

## **African countries vaccine experiments:**

**November 9, 2021**

I had a strange symbolic dream about many African countries and the global injections. This dream was a part of four different dreams I had that night, but this is the part that the LORD wants me to share.

I will later explain why I saw things the way I did and what it means. I did not originate nor did I pick how the dream was going to be represented. The LORD just showed this to me in the way that He wanted to do so. Here is the dream and then the explanation of some details:

### **Dream: US vaccine experiments in Africa**

I was in my backyard looking towards our garage from the back of our house. I looked down and I saw twelve dark Vietnamese pigs and they were in a semicircle position and they were heading towards me. I knew that they had previously been in the garage. I looked beyond and I saw Hillary Clinton with a syringe (which was the global injection), and I saw two quick visions of Biden and Bill Clinton next to her, but they were not physically present there with her. I got the sense that, in the context of the dream, Hillary Clinton represented all the politicians in the United States (REGARDLESS OF POLITICAL PARTIES!), and

that the USA was conducting medical experiments in Africa. I had the understanding that the pigs represented some African countries. They were black or dark grey colored Vietnamese pigs and they were dirty all over with dry mud. The pigs were slowly walking towards me and I had a feeling of responsibility for them. I have previously had dreams where I see pigs, but in those dreams they represented demonic entities and they were another species of pigs.

(In real life, we have pigs in our farm. So I was not scared when I saw them come to me.)

I felt that I was responsible for feeding them and caring for them, and I treated them as MY ANIMALS; I was very jealous for them. I knew that they represented African countries. As they approached me, I began to call all the African countries whose names contained the letter "W". So when I called them they would come to me. I saw in the distance that the politicians all had syringes in their hands and I knew that the US politicians had been and are currently experimenting with African countries with these so-called "vaccines". I called the animals to safety so that they would not be harmed by this, and I wanted them to stay as far away from those people as possible.

When I called those countries which contained the letter "W", these were the ones I specifically remember: **Rwanda** (the animal representing this country wanted to stay very close to me and was determined to escape the US officials),

**Swaziland** (also called **Eswatini**; I have seen this country in previous dreams), **Zimbabwe** (who was also close to me right after Rwanda), and **Botswana** (I vaguely remember seeing this country but because it had the letter "W", I think I called for Botswana as well).

As all the animals made their way towards me, I noticed that one of the pigs had not come yet. I saw the other pig/swine next to Hillary and I noticed that she was attracting him with food so that she could inject him, and I could see her handling the syringe in a weird way, like she was tampering with it. When I saw this scene, I shouted: "Hey, **Mozambique**, come here! Mozambique come quickly, now! Get away from there!". So Mozambique turned around and slowly crept towards me and escaped from danger.

When they were finally in safely with me, I noticed that I was raising my right hand in front of me, in a straight position. When I saw my hand, I noticed that I was wearing an old white shirt with buttons, and I could only see my arm and my right hand extended. When I looked at my hand, I noticed that it had multiple skin colors representing different ethnicities from the previous countries I mentioned. I had the impression that I was representing the "Father" of these African countries or that I was a famous African politician, like Nelson Mandela for example. But I am not exactly sure.

I further understood that my raised hand was a sign that God was doing to that those countries would come to Him and be safe under His wings of protection. I still don't

understand exactly what this scene meant, but I believe that it might as well have been all these things at the same time. God speaks in many ways and He is not limited in terms of what He shows to people, in the way He wants to show information.

After all this, I was looking at my hand and I got embarrassed because it looked to me like I was doing the Nazi salute with my right hand. But that was NOT THE CASE because my intention was to signal to those countries where they had to go. Then I saw Hillary look at me like she was offended by the "Nazi sign" that I was doing, (she was looking for ways to frame me for something, such as being "racist"). Then I thought to myself: "*Wait, what am I doing, this is not the Nazi salute! This is as a sign for them so they can come to me, I am not being racist! Why is she looking at me like that?!*" I wanted to put my hand back down, but the LORD reminded me that I knew what I was doing and that I should ignore what this Hillary was thinking about me. I knew what I was doing even though the rest of the people thought that I was being racist. And that is the end of the dream.

### **Meaning:**

There are some things in this dream whose meaning I have understood perfectly and without doubts. But some details are still vague as to what they stood for in the context of the

dream. But what I do know is this:

1. The pigs in this dream represented some African countries.

2. Hillary Clinton represented all US politicians (regardless of their "parties"; and yes, TRUMP is also included).

3. The US politicians all had syringes that they were using to experiment on these countries, as if they were "guinea pigs". (Although guinea pigs are rodents and not pigs.)

After this dream, I asked the LORD a question about why He showed me these countries as being pigs. I know that there are people out there that will really misunderstand this message because of socio-cultural movements such as "racism". Aside from the fact that this movement is distraction from the devil, God is not a human being nor does He view some people with more authority or power than others. Just because a talking screen (the media) tells you that an entire continent called Africa is 100% poor and in an eternal crisis, it doesn't mean that God has to "choose" how He represents nations, people's, and tongues when He shows information to us. So if you have found this message offensive in any way, then you must seek Him so that He can show you how He sees our world through His eyes, not

through our foolish human eyes.

As I shared the dream with another family member, she told me something I had not thought about. She mentioned that maybe it's not that the countries are like pigs, but that the US politicians actually viewed them as "low as pigs". That statement made much sense in my mind, but because I am not sure why they were shown as pigs, I will keep presenting this dream to God for further explanation and truth. I have also remembered a Christian who has a blog called "Christian Truth Center", written by a Kenyan man named Joshua Munguti. Some years back, the LORD gave Him a word about Nairobi, and God was comparing Nairobians to PIGS because of how filthy they were. The pigs that I saw in the dream were like my pets. I treated them with love and care, and I felt a tenderness towards them. I wanted to keep them all safe from harm.

I hope that the people of Rwanda, Swaziland, Zimbabwe, Botswana, and Mozambique can heed the the warnings from the LORD and seek JESUS CHRIST FOR REPENTANCE AND FOR BUILDING UP FAITH. FAITH IS THE SHIELD IN OUR ARMOUR, AND IT IS OUR ONLY DEFENSE AGAINST THE DARTS OF THE DEVIL:

(Please, READ THESE VERSES AND STUDY THEM THOROUGHLY. **Faith** is our shield against the devil, and our Sword of the Spirit if **the Word of God**. Amen ).

### **Ephesians 6:12-16**

**"For we wrestle not against flesh and blood, but against principalities, against powers, against the rules of the darkness of this world, against spiritual wickedness in high places.**

**Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.**

**Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And you feet shod with the preparation of the gospel of peace; Above all, taking the SHIELD OF FAITH, wherewith ye shall be able to quench all the firely darts of the wicked."**

### **Hebrews 11:1-3**

**"Now faith is the substance of things hoped for, the evidence of things not seen.**

**For by it the elders obtained a good report.**

**Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."**

**God bless you all! Amen.**

P.S: I recently read a post on 444news which had similar details about Hillary Clinton representing US politicians. Here's the link of that post, which was written by Michelle Katherine Orts: <https://444prophecynews.com/secret-underwater-bases-and-stolen-lost-souls-michelle-katherine-orts/>

I have also posted here about underground military bases, so this is further confirmation about this, from other brothers and sisters in Christ.
