

Promises Kept, Walking Under the Rainbow.

McKana, August 28, 2021

Genesis 9:13-16 (KJV)

13 I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.

14 And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud:

15 And I will remember my covenant, which is between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy all flesh.

16 And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant between God and every living creature of all flesh that is upon the earth.

Even though it is too personal, let us take it for our edification, to benefit, to uplift us especially spiritually and morally. At this particular time, when darkness is approaching fast, we need what nourishes our spirit and keep us up and going. What the Lord gave us is not for one individual alone, it is for all of us. This will help us to see the goodness and mercy of the Lord and know we have a loving Father in the Kingdom of heaven. The Lord shows us His love for His little children in different ways. When the Lord tells us saying "I love you," as written, we know God is love, loving His children unconditionally. Nothing lifts us up and keep walking in faith but His love and His promises, a living hope.

We as humans, sinners, transgressed the laws, deserve nothing. Everything given, as written is by the Grace of the Lord. The Lord who gave us His life, has shown His love indeed and promised life everlasting in the beautiful heavenly Kingdome of Almighty God where there is all, more than we wish for. The Kingdome of heaven is at hand.

The rainbow we see in the sky, double rainbow, mirror image of each other, in the meddle of a storm which defies scientific explanation is a show of keeping the promise the Lord gave for all humanity.

We are given many countless promises, gifts many, a crown of life, life everlasting. For sure, what comes in mind is "I don't deserve this!" I have shared some, just a little of the gifts and promises given to me. Jesus has my loving Mother, my Father, my Grandfather and many more I love which He showed me a number of times.

What will really goes through your mind when the Lord walks you under a long archs rainbows? Nothing but the cry of love from the heart. This is our Loving God. The Lord keeps His promise for mankind.

The Arched Beautiful Rainbow to walk through.

(Vision of February 11, 2021 3:30AM)

I woke up at 3:00AM, sleepless, hurting. I am in bed closing my eyes struggling to sleep. In an instant I see rows of rainbows arranged in arches like a hallway to walk through. Very beautiful. I see on my right hand side towards the east. the beginning of the beautiful arches of rainbows leading inside and continuous further. I marveled the beauty and the way they are arranged for me/us to walk in.

Then I head the Lord say "***This is for you to walk in!***"

Very happy and wondering, I went back to my struggle to sleep but I am awake till 6:00AM, three straight hours hurting, sleepless.

Thank you Lord.

The Lovely Little Girl again!

(Dream vision of May 21, 2021 8:00AM)

Without going in to the details, understandable, the Lord has shown me the little beautiful girl

taking a baby step right in front of the Glorious Jesus. I have posted this in this web site (A Glimpse of Love, Jesus and the little Beauty, FEB 15, 2020, MCKANA <https://444prophecynews.com/a-glimpse-of-love-jesus-and-the-little-beauty-mckana>). This time too, I am seeing the same lovely little girl. This is the fourth time.

In this dream/vision, I want to have a hair cut. Walked in to a barber shop. When I walk in, the floor looks full of hair. When I stand on the floor it changed. Now, the ground is covered partly with golden grass, grass made of gold filaments? I walked, went in to the second room. There are three four people to the left. One or two are having a hair cut. I said ***“I want to have haircut”*** to the well fed, fair skinned person sitting to the left corner. I went forward to the mirror in front by the wall. I saw a baby girl “the same Baby girl.” Looking into the mirror, I grabbed her up by my right hand. When I left her, looking in to the mirror, I saw my face, looks young, very good looking. I am familiar with my looks up yonder. Young me, I look like 17-18 year old, slim with heavenly beauty. ***I liked my own look.*** I saw my hair. grown up hair, good looking, combed and reddish brown. My hair from the back is short but covered with the long hair from all sides(we see on all sides up there). I felt I know the little girl for millions of years, want to kiss her saying mmmmm!. Instead, before I have a good face to face look into the little beauty, there come the little known friend from the right side of the little beauty, the family dog, gave me a kiss on my lips. In that wondrous miraculous moment some noise woke me up.

I loved what the Lord made!

Looking Good!

The Lord has shown me myself a number of times. Isn't this wonderful? We are already up there. It is human nature trying to look good but never satisfied with self. I wish I look like her/like him, if I only have my nose little longer, my this and that. The same with me. I have never been perfectly happy with what I look. This time:-

The morning was full of depressive evil attack of the enemy. I woke up at 6:00AM tried to get a little rest. It was in this moment that I saw myself in a glance. I look very good. Never in my life had I been happy by what I look. Very beautiful, looking good, made me feel happy, impressively happy. This is not what humans look like. It is the spirit realm. The Lord has made me new and made me different until I say “this is wonderfully beautiful” After seeing this, the Lord made me love what I saw.

See how good the Lord is! The Lord has made us new again, He has created us new!
The Lord does wonders and makes new, good thing everyday .

I am made new, goooooood. You are made new, gooooood, we are made new, gooooood.

In the spirit, I have seen two people in different times, who look very beautiful but none like what the Lord made me.

Thank you Lord.

Be of Good Cheers!

THE LORD IS WALKING US THROUGH THE RAINBOW KEEPIN HIS PROMIS!!!

A little representation!
