

What Is Old Is What Is New: Again & Again

By Pollox

For you who have studied the Old Testament know that I AM does not change, neither is there anything new under the sun. You human beings have repeated the same sins in every generation, repackaged to appear as new, as progress, as “Modern” as appropriate for “our own day”. The evil one has laughed for millennia, at you incredulity.

Isaiah Chapter 46 Verses 8 – 10

8. “Remember this, and be ashamed: return, ye transgressors, to the heart.

9. Remember the former age, for I am God, and there is no God beside, neither is there the like to me:

10. Who shew from the beginning the things that shall be at the last, and from ancient times the things that as yet are not done, saying: My counsel shall stand, and all my will shall be done:”

As it is now, so, I AM has announced what will come in every age down to these end times. The prophets has seen it all, I AM showed them clearly. Even many prophets whose witness and writings have disappeared, over the ages. Much of it willfully destroyed by the snake king and his minions.

You and your ancestors also chopped away at the sacred texts, discrediting them as not canonical, forgeries, false translations and or fakes. As in Maccabees, removed from My Book, because this brave family of Israel, dared to rise up against the pagan tyrants, of their day to preserve the Laws of Moses and the Traditions of My people Israel. The rulers of that generation (King James I of England and his Biblical scholar committee), did not want an example of rebellion against the state, for their own people to see and consider the same path for themselves. So you have done it in this generation, you have destroyed the Law, the prophets and Tradition, to raise the standard of the snake king.

Confusion reigns now, decency is destroyed, right and wrong are inverted and the sewer explodes all over your civilization of death. So now you will reap the whirlwind of disaster, a twister of chaos and your myriad idols pulverized, liquidated, shook to dissimulation.

It did not have to be so! Curse not your Creator! I AM created you in love. Each

one of you is unique, a gem in My Eyes. But no, you say you are descended from the monkey, just another mammal. You have descended lower than the animals!

Note: I was forced to listen to a blaring rock song played outdoors, at top volume repeatedly for over an hour, by a neighbor yesterday. I prayed to God; the lyrics follow: “You and me baby are nuthin but mammals, so lets do it like they do it on the DISCOVERY Channel.”

Even pagan Rome as vicious and brutal as they were in their own culture, never legalized Abortion. And now, you thrust to make Cannibalism a legal option!

If you had taken the time to study My Word, at length many of your lives, would have been lived differently. The Old Testament was dismissed and marginalized by many before they re-wrote and started on the New Testament. Most of the so-called Jesus scholars, that have passed this life, are in Hell. Those that dare to efface My Word have always been condemned by it. They are cut-off from eternal life for they had led many astray and destroyed the faith of My Children, without compunction.

In a short while My Word will disappear, from your book shelves, stores, the internet and it in turn will be made illegal. You have come to the end of of the circle of time, of human history, of the wheel of mankind's efforts to do it “My Way.” All will unravel and the pieces will fall where they may.

I AM will not allow you to murder anymore of My Children (Abortion), pervert and destroy My Word and poison, deform and deconstruct My creation. The times have been shortened for the Elect. But the rest have brought upon themselves, the just results of the way they have lived their lives. For every sin has its own results and you will all recognize those sins at the Bema Seat Judgment. For they will have transformed each and every one of you into how you enter into eternity, for all to see.

Luke Chapter 23 Verses 28 – 31

28. “But Jesus turning to them said “Daughters of Jerusalem, do not weep for me, but weep for yourselves, and for your children.

29. For behold, days are coming in which men will say, 'Blessed are the barren, and the womb that never bore, and breasts that never nursed.

30. Then they will begin to say to the mountains 'Fall on us,' and to the hills 'Cover us!'

31. For if in the case of green wood they do these things, what is to happen in the case of the dry?"

This Is Your Generation! Jesus Was Talking Of You! You Are Dead Dry!

The tree of humanity is rotten to the core. The green leaves have long gone, the bark peeled off and litter the ground, the branches cracked and withered. The trunk split down the middle. So the tree will be thrown into the Lake of Fire and the few saplings that circle the trunk at the ground level (Remnant), will be moved by the Master Gardener (God), to His own Estate (Heaven) and replanted to flourish for eternity in Love, Joy, Peace and Glory!

SELAH!
