

THE 'VACCINE' IN THE BLOOD STREAM

Dream received on 15 May 2021

In the dream I saw the 'vaccine' (in the form of black tadpoles) going along the blood stream of those who got the jab. At the beginning, the tadpoles were going along the blood current. However, at one point they were called or instructed (it felt as if the instruction was as simple as pressing a button); suddenly and almost at the same time all of them turned and moved very ferociously against the blood flow. In doing so, there doesn't seem to be anything that is going to stand against their way; they will tear and break anything in front of them to reach at their final destination. Dream ended.

What I understood from the dream is that the vaccine will have a devastating long-term impact on those who have taken it. For now, all may seem well, and things may appear to be going smoothly. However, at some point in time when it is instructed to do the work that it was designed to do, we will see its vicious nature and the consequent impact it will have on people's lives. Whether one has taken the vaccine or not, we should keep praying for God seeking His protection and guidance. We are in such a difficult time as this when we cannot trust our own instincts let alone anybody else unless we are guided by the Holly Spirit.

For by the grace given to me I say to everyone among you not to think of himself more highly than he ought to think, but to think with sober judgment, each according to the measure of faith that God has assigned.

"KEEP YOUR EYES ON GOD"

Dream received in 2020

I was laying at the exit of a big cave [laying on my stomach and facing the exit]. I then realized that a big snake was coming from behind. In order to come out of the cave, the snake had to pass over me and the thought of that extremely scared me. Then, I heard this voice, "Take your thought off the snake and keep your eyes on God". As I did just that, I immediately felt the fear disappear. Dream ended.

I understood from the dream that during these difficult and trying times, we need to fix our eyes on God and not on the challenges, and hardships that we are going through in life [the snake] for God is our strength and salvation.

Psalms 27:1-3 "The LORD is my light and my salvation— whom shall I fear? The LORD is the stronghold of my life— whom shall I dread? When the wicked came upon me to devour my flesh, my enemies and foes stumbled and fell. Though an army encamps around me, my heart will not fear; though a war breaks out against me, I will keep my trust."

AMERICA CHOSE THE GOAT

Dream received in 2019

In the dream, I heard the following: *"I gave them [USA/Americans] everything and made them prosperous, but they chose him [Satan]."* Then, I saw what looked like a high-heel shoe – its front was a goat's huff and the heels were that of a cow's teat.

The understanding I had of the dream is that, Americans have turned their ways from God and have chosen other gods, including worshipping Satan [symbolized by the goat's huff], forgetting all the multitudes of blessings [symbolized by cow's teats] that God has given them and their forefathers.

"But I have this against you: You have abandoned your first love. Therefore, keep in mind how far you have fallen. Repent and perform the deeds you did at first. But if you do not repent, I will come to you and remove your lampstand from its place." Revelation 2: 4-5
