

After wandering the desert for 40 years, Joshua led the people of Israel into the Promised Land. When the Ark of the Covenant entered the Jordan River, the waters were cut off and the **chosen** people of God walked through on dry land.

The Ark going before the people was an encouragement to their faith, for it meant that God was going before them and making a SAFE way for them.

The priests bearing the ark of the covenant and **going before the people**, meant they would have to stand in the middle of the river bed, until all the people had passed over. It was the priests who had to get their feet wet before God would open the waters.

It took faith and courage for the priests to go ahead of the people, but they trusted God and relied on the faithfulness of His Word. Repeatedly, The Father has said. "Who will be My Priest and Priestess to go before My people?"

Just as Yahweh showed the people who Moses was by parting the Red Sea, Yahweh was about to do the same for Joshua. Both Moses and Joshua had received the AUTHORITY from the Yahweh before these miracles occurred. Joshua explained to the people the river would open up as soon as the priests bearing the ark put their feet into the water. He also appointed men from each tribe to gather stones. See how Yahweh went *before His people, and was paving the way!*

I feel the Lord really pressing me to share that there are many of His working towards Priesthood today. These Saints, are about to receive a much greater anointing. He is specifically calling his Spiritual tribes (ie, Levites) also known as Priests & Priestess. If you are getting many verses and guidance regarding the Levites, then His message below is a CALL to you.

Joshua instructed 12 men, one from each tribe, to go before the ark of the covenant and take up a stone upon. These stones were heaped in the midst of the dry river bed of the Jordan as a memorial. (Joshua 4:9)

Each tribe had an assigned place in the camp and assigned order in which to march when they broke for camp. (Joshua 2) AND Saints, each one of us are a significant part of the Spiritual Nation of Israel. We each has an assigned part.

The entire Nation of Israel hurried across. This had to have taken a couple days. Then the Lord said to Joshua, "command the priests carrying the ark of the covenant law to come up out of the Jordan." And the priests came up & out of the river carrying the ark of the covenant of the Lord. No sooner had they set their feet on dry ground than the waters of the Jordan returned to their place and ran at flood state as before.

Joshua again, instructed the men to pick up 12 more stones from the middle of the Jordan under the feet of the priests, who were carrying the ark of the covenant, & carry these stones 8 miles to Gilgal, where the nation camped for the night. This heap of stones was to remind the people they came over the Jordan on dry land, as the Lord God dried up the water so they could cross. (Joshua 4:6-24)

As I review these verses of Joshua, I am reminded that God provides just exactly the right instructions to accomplish His appointed tasks. His conditions require much faith, but His promises do not fail. To a believer, these stones are a reminder that Yahweh is working miracles on our behalf. Today, The Father requires us to have this full faith in order to take us to new places to grow in Him. For those afraid, unless you step-out in faith and get your feet wet, you will never experience the true pleasure of being The Father's servant.

Each step the priests took in the Jordan opened the water before them until they were standing in the midst of the river on dry ground. Can you imagine? They stood there as people passed by, I am guessing this river was like a mile wide when they were crossing. When the whole nation had crossed, the

priests walked to the shore and the flow of the water resumed!! What a testimony of faith!

This picture unlike the crossing of the Red Sea with Moses, where the believers are delivered from bondage of sin, the meaning is for Believers to embrace their inheritance through our faith in Yahshua, Jesus Christ. He is our conqueror who leads us from day to day into our inherited Promise Land. "He shall choose our inheritance for us." Pslam 47:4

I awoke this morning with a message from the Father: (Message on November 29, 202) I was told to hold until now.

Yahshua leads me to Yahweh on his throne. The Throne room is brilliantly bright. I am unable to see anything, but a glow around his giant form. As He sits there, I get a brief glimpse of his long arms resting on his arm chair and then He begins speaking.

To My Elect, the 12 stones which were heaped-up in the middle of the Jordan stood as a warning of My Judgment. Have you considered these stones? You can't see the stones, but they are there, very much like My coming judgments.

Let this be My reminder to live obedient to Me. Overcome the power of the world by strengthening your spiritual life through My Son, Yahshua, Jesus & My Holy Spirit.

The 12 stones heaped up in Gilgal is a reminder to Mine of My faithfulness to deliver them to My Promise Land. Understanding, My Spiritual factor in which both Elijah and Elisha tarried in Gilgal. This is where Elijah was taken up by a whirlwind to Heaven. And Elisha heals poisoned stew and multiplies bread. If you want to claim your spiritual inheritance, step out in faith, surrender yourself and I will give you "days of Heaven upon earth."

I AM making these stones today a spiritual call to My remnant of Israel within My 12 tribes. Just like in Joshua's day the priests led My people across the Jordan River through their divine faith. I shall appoint & elect within My remnant a few willing to cross in faith.

Come now from your secret place, Step forward, the priest & priestess of the Levite tribe. I AM heard your prayers. You're purified and it's time to purify My people, allowing them through the Gates and the Walls set up by the enemy.

My teachings & instructions began with Aaron, the older brother of Moses. His descendants served as priest in Israel. My Spirit shall be training those entering My Tabernacle to remove the chains of captivity keeping My lambs imprisoned. These needing My Priests are those lost & oppressed searching and calling Me, but held in the enemies camp, they cannot hear My Voice. My anointed Priest will gain many secrets that I AM about to be reveal through visions & dreams.

My instructions will sound like, "Now get up and go into the City and I will tell you what you must do." spoken by My Son in My Word. These very important precious stones are the foundation for leading My lambs from perishing in the waters of wrath. Just like the Egyptians army had perished in the water of the Red Sea.

My Priest & Priestess will walk in My Justice & abide in My laws. They are set apart for My purpose to serve Me and stand-in for Mine with broken vessels in My Tabernacle. My Priests are forbidden to defile their temples and must guard themselves as My Messengers.

The coming days will be My WILL and My WAY. Those within this appointed office, who do not recognize My laws, will fall against My Sword. Remember, Moses was not allowed to lead My people into the Promise Land because he Failed to honor I AM in the wilderness. He did

not step foot into the Promise Land and enjoy the fruits of My land. Be strong in I AM.

I AM about to pour out My wrath like water on those in My fold still unwilling to repent. These who do not Repent with sackcloth & ashes will be washed away & left like the stones under the Jordan River. These stiff-necked ones shall not "crossover" into My Grace and enter into My Mercy.

Many of Mine, now shining beautiful stones after much refinement in this leg of the race and are better than any gold. Beloved, get in line, I Am gathering Mine!

I AM making all things known to those already safely in My Ark.

I Am sending My Army in heaven to comfort & protect you in the coming affairs.

Peace be with those fully sanctified in Me.

Grace be with ALL, Love The Father, Yahweh in Heaven.
