group of five or six.”

They are here, The Fallen!, January 4, 2021 8:37 PM, **MCKANA**

In these three dreams the Lord revealed to me, I saw human like **manikins/mannequins**. All the above revelation are timed for the futur. They are in the times of the wilderness and the harvest, revealed not once but three times. From the three revelations above, which I didn't fully understood at the time, I saw a change in human nature. How did the change came?

The Changed.

The Doused, **Mannequin** like.

(Dream vision of May 9, 2021 8:00AM)

In this dream revelation, I am in a grocery shopping center in London. People are lined up towards the counter to pay but I don't see anything in their hands. I looked at the left, there are few things. I picked a lattice whose veins are pinkish. I showed it to the man behind without knowing who he is. He is the current PM of England BJ and showed him the lattice and I said look, their veins look pinkish, they are,---- looking for a word, taking it on he said "**withered**" and I said yes. I picked another small plastic bag of lattice and a hand full of long dark green pepper and went to pay. I handed the cashier 10 dollars expecting she will charge me some 35 dollar. She took the 10, asked me for additional charge of few cents which I don't have. Some one from the right, handed her some silvery coins and copper pennies. I don't see the face of the cashier as well us the face of the people around except the clear face of the PM, He is as he was, unchanged. The rest, I couldn't see their faces as well it is shady. I went out on the street. I see people watching something around a square. There is a picture on the grounds standing against the wall of the statue in the center and there are two people singing in front of the picture. I went further, what I saw and thought are people are **mannequins**. I came close, the few people in front are watching, as if it is a show, talking to the mannequins. They are equal in number, the real humand and mannequin they are talking to. They are mannequins, live as humans.

Interpretation.

The PM looks as he is, human clear faced. (was infected and healed, I don't know if he is doused)

Store -The economy, inflation

-Scarcity in availability of groceries

The people looking like mannequin are the doused, the changed, their humanity is no more.

The picture on the ground. They are wailing for the dead, not singing and dancing.

From the four dreams visions.:-

1. At the time of the harvest, when the church is in hiding, sufferings sever persecution and driven to the wilderness, there comes the manifestations of the change in the human nature of the doused, spiritual as well as carnal change.

2. In the above four dream revelations, the Lord made it clear that the dousing is poisonous, changes humanity at all levels to other than what the Lord created.

3. Sadly, in the revelation of October 16, 2019 "**The Laborers Are Few!**" some of the people which I saw who look like **mannequins** are believers I know and now are the doused. At the time, before the pandemic and the dousing, I have no understanding what the revelation mean. Now, it is clear.

In the future, are the doused going to look like real manikins/ mannequin? It is to show the change in their humanity.
