Repent Or Ye All Shall Perish

My anointed Son, take these words down for all to hear. **THUS SAITH ME THE GOD YOUR LORD THE FATHER IN HEAVEN, YE ALL SHALL PERISH UNLESS YOU REPENT NOW**, I say this again unless you repent from all manner of sin you shall perish. There are no exceptions, none to this, My ones, My children. **WOE** to the unrepentive **WOE** to you, I as your Father speak now and say **WOE** now, to the inhabitants of this dying world. Most love the world more than Me and My Holy Son, **WOE** to you, for I will cast darkness upon this world, **WOE** to all of you, I will say it again, **REPENT THE KINGDOM OF HEAVEN IS AT HAND**. You My ones My Slack Children, My Asleep Ones, My ones Who Are Spiritually Asleep and want the father of lies, **WOE** to you, when darkness falls and you are lost, scared and confused I will not hear your cries as you have not heard the cries of My Heritage and you have killed them in the womb, gifts given to you and thrown away for what, lust, power, inconvenience you murders, such a foolish, perverse people, **I Say Repent Now Or Perish**.

I have warned and warned and warned I am long suffering and patient but that is at and end you My Sleepy Children, My so called ones who think that they are My Bride who are far, far, far from Me speaking with your mouths, but your hearts are far removed, not even knowing what you do, I say **WOE** to you, I have said countless times repent and turn My ones. Sin, all sin no matter what it is, but do you harken to My voice, or your fathers voice of lies, you My ones are not fit to even save, you are not even fit for the lowest parts of Sheol. My Lost Sleeping Church, I as The Creator have had all I can take as a God, all, everything, especially from USA Mystery Babylon, do you think I your God, would let you continue knowing what you shall become did you. I as your God say **NAY, NAY** to the nation led astray **NAY** to you. You perverse generation of vipers you heathen whores of lust and greed you ones who have no clue of My Might, My Power, My Glory. Soon you shall see, America Mystery Babylon you shall see it, as events unfold rather quickly for war is at your shores, your mainland, your cities. **YOU AMERICA ARE NOT SAFE AND NEVER SHALL BE NO MORE FOR MY HAND, MY EYES, MY FACE IS NOW SET UPON THEE, AND YOUR DESTRUCTION NOW COMETH**. There will be an upcoming date, a date which will ring thru the whole world and cosmos where all shall come to pass in My Words, that date is upon you, when your life your last breath is and will be required of thee. Your judgement is now at hand as July. Fastly and I say fastly, drops off the calendar, I as your God have been knocking to see who would let me in to sup with them and for the ones who have done this, I say truly let My SON into your hearts, your rest your supper is ready for all preparations are complete for the feast, all preparations complete for America's fall.
