It Is Time To Go

My Son take these Holy Words down for My True Body Of Believers. My Ones, My Worthy Ones, and Unworthy Ones , the time is at hand **gird** yourselves, your heart ,your soul, your mind, all, every part of yourselves . My Judgements on a larger scale will start to commence followed by My Severe Judgements to come forth. My Children, **Those Who Are Worthy You Will Not Be Here For My Severe Judgements** you are My Harvesters , My Bride , My Words say it and the workers are few, again in My Words, My Messenger will put the scriptures down for you. My Children all My Warnings are over!!!! I have warned forever, this time it is for real , most of all My Ones who are being led by My Spirit are being told this over and over again and again, you are truly ready . The un spiritual ones are in for a shock, a tremendous shock of themselves, their heart, mind, all parts will be shaken and most will not know what to do, what to say, where to go, or why all this is happening, most are and will be lost in one way or another. My Children I have to do this, it must occur, for if it does not they will never awaken out of the stupor they are in ,they are truly asleep . I grieve over what I must do My Ones, but to wake the masses up, **what I am about to do, will shock even My Elect, My Remnant , And First Fruits.** I need to awaken My Sleeping Body before they are totally lost . It is better for destruction to come and get those that are spiritually death ,blind ,dumb and just plain stupid to be shaken to the core. You see My ones most who read these messages are awake, are doing what they can, are praying, obeying and spreading the word. Most who read My Messages take them seriously ,it is My Others the preprogrammed church who cannot wake up they just will not by normal means, most are fooled, deceived by man's church not My Church.

My Children the Worthy Ones , when the time is right I will be takin you, I am just waiting for the right time and chain of events to unfold in hopes when I take you and during the transformation it wakes up **My Rest, The Sleeping Ones And My True Ready Wheat** . Once I take **My First Fruits ,My Severe Judgements** shall fall and will. **I AM The Holy Father In Heaven Your Father The Creator** I do not lie and this is all in My Words , just seek me and the truth. I will always give you what you need if it leads you to My truths . Many read this messengers messages and their spirit talks to them, My Spirit talks to you, My Holy Spirit speaks words and truths when you read My Messengers Messages ,especially this one for they are true, they are My Mouth Pieces ,they are Mine and Mine alone they truly write what your God tells them, nothing more, nothing less. Yes they make mistakes but will always ask me in one way or another by what I truly meant and My Holy Spirit talks to them. Most spend hours of the day, sun up till they go to bed talking with Me , being led by Me and asking questions and above all obeying My Voice. I even sometimes ask them as to why they think somethings must occur, yes I am your God I created you, I want your praise your worship but I created you to have a relationship with Me an actual relationship, where we actually on some level in some form talk as friends companions. My Children these messengers, watchmen, prophets all desire Me above all, everything, are they perfect no they are not. **My True Kingdom Workers Hearts are all in the right direction right place** and only truly desire Me and My SON Jesus The Christ as well as My Holy Spirit I only truly wish the rest of My Body would realize that.

My Children why do you think My SON was led to the forest to fast and than be tempted by the devil three times? And every time he tempted My SON, Jesus The Christ with something more enticing?

Why Children would I allow that? My Children I test everyone, not even My own SON, My True SON the **ANOINTED ONE** escaped from being tempted and tested. My Children tests are there to see if you truly love Me , if you truly, truly love me. My SON passed all tests no doubt, but you My Children are not God . You are My flesh created beings and through out your lives you have been tested, some passed while others failed. What counts is, do you truly love your God. ***I can forgive all, just confess to me and truly repent, what truly matters is.*** Yes I truly want you not to sin but I realize you have and will, but what you do after you fall, will you get back up and tell your God that you are sorry? And sin no more, at least try to, or just keep falling to you fall into the lake of fire. My Children it is time for most to be tested ,remember My Children I am always here for you I will never forsake or leave you just lean on Me call on Me and My SON we are right there for you I love all of you but time is at hand and has to be .

My Children, please, please, please understand it has to be this way it really does if I do not start this now most in America would be lost due to Covid and other weapons from the enemies, for there plans are satanic, diabolical and down right evil. My Children it is time, preparations are complete some will come home to me when all this happens, some will stay for purification and refining and some will wait in darkness to be judged. Please repent now, please, better to repent and confess to me your Father or My SON than wait for judgement on your soul. My Children I love you get ready for it starts. end of message your **Father The Creator**
